### Why am I here?

- Review the project updates
- Provide comments
- Ask questions (no formal presentation planned)

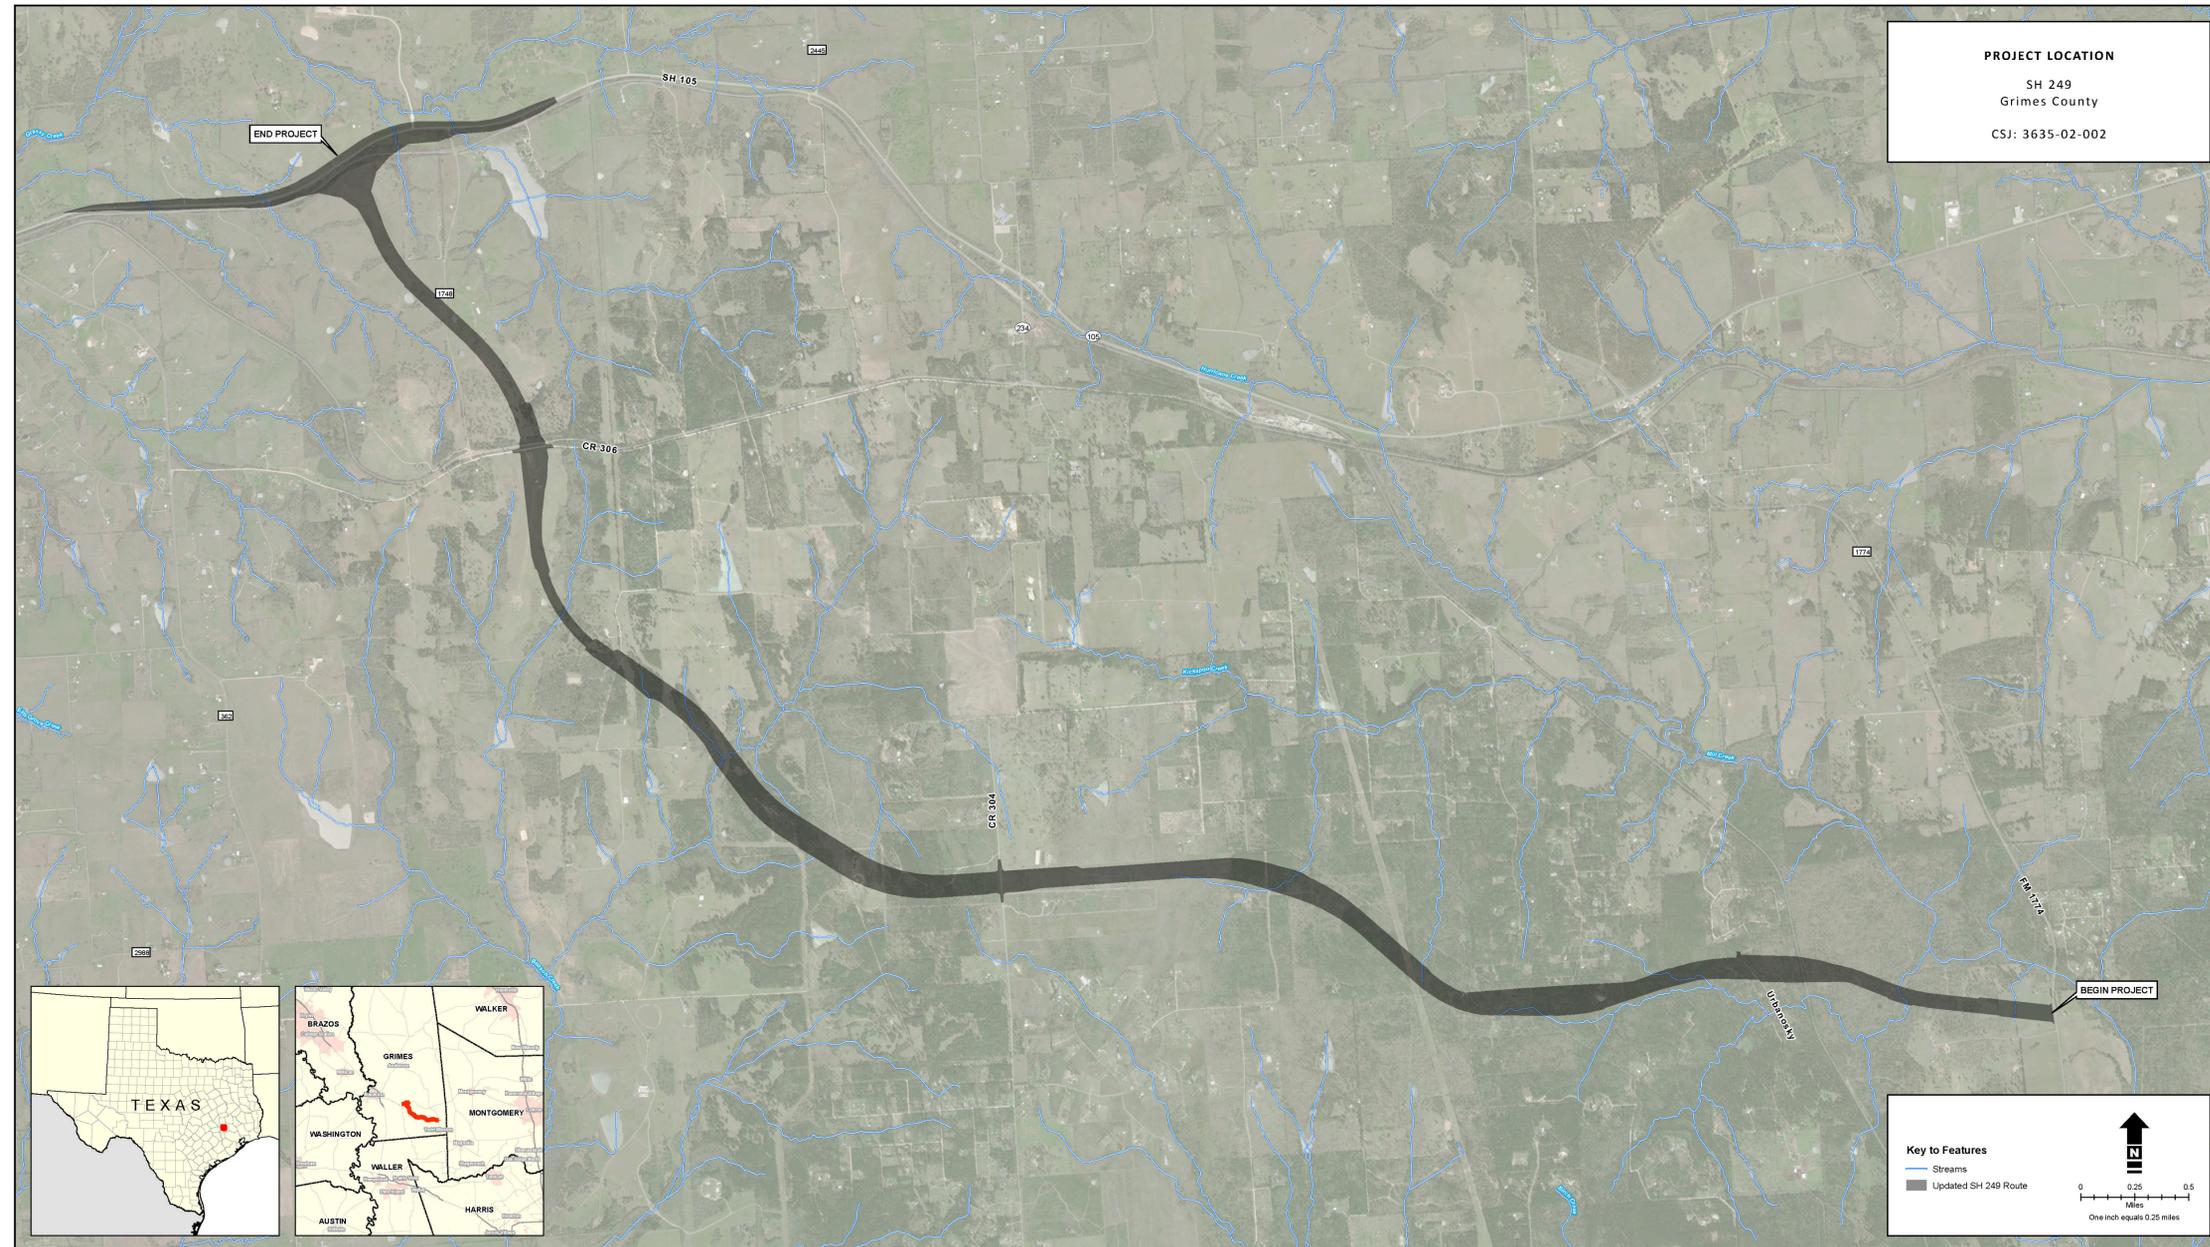

# Key Project Updates

- The project would no longer be tolled.
- The project would no longer have passing lanes.
- The project would no longer have frontage roads.
- Several previously proposed grade-separated intersections are now proposed as at-grade intersections: FM 1774; Urbanosky Lane; CR 304; and FM 1748.
- Approximately 600 acres of right of way would be required, a reduction from 623 acres.
- Alignment was adjusted to avoid right of way impacts to wetlands and other sensitive environmental features.
