

FM 734 from RM 1431 to SH 45 OPEN HOUSE

Join us for an open house to discuss a proposed project to improve FM 734 (Parmer Lane) between RM 1431 and SH 45. Project team members will be on hand to answer questions and provide information.

The purpose of the proposed project is to reduce congestion and improve mobility for FM 734 by providing additional roadway capacity to meet future traffic demands due to population growth and increased traffic volumes. The proposed project would:

- Expand FM 734 from four travel lanes to six travel lanes (three in each direction) within the existing right of way
- Improve intersections with additional turn lanes where necessary
- Provide sidewalks throughout the corridor and a dedicated bicycle/pedestrian path connecting FM 734 to the Brushy Creek Regional Trail

**Tuesday
Sept. 25, 2018
5 - 7 pm**

**Pearson Ranch Middle School
8901 Pearson Ranch Rd.
Austin, TX 78717**
