

## Texas Department of Transportation—Public Meeting FM 365 at Hillebrandt Bayou Bridge Replacement

The Texas Department of Transportation (TxDOT), Beaumont District, will hold a public meeting regarding the proposed bridge replacement of the Farm to Market Highway (FM) 365 bridge at Hillebrandt Bayou, approximately 2 miles northwest of Port Acres in Jefferson County, Texas.

The proposed improvements to the FM 365 bridge would include removing and replacing the existing bridge over Hillebrandt Bayou. The proposed bridge and approaches would consist of two-12-foot travel lanes (one in each direction) with 10-foot outside shoulders. At the western and eastern end of the project, the roadway would transition to match with the existing roadway section. The total project length is approximately 2,290 feet. The project would be constructed within the existing 120-foot wide TxDOT right-of way (ROW). FM 365 would remain open, with two lanes, during construction.

Maps showing the proposed project's location and design drawings will be available for review at the public meeting. This information will also be available for review, by appointment, at the TxDOT Beaumont District Office, located at 8350 Eastex Freeway, Beaumont, Texas 77708. To schedule an appointment at the Beaumont District contact Mr. Andrew Lee at (409) 898-5741.
