

## **Notice of Availability: Record of Decision (ROD) US 69/Loop 49 North Lindale Reliever Route in Smith County, Texas**

Pursuant to Texas Administrative Code, Title 43, §2.108, the Texas Department of Transportation (TxDOT) is advising the public of the availability of the ROD for the proposed construction of the US 69/Loop 49 North Lindale Reliever Route in Smith County, Texas. The project would construct a new location, full control of access reliever route around the city of Lindale in Smith County, Texas, referred to as U.S. Highway (US) 69/Loop 49 North Lindale Reliever Route (Lindale Reliever Route). The proposed action is intended to provide relief to the existing US 69 through the city of Lindale and extend a proposed toll facility (Loop 49 West) from Interstate Highway (IH) 20 southwest of Lindale to US 69 north of Lindale, a distance of approximately seven miles.

The ROD explains the selection of the recommended alternative, and signifies the completion of the environmental review process.

A digital version of the ROD may be downloaded from the project website at <http://www.txdot.gov/inside-txdot/projects/studies/tyler/us69-loop49.html>. The ROD is also available at the TxDOT Tyler District, 2709 West Front Street, Tyler, Texas 75702. Additional information about the project can be obtained by contacting Mr. Vernon Webb, P.E., at the TxDOT Tyler District at (903) 510-9296 or by email at [Vernon.Webb@txdot.gov](mailto:Vernon.Webb@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
