

US 79 (FROM I-35 TO EAST OF FM 1460) VIRTUAL PUBLIC HEARING

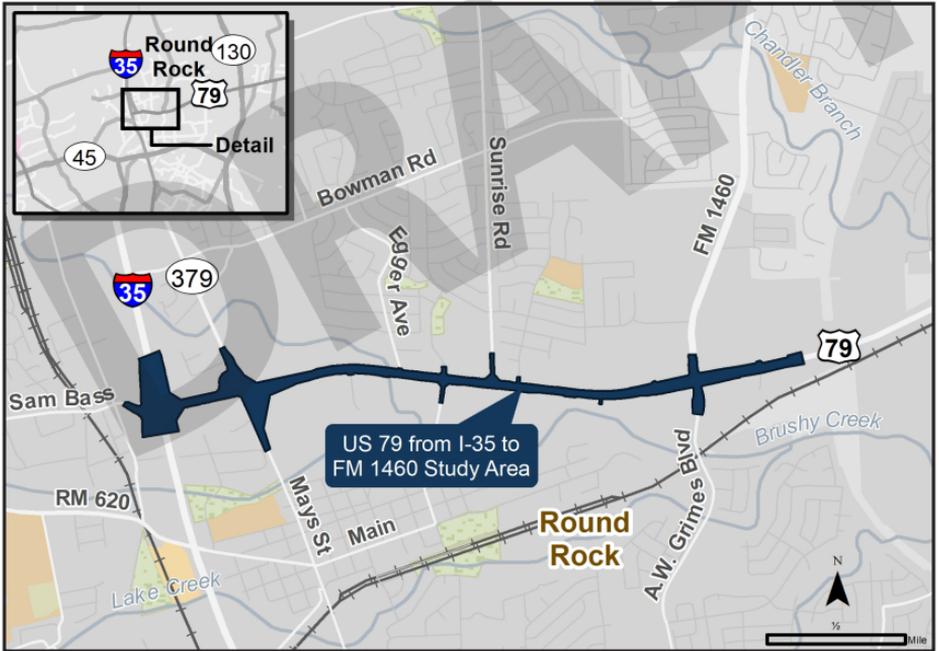

The Texas Department of Transportation is holding a virtual public hearing to discuss improvements to US 79, between I-35 and east of FM 1460 (A.W. Grimes) in the city of Round Rock, Williamson County, Texas.

This public hearing will be conducted virtually in accordance with Federal Highway Administration-approved guidelines for conducting virtual hearings when an in-person public hearing should not be held out of concerns for public health or safety.

Proposed improvements include:

- Widening the existing US 79 roadway to add a third travel lane in each direction
- Installing a raised median for safety
- Constructing an underpass at the intersection of US 79 and Mays Street, an overpass at the intersection of US 79 and FM 1460, and altering the US 79/I-35 intersection
- Modifying driveways and access points to improve safety and traffic flow
- Installing shared-use paths on both sides of US 79 to provide improved pedestrian and bicycle accommodations
