

JOIN US FOR AN OPEN HOUSE

The Texas Department of Transportation is conducting an open house to discuss proposed improvements to RM 620 South between SH 71 and Hudson Bend Road in Travis County, Texas. This project will address safety and mobility along this section of RM 620.

LEARN ABOUT THE PROPOSED RM 620 SOUTH PROJECT

The purpose of the open house is to share project information and updates, and collect community input. Information regarding right-of-way needs and access to adjacent properties will be available. Proposed improvements include:

- Widening the existing 4-lane divided rural roadway to a 6-lane divided urban roadway, with one additional travel lane in each direction
- Adding raised medians
- Adding a continuous bicycle/pedestrian shared-use path along the corridor

**Wednesday
June 26, 2019
5 - 7 p.m.**

**Bee Cave City Hall
4000 Galleria Pkwy.
Bee Cave, TX 78738**

The proposed project would require the use of right of way (ROW) from the City of Bee Cave Central Park, located along Bee Cave Parkway west of RM 620. The 50-acre park includes benches, pavilions, restrooms and other recreational facilities. There is a small section of pathway within the park boundaries that would be impacted by the proposed ROW. The proposed project would replace the impacted pathway with a proposed 8-foot wide shared-use path, which would connect to the existing pathway. Due to the minor impacts that would occur at the park resulting from the proposed project, TxDOT intends to pursue a de minimis finding, which means that no adverse effects to the park would occur.

Come and go at your convenience to review materials and provide input. Comments may be submitted at this open house, mailed to Hector Tamez, P.E., Project Manager, TxDOT Austin District, P.O. Box 15426, Austin, TX 78761-5426, faxed to (512) 832-7157 (Attn: Hector Tamez, P.E., Project Manager), submitted by email to hector.tamez@txdot.gov or by visiting the TxDOT website at www.txdot.gov and entering "RM 620 South" in the search area. Comments received by **July 11, 2019** will be included in the official record.

If you have special communication or accommodation needs, please contact Hector R. Tamez, P.E., Project Manager, (512) 832-7143, Hector.Tamez@txdot.gov at least three business days prior to the event.

For more information, visit the TxDOT website at www.txdot.gov and enter "RM 620 South" in the search area or call (512) 832-7060.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
