

RURAL TRANSPORTATION IMPROVEMENT PROGRAM OPEN HOUSE

The Texas Department of Transportation - Abilene District - invites the public to learn about the district's Project Development Plan and Schedule for Transportation Projects for fiscal years 2019-2022. This is a list of projects developed cooperatively to ensure your local transportation needs are met. These projects will impact the district's 13 counties: Borden, Callahan, Jones, Kent, Shackelford, Taylor, Howard, Nolan, Mitchell, Scurry, Haskell, Fisher, and Stonewall.

Maps and project listings will be available for review at the open house. Staff will be on hand to answer questions. No formal presentation will be given and attendees are invited to come and go at their convenience.

TxDOT will accept written comments for consideration on its Fiscal Year 2019 through 2022 Project Development Plan, until Friday, June 22, 2018. Comments may be submitted by mail or email to Cliff Hallford.

Rural TIP Open House

Tuesday, June 12, 2018
4 p.m. - 7 p.m.

TxDOT Abilene District Headquarters
4250 N. Clack St.
Abilene, TX 79601
