RE: Revisions to the 2011-2014 Mission Transportation Improvement Program (TIP) for inclusion in the May 2011 Statewide Transportation Improvement Program (STIP).

Dear Ms. Dunlap:

Enclosed are TIP pages for inclusion into the 2011-2014 Statewide Transportation Improvement Program (STIP). The Transportation Policy Board (TPB) approved the amendments to the Mission 2035 Metropolitan Transportation Plan (MTP), and the Mission 2011-2014 TIP at its March 4, 2011 and April 1, 2011 meetings.

Transit Projects:

1. Add 35-Foot Bus Purchase and Bus Equipment MPO ID# T006 to FY 2011 in exchange for bus service to be provided by Sun Metro for Socorro, San Elizario, Clint and El Paso Community College Mission Del Paso Campus using \$712,500 of Omnibus Earmark funds.
2. Amend the Mesa (SH20) Bus Rapid Transit (BRT) project, MPO ID#T015C-2/CSJ# 0001-02-054, to use FTA Very Small Starts funding in the amount of \$13.55 Million and Local funds in the amount of \$5.42 Million in FY 2012. This project is also using FHWA Category 2 funds for a total project cost of \$27.1 Million.
3. To add the Dyer Corridor Bus Rapid Transit (BRT) project, MPO ID# T017C/CSJ# 0167-02-902 to FY 2013 using Local funds in the amount of \$6.112 Million. This project is also using FHWA Category 2 funds for a total project cost of \$15.28 Million.

The Transportation Project Advisory Committee (TPAC) meeting and the Transportation Policy Board (TPB) meetings were used as open forums for the MPO public involvement process, and these projects have no apparent adverse effects on air quality conformity. These meetings were advertised in local newspapers.

Sincerely,

Roy Gilyard
Executive Director
