@Loop360Project

WHEN: Thursday, Sept. 20, 2018, 4 to 7 p.m.

WHERE: Riverbend Church, 4214 N. Capital of Texas Highway, Austin TX 78746

WE WANT TO HEAR FROM YOU

Join us at a public workshop to learn more about proposed improvements for the Loop 360 at Westlake Drive intersection, including removing the signal on the mainlanes and adding either an overpass or underpass.

Come and go at your convenience. Your input will help guide the next planning phases.

ABOUT THE LOOP 360 PROGRAM

Loop 360 has severe and increasing traffic congestion, causing both mobility and safety concerns.

The Loop 360 program will upgrade nine intersections to collectively provide substantial benefits for congestion relief.

The workshop will be conducted in English. For special communication or accommodation needs, such as the need for an interpreter, call 512.832.7192 at least five days prior to the public workshop. Every reasonable effort will be made to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

UNABLE TO ATTEND? Review materials and provide comments online at our Virtual Workshop, Sept. 20 – Oct. 5 at www.Loop360Project.com

OFFICIAL WRITTEN COMMENTS WILL ALSO BE RECEIVED AND ACCEPTED.

Comments must be received by Friday, Oct. 5, 2018 to be included in the official record of this public workshop.
