**Notice of Open House**  
US 60 Roadway Rehabilitation Project  
The City of Canadian, Hemphill County, Texas

The Texas Department of Transportation (TxDOT) will conduct an open house regarding the rehabilitation of US 60 through Canadian, TX in Hemphill County.

The meeting is scheduled for **Tuesday, May 15th, 2018**, from **6:30 p.m. to 8:30 p.m.** at City Hall located at 6 Main Street, Canadian, Texas 79014. The open house will convene with a short presentation from TxDOT at 6:30 p.m. Exhibit review, comments, and questions will be welcome after the presentation concludes. TxDOT personnel will be onsite to answer questions regarding the project.

This project proposes improvements to the existing roadway along US 60 in Canadian, Texas. This project will include improved mobility and accessibility to motorists in the area. The project will consist of the rehabilitation of the existing pavement to concrete with sidewalks and pedestrian accommodations from Birch St. to Main St.

Maps and other exhibits will be displayed for public viewing.

All interested residents are invited to attend this open house and opportunity for public involvement. The open house will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Sonja Gross at (806) 356-3256, or email: [sonja.gross@txdot.gov](mailto:sonja.gross@txdot.gov). Requests should be made at least two days prior to the meeting. Every reasonable effort will be made to accommodate these needs.

Written comments from the public regarding this project are requested. Written comments will be accepted at the meeting or may be mailed to: the Texas Department of Transportation, Attn: Brian Crawford, P.E., District Engineer – TxDOT Amarillo District, 5715 Canyon Drive, Amarillo, Texas 79110. Comments need to be postmarked no later than Wednesday, May 30th, 2018, 15 calendar days following the meeting date.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
