8	Comments	18-19

Purpose of this Public Meeting

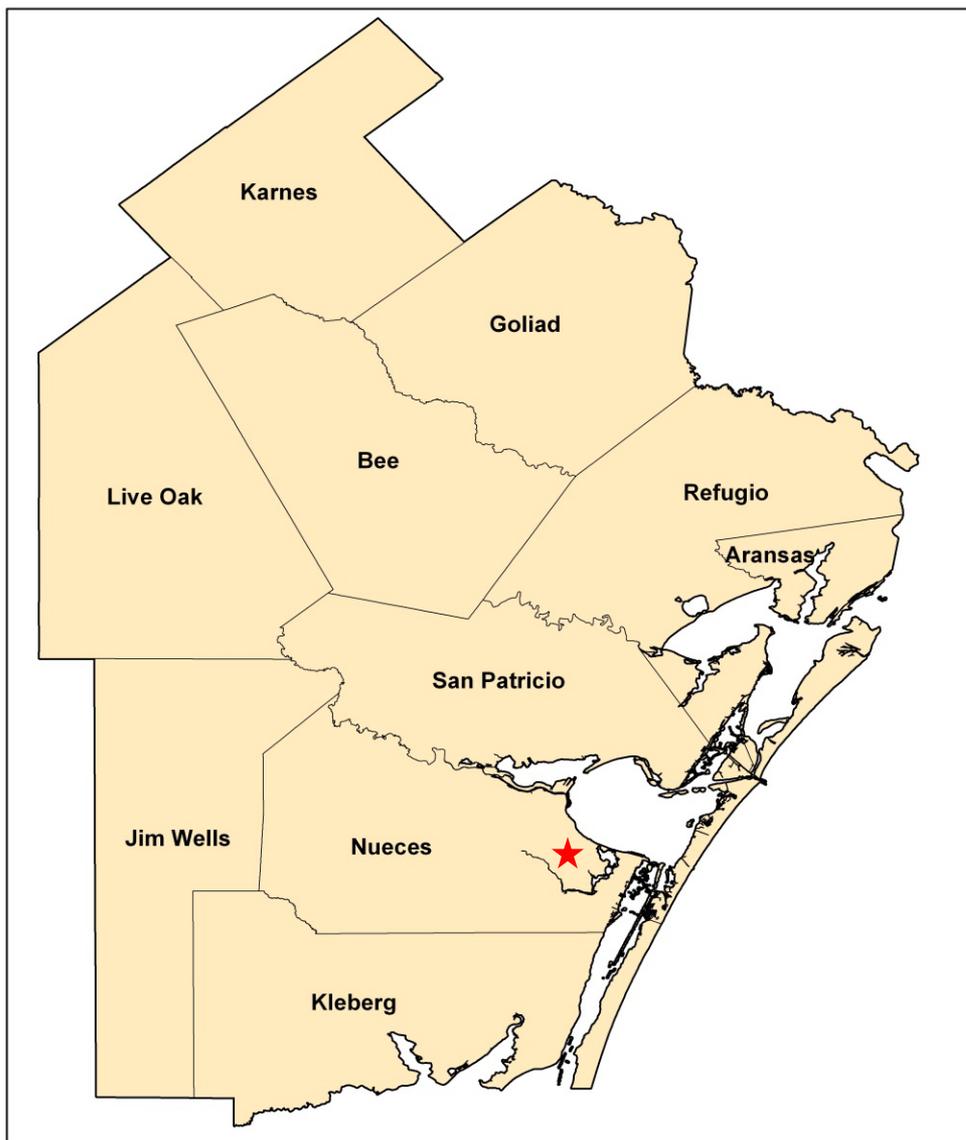

To receive citizen comment on projects TxDOT proposes to go to construction in the next four years (2019 to 2022)

