

# LOOP 360 PROGRAM FROM MOPAC TO RM 2244 PROJECT WORKSHOP

## WE WANT TO HEAR FROM YOU

Join us for a **virtual workshop** to learn more about proposed improvements for Loop 360 from MoPac to RM 2244. Your input will help guide planning for this important transportation improvement project.

Loop 360 has severe and increasing traffic congestion. The Loop 360 program will upgrade multiple intersections along the roadway, improving mobility and safety in the area.

The MoPac to RM 2244 project includes:

- Replacing the existing traffic signals on Loop 360 with overpasses or underpasses at Walsh Tarlton Lane, Westbank Drive and Lost Creek Boulevard.
- Removing the mainlane traffic signal at Las Cimas Parkway and adding a signal on the new northbound frontage road.
- Removing the traffic signal at Barton Creek Square and removing crossovers.
- Adding a U-turn at RM 2244.
- Constructing continuous frontage roads within the project limits.
- Adding shared-use paths and sidewalks.

**Wednesday  
July 8, 10 a.m.  
through  
Thursday  
July 23, 5 p.m.**

Visit [Loop360Project.com](http://Loop360Project.com) or [TxDOT.gov](http://TxDOT.gov) and search keywords "Loop 360 from MoPac to RM 2244" between **July 8 at 10 a.m. - July 23 at 5 p.m.** to access workshop materials and give your feedback. The workshop will include a pre-recorded presentation with audio and visual components, display boards, exhibits and handouts.

**Can't access the online workshop?**  
Call 512-832-7192 or email [info@Loop360Project.com](mailto:info@Loop360Project.com) to ask questions about the project, access materials or submit comments.

For more information, visit [www.Loop360Project.com](http://www.Loop360Project.com) or contact TxDOT Public Information Officer Brad Wheelis at [Bradley.Wheelis@txdot.gov](mailto:Bradley.Wheelis@txdot.gov) or at 512-832-7060. Official comments will also be received and accepted using any of the following methods:

ONLINE: Comment at <http://loop360project.com/contact.htm>

EMAIL: [info@Loop360Project.com](mailto:info@Loop360Project.com).

MAIL: TxDOT Austin District, Attn: PIO, 7901 N I-35, Austin, TX 78753.

PHONE: Call 512-904-3800 and leave a voice message.

Comments must be received by Thursday, July 23, 2020 to be included in the official record of this public workshop.

Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact Crystal Wotipka at 512-832-7192 or [Cwotip-c@txdot.gov](mailto:Cwotip-c@txdot.gov) at least two days prior to the meeting. The public meeting will be conducted in English. Any requests for language interpreters or other special communication needs should also be made at least two days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

*The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been carried out by TxDOT pursuant to 23 U.S.C. 327 and a memorandum of understanding dated Dec. 9, 2019 and executed by FHWA and TxDOT.*
