Where: De Leon High School Cafeteria
200 W. Manchaca
De Leon, TX 76444 ([Map](#))

When: Thursday, Dec. 7, 2017
5 - 7 p.m.

Purpose: TxDOT invites interested citizens to come learn about proposed improvements to SH 6 in De Leon. Staff will be available to answer questions during this come-and-go open house format.

Description: Proposed improvements include the following:

- Widening of the roadway to include two travel lanes in each direction and continuous center turn lane to enhance traffic flow for local and through traffic.
- Project would include all-new roadway pavement and the construction of concrete curbs, gutters, sidewalks and ADA ramps.
- Project would include storm water drainage improvements.

Special accommodations: TxDOT makes every reasonable effort to accommodate the needs of the public. The open house will be in English. If you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate most needs. Please call (325) 643-0413 at least five working days prior to the meeting. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been carried-out by TxDOT pursuant to 23 U.S.C 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the Federal Highway Administration and TxDOT.

STATE HIGHWAY 6 IMPROVEMENTS - OPEN HOUSE

Open House
Thursday, Dec. 7, 2017

5 p.m. – 7 p.m.

De Leon High School
Cafeteria
200 W. Manchaca
De Leon, TX 76444

TxDOT invites you to attend an Open House to learn about proposed improvements to SH 6 in De Leon. The Open House will use a come-and-go format; no formal presentation will be given so you can attend at your convenience. The public is encouraged to make comments on the proposed project.

Proposed improvements include:

- Widening of the roadway to include two travel lanes in each direction and continuous center turn lane to enhance traffic flow for local and through traffic
- Project would include all-new roadway pavement and the construction of concrete curbs, gutters, sidewalks, driveways and ADA ramps
- Project would include storm water drainage improvements

2495 Highway 183 North
Brownwood, Texas 76802

If you have questions or
comments, please contact:

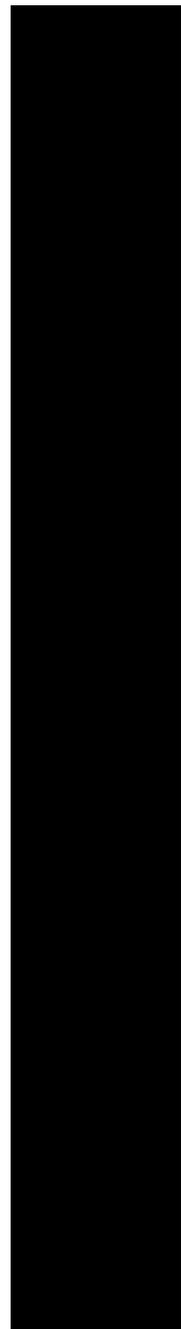

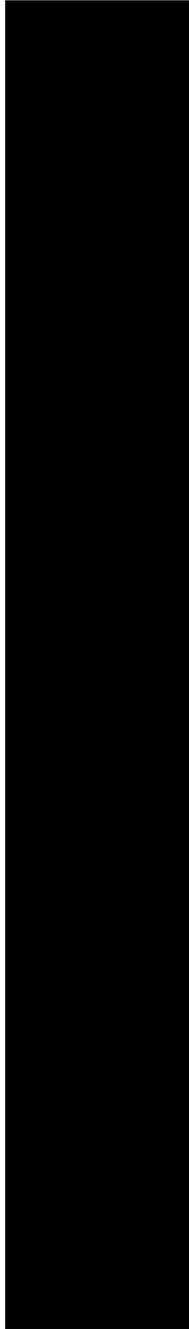

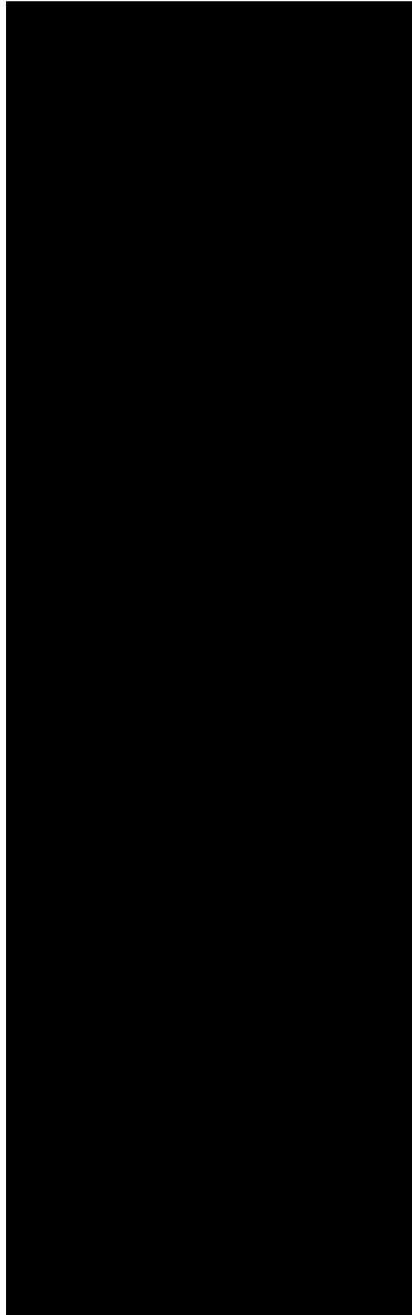

Chris Graf
(325) 643-0441
Chris.Graf@txdot.gov

You are receiving this notice for the sole purpose of notifying property owners near the proposed project area about this upcoming open house opportunity.

