Robert C. Patrick  
Regional Administrator for Region 6  
Federal Transit Administration (FTA)  
819 Taylor Street, Room 8A36  
Fort Worth, Texas 76102

Dear Mr. Patrick:

Attached you will find the locally approved FY2008-2011 Transportation Improvement Program (TIP) Transit Project listing to be funded with American Recovery and Reinvestment Act of 2009 (ARRA). These projects were submitted to TxDOT on February 24<sup>th</sup>, 2009 but were inadvertently not included in TIP March revision.

The Corpus Christi MPO discussed this matter with Ms. Karen Dunlap, TxDOT, and due to the fact that all the proposed projects were in the approved November 2008 Statewide Transportation Improvement Program (STIP) utilizing FTA Section 5307 funding, an administrative amendment could be executed. The Corpus Christi MPO supports the administrative amendment to change the funding source for the November projects listed in the attachment from FTA 5307 to ARRA.

Please let me know if any additional information is needed to process this administrative change.

Sincerely,
