**2013-2016 STIP
November 2013 Quarterly
Revisions**

	MPO /District	CSJ Number	STIP comment
1	Statewide Financial Summary	-	Please correct the financial summary. The STIP YOE Costs (Individual Project Listings) number for 2014 found on the Statewide Summary Analysis does not match the detailed Statewide financial page for 2014.
2	Austin	0914-00-378	Approved. This project is included in the rural portion of the Austin District's STIP listing and the STIP page indicates the proposed project's location as various roadways in the City of Mason. However, the County is noted as "Travis" on the STIP page. This does not appear consistent with the project location information provided. Please clarify or revise the County information as appropriate.
3	CAMPO/ Austin	0914-33-069	Approved. However, the Year of Expenditure Cost (YOE) noted on the STIP page indicates "#Error". Please revise the YOE cost as appropriate.
4	CAMPO/ Austin	MPO ID 786 and 787	Not approved. The proposed project appears inconsistent with current CAMPO 2035 Plan (CAMPO Plan indicates construction of a 4-lane divided roadway versus a 2-lane roadway). Approval of this revision is withheld pending resolution of the noted discrepancy.
5	Laredo	0276-06-010	Not Approved. Please work with the TxDOT Design Division to verify that this project was selected for Transportation Enhancement (TE) funding.
6	Laredo	0922-20-015	Approved. Please provide additional clarification on the location of this project and confirm estimated funding levels for this project.
7	Lufkin	0911-38-068	Approved. Please work with the TxDOT Design Division to confirm Transportation Enhancement (TE) funding levels for this project.
