# Come Travel Texas with *Highways*

## Texas: Too Much is Not Enough

**LEGENDS COME TO LIFE IN TEXAS.** No matter where you roam, you'll find wonderful landscapes and interesting people. And you'll always be able to start your trip with *Texas Highways* magazine.

## A Traveling Tradition

**WHETHER IT'S A WEEKEND JAUNT** to a quiet bed and breakfast in the Hill Country or an excursion to the big ranch country on the High Plains, there's always a new journey to explore.

## No Brag. Just Fact.

**WE DON'T LIKE TO BRAG**, but sometimes it's hard to keep quiet about all the fabulous things to do and see in Texas, and you'll read about most of these destinations and activities in the pages of *Texas Highways*. If we don't have it in this month's issue, it will be in the magazine—or on the Web site—soon!

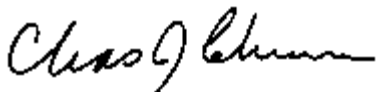

## The More the Merrier

**AND DON'T THINK TEXAS IS JUST COWBOYS** and open range. You'll find world-class museums, nightlife and restaurants in Houston, Dallas, Austin and Fort Worth. And no one can resist the lure of San Antonio's River Walk. At least not for long.

## Room to Roam

**WHETHER YOU CHOOSE THE STARK**, rugged beauty of Big Bend in far West Texas, or the pineywoods that typify the East Texas Big Thicket, it's easy to see that a lot of the tall tales are actually true! So come and live your own Lone Star State experience. Welcome to Texas and *Texas Highways*, the Official Travel Magazine for this Lone Star State.

Please join us on our next adventure.
