

FM 2001
Final EA Notice of Availability

Notice

**Final Environmental Assessment
Available for Public Review**

FM 2001

From I-35 to SH 21

CSJ: 1776-02-018

Hays and Caldwell Counties, Texas

This notice advises the public that the Texas Department of Transportation (TxDOT) has issued a final environmental assessment (EA) for the proposed FM 2001 project, and that the final EA is available for public review. The proposed project would improve and realign FM 2001 to include construction of four travel lanes, two in each direction, with a raised median and sidewalks along urban portions of the proposed roadway, and a center left turn lane and wide outside shoulders in the suburban section. The limits of the proposed project extend from Interstate Highway 35 (I-35) to State Highway (SH) 21 in Hays and Caldwell Counties, Texas.

The approved final EA is available online at: <https://www.txdot.gov/inside-txdot/get-involved/about/hearings-meetings.html>

Pursuant to 23 CFR 771.119(h), TxDOT will issue a finding of no significant impact (FONSI) for this project no sooner than 30 days after the issuance of this notice of availability.

For further information or to request a copy of the approved final EA, please contact Andrew Morosky, Sr. Project Manager at HNTB, Inc., Hays County's General Engineering Consultant, at (512) 691-2219 or amorosky@hntb.com.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
