

NOTICE OF OPEN HOUSE PUBLIC MEETING Toll Bridge Road at Lampasas River

The Texas Department of Transportation (TxDOT) will conduct an open house public meeting on Thursday October 24, 2013 to discuss the construction of a bridge on Tollbridge Road at the Lampasas River to replace the previous bridge which collapsed in 2006. The purpose of this meeting is to present the proposed design and provide the public an opportunity to review and comment on the proposed project.

The open house meeting will be held at the TxDOT Belton Area Office located at 410 West Loop 121, Belton, Texas from 5:30 p.m. to 7:30 p.m. Engineering drawings showing the proposed location and design will be on displayed. Interested citizens are encouraged to review the proposed design. TxDOT staff will be available to address specific comments and questions. Engineering drawings will be available for inspection at the Belton Area Office during normal business hours following the meeting.

The proposed project would likely require the acquisition of additional right-of-way. Information concerning the state's Right-of-Way process and the benefits and services available to affected property owners will be available at the meeting. This information may also be obtained from Mr. Weldon Swanger, Right of Way Agent, at (325) 643-0452.

All interested citizens are invited to attend and express their comments. The public may submit written comments at the meeting. Written comments and other exhibits may also be submitted to Ali Bashi, P.E., Belton Area Engineer, at the Belton Area Office (410 West Loop 121, Belton, Texas), but must be postmarked no later than 5:00 pm, Monday, November 1, 2013.

Persons with disabilities who have special communication or accommodation needs and who plan to attend the meeting may contact Mr. David Jayroe, District Environmental Specialist, at (254) 867-2744 as soon as possible so that arrangements can be made. Every effort will be made to accommodate these needs. *Para información en Español, por favor llame (254) 867-2700.*

After October 21, 2013 information about this project including maps and drawings will be available on the TxDOT website the TxDOT website at: www.txdot.gov. Near the bottom of the page in the center look for "How Do I" click on "Find Hearings or Meetings" From this page click "hearing and meetings" A new page opens and click on "Toll Bridge Road Bridge Replacement." From this page you can view the legal notice, Engineering Drawings and submit written comments by clicking "e-mail us."