TxDOT TO CONDUCT SECOND PUBLIC MEETING FOR PROPOSED IMPROVEMENTS TO SH 6 IN DE LEON

Proposed project would widen busy thoroughfare to increase mobility and safety

 [Share This](#)

 [Tweet This](#)

Nov. 20, 2017

What: Public Meeting to Exhibit Proposed Improvements to SH 6 in De Leon
When: Thursday, Dec. 7, 2017, 5 – 7 p.m.
Where: De Leon High School Cafeteria
200 W. Manchaca Ave.
De Leon, Texas 76444

DE LEON – The Texas Department of Transportation has scheduled a [public meeting](#) to exhibit proposed improvements to State Highway 6 in De Leon. The meeting will be held on Thursday, Dec. 7 from 5 – 7 p.m. at the De Leon High School cafeteria, 200 W. Manchaca Ave.

The proposed improvements include the following:

- Widening of the roadway to include two travel lanes in each direction and continuous center turn lane to enhance traffic flow for local and through traffic.
- The project would include all-new roadway pavement and the construction of concrete curbs, gutters, sidewalks and ADA ramps.
- The project would include storm water drainage improvements.

TxDOT has identified SH 6 as a freight corridor along the majority of its approximately 540-mile route from the Gulf Coast near Galveston to the Oklahoma border near the Panhandle. This designation includes the route through De Leon. The proposed improvements will result in increased mobility and safety for local and through traffic.

We invite all interested citizens to attend this informative event. TxDOT staff will be available to address questions and concerns during the come-and-go, open house event. There will be no formal presentation.

A previous public meeting was held on May 2, 2017, where TxDOT staff received valuable feedback from the community. If approved, construction on this project is anticipated to begin in 2019.

For news media inquiries, contact Andrew.Carlson@TxDOT.gov or (325) 643-0413.

DeLeon wins Area Championship over Celeste, 46-15; Rangel runs for 2,000

AMPS. The DeLeon Bearcats earned their third area championship since 2012 Friday night after defeating Celeste 46-15. The Bearcats will face Mart in the regional semi-final on Friday in Whitney at 7:30 p.m.

to face Mart on Friday in Whitney at 7:30 p.m. The Bearcats will advance to the regional semi-final round in high school football following their victory over Celeste Friday night. The Bearcats will play Mart in Whitney at 7:30 p.m. The Bearcats advanced to the regional semi-final round after a 6-6 Windthorst. The Bearcats sport a 11-1

record and face a DeLeon team that has gone undefeated through 12 games. The Panther's lone loss came against undefeated AAA Lexington, who is a favorite to win the AAA Division 2 state title. Mart lost that game during the first week of the season by two points, 40-38. Since that loss, Mart has put up an unblemished record with two wins over teams with 10 wins or more. Only four of their wins came against teams with losing records.

Mart is tough, fast, and unrelenting.

But DeLeon is tough and fast, too, with an undefeated record of its own, and wins over two 10-win programs, including Crawford, who was a top-ten rated program and continues its own path through the playoffs. DeLeon also sports a quarterback in Kevin Yeager with over 100 career touchdowns and a running back in Anthony Rangel who has surpassed the 2,000 yard rushing mark this season.

On paper, there isn't much difference between Mart and DeLeon.

On Friday night, it may come down to heart and heart alone.

And DeLeon always has heart.

Bearcats cast out Blue Devils, 46-15

The DeLeon Bearcats repeated as Area Champions Friday night in Alvarado with a See Bearcats page 4

RANGEL. DeLeon running back Anthony Rangel passed 2,000 yards rushing for the season Friday night against Celeste.

TxDOT invites public to meeting for proposed improvements to Hwy 6

DE LEON – The Texas Department of Transportation has scheduled a public meeting to exhibit proposed improvements to State Highway 6 in De Leon. The meeting will be held on Thursday, Dec. 7 from 5 – 7 p.m. at the De Leon High School cafeteria, 200 W. Manchaca Ave.

The proposed improvements include the following:

Widening of the roadway to include two travel lanes in each direction and continuous center turn lane to enhance traffic flow for local and through traffic.

The project would include all-new roadway pavement and the construction of concrete curbs, gutters, sidewalks and ADA ramps.

The project would include storm water drainage improvements.

TxDOT has identified SH 6 as a freight corridor along the majority of its approximately

540-mile route from the Gulf Coast near Galveston to the Oklahoma border near the Panhandle. This designation includes the route through De Leon. The proposed improvements will result in increased mobility and safety for local and through traffic.

We invite all interested citizens to attend this informative event. TxDOT staff will be available to address questions and concerns during the come-and-go, open house event. There will be no formal presentation.

