

Join us for a public hearing to discuss the proposed project on SH 71 from CR 206 to SH 21 in Bastrop County. Project team members will be on hand to answer questions and provide information.

The purpose of the proposed project is to address increased congestion. The proposed improvements include:

- Constructing new frontage roads
- Adding an overpass on SH 71 over the FM 1209 intersection
- Adding shared-use paths on both sides of SH 71 and FM 1209
- Improvements to FM 1209
- Adding turnarounds to the intersection of SH 71 and FM 1209

The length of the proposed project is approximately 2.5 miles, would require approximately 32.5 acres of additional right of way, and is anticipated to displace seven residential properties and 25 businesses. Information regarding the TxDOT Relocation Assistance Program, benefits and services for those displaced, and information about the tentative schedule for right-of-way acquisition can be obtained at the hearing or from the district and/or area office.

For more information, visit the TxDOT website at www.txdot.gov and enter "SH 71 at FM 1209" in the search area or call (512) 832-7104. Comments will be accepted at the hearing, online through the website, or by mail at:
