RE: November 2008 Quarterly Revisions to *Jefferson-Orange-Hardin Regional Transportation Study area (JOHRTS) FY 2008-2011 Transportation Improvement Program*

Dear Mr. Redmond:

Please find enclosed the revisions to projects that have been included in the *JOHRTS FY 2008-2011 Transportation Improvement Program (TIP)*.

Two project listings (Highway and Transit) are provided as requested and reflect added (exempt) projects, changes in funding distribution, and project description, etc. As previously requested, the FTA Section 5310 projects are included in the Transit listing. In addition, a new financial summary is attached including the financial summary as requested by PTN for transit projects. These revisions build upon the previously submitted February/March 2008 Quarterly Update submittal.

Please note that a separate, complete project listing for the Federal and State projects is provided to illustrate that all projects in the TIP are now in the new "San Antonio" format.

Please forward to Karen Dunlap with PTN as appropriate and to Lori Morel in Austin, for informational purposes.

If any questions arise, feel free to contact me at (409) 899-8444 ext. 251.

Sincerely,

Bob Dickinson, Director  
Transportation and Environmental Resources
