NOTE: Texas peace officers can cite multiple emphasis areas involved in one crash. One fatality will be counted for each emphasis area cited, but only one fatality will be counted in the total annual deaths to avoid double counting.

#EndTheStreakTx Campaign

Since Nov. 7, 2000, at least one person has died on Texas roadways every single day. In an effort to end this deadly 18-year milestone, the Texas Department of Transportation, through its #EndTheStreakTX campaign, reminds drivers it's a shared responsibility among roadway users and engineers to keep our roads safe.

To decrease the chances of roadway crashes and fatalities, TxDOT reminds drivers to:

Maintain Your Lane

Pay Attention

Rest Up

Stay Sober

Be Patient
