Notice of Open House

SH 15 at Darrouzett Creek Bridge Replacement Project
The City of Darrouzett, Lipscomb County, Texas

The Texas Department of Transportation (TxDOT) will conduct an open house regarding the replacement of the SH 15 Bridge at Darrouzett Creek in Lipscomb County.

The meeting is scheduled for **Tuesday, January 29, 2019**, from **5:30 p.m. to 7:00 p.m.** at Darrouzett High School, 102 Kansas Ave, Darrouzett, Texas, 79024. The open house will be informal and attendees may come and go as they please. Exhibit review, comments, and questions will be taken throughout the open house. TxDOT personnel will be onsite to answer questions regarding the project.

This project proposes improvements to the SH 15 Bridge at Darrouzett Creek in Darrouzett, Texas. This project will include improved mobility and accessibility to motorists in the area. The project will consist of the replacement of the bridge and implementation of pedestrian elements.

Maps and other exhibits will be displayed for public viewing.

All interested residents are invited to attend this open house and opportunity for public involvement. The open house will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Sonja Gross at (806) 356-3256, or email: sonja.gross@txdot.gov. Requests should be made at least two days prior to the meeting. Every reasonable effort will be made to accommodate these needs.

Written comments from the public regarding this project are requested. Written comments will be accepted at the meeting or may be mailed to: the Texas Department of Transportation, Attn: Brian Crawford, P.E., District Engineer – TxDOT Amarillo District, 5715 Canyon Drive, Amarillo, Texas 79110. Comments need to be postmarked no later than Wednesday, February 13, 2019, 15 calendar days following the meeting date.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
