*"Our mission is your safety."*

## PROJECT DETAILS

### District/County

Abilene District,  
Taylor County

### Railroad Crossings

Pioneer Dr  
Leggett Dr  
Willis St  
Shelton St  
Sayles Blvd  
Victoria St  
Grape St  
T&P Ln

## NEED AND PURPOSE

The purpose of this project is to improve the seven (7) railroad crossings between N 1st St and S 1st St (BI 20) to provide for the safe and efficient movement of people and goods through the area.

## ESTIMATED COSTS

<u>Engineering</u>	\$1.0 million
<u>Construction Cost</u>	\$8.6 million
<u>Estimate Total</u>	\$9.6 million

## PLANNED IMPROVEMENTS

The proposed project will improve the safety of vehicles, pedestrians, and trains at each crossing.

Improvements include:

- Regrading of roadways over tracks
- Raised medians
- Providing sidewalks and upgraded pedestrian ramps
- New traffic signals
- New railroad planks and cross bucks

## CONSTRUCTION CLOSURES

During construction, each crossing will require two full closures. The first closure is for Union Pacific to install new planks and cross bucks. The second closure is for the reconstruction of the roadway pavement and profile across the tracks.

As part of these safety improvements, Victoria St crossing will be permanently closed and removed.
