The MPO received four public comments in the form of letters and comments at the May 13th Policy Board meeting from Mr. Jim Reed, Mr. Burt Clem, the City of Nash, Texas and the Nash Industrial Development Corporation. All four comments were concerning the Pecan Street project being pushed back to FY 2015, thus, removing it from the FY 2011-2014 Texas TIP. The MPO staff explained that the TIP must be fiscally constrained and that at this time, there is not any available funding in the applicable funding category and until such time that a funding source is identified, the project cannot be included in the TIP. It does, however remain in the long range plan. The MPO staff offered further assurance that the Policy Board of the Texarkana Metropolitan Planning Organization is still committed to this project and it is the next project on the list to be done if and when additional funding becomes available.
