

**PUBLIC MEETING**  
**SH 63/LA 8 Bridge at Sabine River**  
**Tuesday, December 11, 2018**  
**TxDOT CSJs: 0214-03-032, 0214-03-035, 0214-03-037**  
**LADOTD State Project Number: H.000986**

The Texas Department of Transportation (TxDOT), in conjunction with the Louisiana Department of Transportation and Development (LADOTD) and the Federal Highway Administration (FHWA), will conduct a public meeting to solicit input on the existing SH 63/LA 8 bridge over the Sabine River, potential new bridge options, and potential SH 63/LA 8 route alternative options. Information on the meeting is provided below:

**Tuesday, December 11, 2018**  
**Leesville High School Cafeteria**  
**502 Berry Drive**  
**Leesville, LA 71446**  
**Open House (no formal presentation) 5:00 p.m. to 7:00 p.m.**

The existing SH 63/LA 8 bridge over the Sabine River is listed on the National Register of Historic Places as Burr's Ferry Bridge and is designated as a Texas State Antiquities Landmark. Currently, the existing bridge carries two-way vehicular traffic on SH 63 in Texas and LA 8 in Louisiana. The proposed project will focus on providing a structurally sound bridge with adequate width and height to accommodate existing and foreseeable future transportation needs.

Displays of potential alternatives and other project information will be available for review and comment at the public meeting. All interested persons are invited to attend the meeting to provide input regarding the project. The meeting will be an open house format, so the public may come and go at their convenience, and staff will be available to answer questions. Written comments may be submitted at the meeting. Written comments may also be submitted by mail to **Andrew Lee, TxDOT Beaumont District Office, 8350 Eastex Freeway, Beaumont, TX 77708** or emailed to [SH63-LA8bridge@blantonassociates.com](mailto:SH63-LA8bridge@blantonassociates.com). Comments must be received or postmarked by **Wednesday, January 2, 2019** to be included in the official public meeting record.

TxDOT, in partnership with LADOTD, encourages the public to take a quick interactive online survey to provide input on potential bridge options and route alternatives. Submit your survey by **Wednesday, January 2, 2019** by visiting the project's online project page at [bit.ly/sh63-LA8bridge](http://bit.ly/sh63-LA8bridge), or scan the following Quick Response (QR) code with your smartphone or tablet:

Additional information about the project is available by contacting **Andrew Lee** at **409-892-7311** or [SH63-LA8bridge@blantonassociates.com](mailto:SH63-LA8bridge@blantonassociates.com). You can also view additional information by visiting [www.txdot.gov](http://www.txdot.gov) and entering **SH 63/LA 8 Bridge** in the search area or by visiting the **TxDOT Beaumont District Office** located at **8350 Eastex Freeway, Beaumont, TX 77708**.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact **Sarah Dupre, TxDOT Beaumont District Public Information Officer**, at **409-898-5745** or [Sarah.Dupre@txdot.gov](mailto:Sarah.Dupre@txdot.gov) at least five days prior to the meeting. Because the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least five days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.
