### **What is the Farm to Market (FM) 2986 Project?**

- The proposed project is located on the north side of City of Portland and near Town of Gregory. The proposed project would convert the existing two-lane roadway to a four-lane roadway with a center turn lane. In addition the project would include construction of curb and gutter, storm drains, and a bicycle/pedestrian shared-use path. No additional Right-of-Way (ROW) would be required.
- Project Goals:
  - Improve mobility by adding travel lanes and bicycle/pedestrian path
  - Accommodate future growth in the Portland/Gregory area
- Project Details:
  - Addition of a 12-ft travel lane in each direction
  - Addition of a continuous center turn lane
  - Construction of curb and gutter and storm drains
  - Construction of 10-ft bicycle/pedestrian shared use path
