

FACT SHEET

I-10 at FM 3180 Interchange Improvements

I-10 at FM 3180

Interchange Improvement Project, Chambers County

Purpose and Benefits

- Reduce crashes and support development
- Improve traffic operations and reduce congestion by improving travel time

Learn More and Provide Comments

- All comments must be submitted on or before: **Thursday, September 6, 2018**, to be included in the public hearing summary report.
- Submit your comments at the public hearing.
- Mail or hand deliver comments to:
TxDOT
Beaumont District
8350 Eastex Freeway
Beaumont, TX 77708-1701

Visit www.txdot.gov and search: I-10 at FM 3180 public hearing

Proposed Improvements

- Reconfigure the I-10 and FM 3180 interchange by reconstructing I-10 as an overpass across FM 3180; FM 3180 is currently an overpass across I-10.
- Widen FM 3180 from two lanes to four lanes
- Install traffic signals at the intersection of FM 3180 and I-10 frontage roads.
- Widening the I-10 frontage road bridges over Cotton Bayou

Additional Information

- The project will be constructed within the existing Right-of-Way (ROW); no additional ROW is required.

Next Steps (subject to change)

- Environmental Decision – Fall 2018
- Finalize Construction Plans – Fall 2018
- Construction Bidding Process – Fall 2018
- Construction Start – Early 2019
- Construction End – Mid-2021
