

The Texas Department of Transportation (TxDOT) is holding a public hearing to discuss improvements to RM 620 south, between SH 71 and Hudson Bend Road in Travis County, Texas.

The purpose of the public hearing is to receive public comment on the Draft Environmental Assessment and its recommended Build Alternative for improving RM 620. Maps, drawings, and other project information will be on display at an open house beginning at 5:30 p.m., and project team members will be present to answer questions. The hearing will begin at 6:30 p.m. with a formal presentation followed by a public comment period.

Proposed improvements include:

- Widening the existing 4-lane divided rural roadway to a 6-lane divided urban roadway, with one additional travel lane in each direction
- Adding raised medians
- Adding continuous bicycle/pedestrian accommodations along both sides of the roadway

The proposed project would require the use of approximately 0.4 acre from the City of Bee Cave Central Park, located along Bee Cave Parkway west of RM 620. This park is a designated public property subject to Chapter 26 of the Parks and Wildlife Code and Section 4(f) of 23 CRF 774.3(b).