A previous public meeting was held on May 2, 2017, where TxDOT staff received valuable feedback from the community. If approved, construction on this project is anticipated to begin in 2019.

For news media inquiries, contact Andrew.Carlson@TxDOT.gov or (325) 643-0413.

ELEMENTARY. The DeLeon ISD Board of Trustees voted unanimously Monday to move forward in the constructing a new addition to DeLeon Elementary School. It will contain nine new classrooms.

DeLeon ISD approves moving forward on expansion at Elementary School

Elementary school soon have a whole new look. On Monday, the DeLeon ISD Board of Trustees met and approved plans for a new addition to the present school

fifth grade, and new offices.

The extension will be a steel free span building, but will be bricked to match the facade of the current elementary building, contractor Rowdy Wilkerson told the board mem-

DeLeon ISD would have little difficulty paying for the expansion.

Marable said that the money that DeLeon ISD had planned to return to the district's fund balance over the next two

Marable also said, as of Monday, enrollment at DeLeon ISD had reached above 720 students. That represents a growth of about 20 percent over the district's enrollment just seven years ago.

DeLeon wins Area Championship over Celeste, 46-15; Rangel runs for 2,000

AREA CHAMPS. The DeLeon Bearcats earned their third area championship since 2012 Friday night after defeating Celeste 46-15. The Bearcats will face Mart in the regional semi-final on Friday in Whitney at 7:30 p.m.

Bearcats to face Mart on Friday in Whitney, 7:30 p.m.

The Bearcats will advance to the regional semifinal round of the Texas high school football playoffs following their decisive win over Celeste Friday night.

This Friday, the Bearcats

record and face a DeLeon team that has gone undefeated through 12 games. The Panther's lone loss came against undefeated AAA Lexington, who is a favorite to win the AAA Division 2 state title. Mart lost that game during the first week of the season by two points, 40-38. Since that

Mart is tough, fast, and unrelenting.

But DeLeon is tough and fast, too, with an undefeated record of its own, and wins over two 10-win programs, including Crawford, who was a top-ten rated program and continues its own path through the playoffs. DeLeon also sports a

On paper, there isn't much difference between Mart and DeLeon.

On Friday night, it may come down to heart and heart alone.

And DeLeon always has heart.

Bearcats cast out Blue

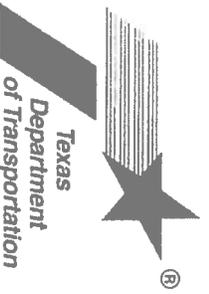

RANGEL. DeLeon running back Anthony Rangel passed 2,000 yards rushing for the season Friday night against Celeste.

STATE HIGHWAY 6 RECONSTRUCTION - DE LEON

BROWNWOOD DISTRICT

PROJECT OVERVIEW

Designated Freight Corridor

TxDOT has identified SH 6 as a freight corridor along the majority of its approximately 540-mile route from the Gulf Coast near Galveston to the Oklahoma border near the Panhandle. This designation includes the route through De Leon. The proposed improvements will result in improved mobility and safety for local and through traffic.

Proposed Improvements

- Widening of the roadway from the west city limits to the east city limits of De Leon.
- The project would include two travel lanes in each direction and a continuous center turn lane to enhance traffic flow for local and through traffic.
- The project would include all-new roadway pavement and the construction of concrete curbs, gutters, sidewalks and ADA ramps.
- The project would include storm water drainage improvements.
- Overhead utility lines and traffic signals would be raised to accommodate overheight loads up to 18 feet, 6 inches.
- The majority of the project would be constructed within existing TxDOT rights of way. Small portions of additional right of way would need to be acquired on the southeast and southwest corners of SH 6 (Navarro St.) and SH 16 (Fannin St.), and from Festival Lane to near the east De Leon city limits.

PROJECT DEVELOPMENT PHASES AND ANTICIPATED TIMELINES

- Develop preliminary schematic designs for proposed project.
- Conduct first Public Meeting: May 2, 2017.
- Begin project design based on public feedback.
- Review of preliminary design plans.
- Conduct second Public Meeting: December 7, 2017. ← **This Event**
- Incorporate additional public feedback and finalize project design.
- January/February 2018 – Afford an Opportunity for a Public Hearing:
 - Once project location and design studies are developed, TxDOT offers an opportunity for a Public Hearing. However, a Public Hearing is not required if no requests are received and if all public concerns are addressed.
- Spring 2018 – Conduct a Public Hearing:
 - A Public Hearing is conducted if a request is made to TxDOT during the Afford an Opportunity timeframe, and the expressed public concerns cannot otherwise be addressed.
 - A Public Hearing is also conducted if any of the following conditions exist:
 - 10 or more individuals submit a written request for a Public Hearing.
 - The project is the subject of significant controversy.
 - The project is an EIS-level (Environmental Impact Statement) project.
 - The project is constructed along a new route.
- Possible construction start date: Spring 2019
 - TxDOT will develop a more specific construction timeframe in 2018.
- Projected project cost: Approximately \$10 million

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 16, 2014, and executed by FHWA (Federal Highway Administration) and TxDOT.
