The Texas Department of Transportation (TxDOT), Amarillo District, in conjunction with the Amarillo Metropolitan Planning Organization (MPO), will conduct a public open house for the proposed State Loop 335 (SL 335) Segment C-2. The project limits are from FM 1719 (Western Street) to Echo Street and US 87 from River Road to Cherry Avenue, a total distance of approximately 7.8 miles in Potter County, Texas.

This open house is scheduled for Thursday, February 13, 2020, from 6:00 p.m. to 8:00 p.m. at Lighthouse Baptist Church, 5631 Pavillard Drive, Amarillo, Texas 79108. The open house will provide exhibits which include the proposed location of the corridor centerline and general proposed right-of-way (ROW) footprint; configuration and location of interchanges; bicycle and pedestrian accommodations; and the interim build configuration. The proposed project consists of improving an existing four-lane facility along SL 335 to a four-lane divided freeway facility with ramps, one-way frontage roads and grade separations over intersecting cross streets. The proposed project would also provide bike and pedestrian accommodations along SL 335. The proposed project includes enhancements along US 87 consisting of improving the current four-lane divided freeway with modified ramping patterns, 14-foot outside shared use lane along the frontage roads and six-foot sidewalks in each direction.
