## How much do I pay?

Our state gas tax is 20 cents per gallon. Of this tax, 15 cents goes to the highway fund and 5 cents goes to public education. The average driver pays \$9.52 each month in state fuel taxes and contributes \$7.14 each month to the highway fund. For this analysis, the average driver travels 12,000 miles each year and drives a vehicle that gets 21 miles per gallon.

The Federal government collects an additional 18.4 cents per gallon.
