

NEW TEXAS CHILD PASSENGER SAFETY LAW

NEW TEXAS LAW Effective 9/1/2009

A child up to 8 years old, unless taller than 4 feet 9 inches, must ride in a child safety seat.

Most children between ages 4 to 8 will need a booster seat to be safe and comply with the law. Safety experts recommend that all children under age 13 ride in the backseat. Adults and children must be buckled up whether they are in the front or back seat.

4 STEPS FOR KIDS

Make sure all children in your vehicle are properly secured. Use a child safety seat appropriate for their age, weight and height.

State law requires that you always follow the manufacturer's instructions.

REAR-FACING SEATS

From birth to as long as possible, up to the weight or height limit of the seat. At a minimum, keep rear-facing until age 1 and 20 lbs.

FORWARD-FACING SEATS

From a minimum of age 1 and 20 lbs until the child reaches the upper weight or height limit of the seat.

BOOSTER SEATS

From about age 4 to about age 8, or up to 4 feet 9 inches.

SAFETY BELTS

From 8+ years old or taller than 4 feet 9 inches.
