CRIS CRASH Mobile App – CRIS Crash is a mobile application from the Texas Department of Transportation which allows Texas Law Enforcement Officers from Texas to capture, submit, and supplement CR-3 Crash Reports.

Officers will complete a paper CR-3 Crash Report and then using the CRIS Crash app will have the ability to capture a digital copy of the report and submit straight to TxDOT for processing.

CRIS Crash provides CRASH Report searching and the ability to create supplements to previously entered CR-3 Crash Reports.
