RE: Houston-Galveston TMA: Transit Related Amendments to the 2008-2011 Transportation Improvement Program (TIP)

Dear Mr. Patrick:

This letter is to reconcile the Section 5307, 5310 and 5311 transit projects currently programmed in the 2008-2011 Transportation Improvement Program for Fiscal Year 2009 with the available funds as listed in the April 30, 2009, Federal Register (Vol. 74, No. 82). Table 1 summarizes the revised program of projects for each provider the large urban, small urban and rural areas of the Transportation Management Area. Corresponding **TIP Amendments 142, 152 and 153** are attached.

Two additional amendments are included for your records. **Amendment 150** revises Harris County Transit's American Recovery and Reinvestment Act funded projects to include operating expenses as allowed by the Supplemental Appropriations Act for 2009. **Amendment 151** revises the scope of work to add preliminary engineering and environmental review for a US 90A park and ride lot to Fort Bend County's FY 2006 discretionary grant project. Please see attached amendments for project specific details.