Texas Department of Transportation District Boundaries

- 254 Counties
- 25 Districts

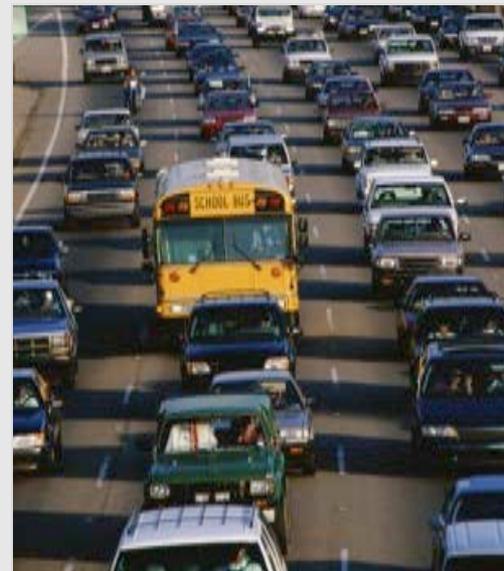

Texas Department of Transportation Corpus Christi District

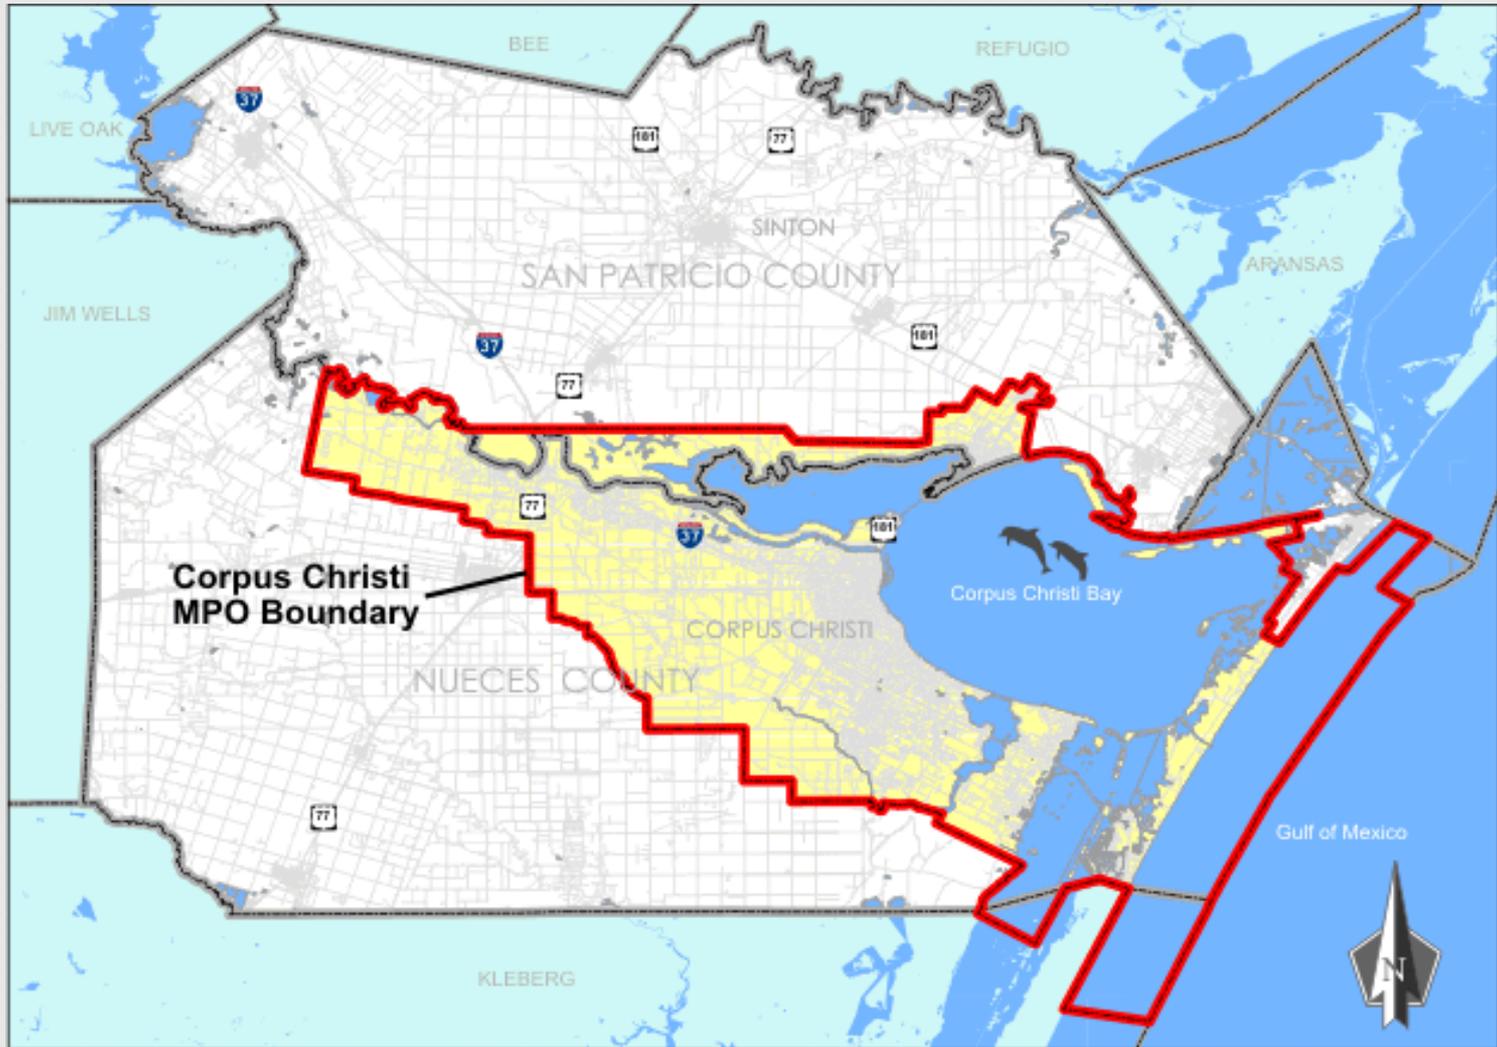

- 10 Counties

What is the Rural Transportation Improvement Program (TIP)?

- Each District develops their own Rural TIP
- Part of the Statewide TIP
- Includes the following types of projects:
 - Maintenance
 - Added Capacity
 - Safety
 - Public Transit
- Only includes Projects for Counties and Areas not in the Corpus Christi Metropolitan Planning Organization (CCMPO)
 - ➔ The CCMPO develops their own TIP

The Corpus Christi Metropolitan Planning Organization

PROJECT FUNDING AREA - MPO Boundary

The Corpus Christi Metropolitan Planning Organization

- Study Area includes Nueces and San Patricio Counties
- www.corpuschristi-mpo.org
- Jeffrey Pollack – Transportation Planning Director 361-884-0687 ext. 105
- jpollack@cctxmpo.us

How does a project get on the Draft Rural TIP?

- Local Government (City, County)
- Citizens
- TxDOT Selected
- Other State Agencies
 - Texas Parks & Wildlife Department

How does a project get on the Draft Rural TIP?

- Statewide Selection
 - Safety Program
 - Bridge Replacement/Rehabilitation
 - Railroad Grade Separation
- Congressional Selected Projects

How does a project get on the Draft Rural TIP?

There are five typical steps in the project selection process:

- A Need is Identified
- Building a Successful Proposal
- Planning Begins
- Project Development
- Construction

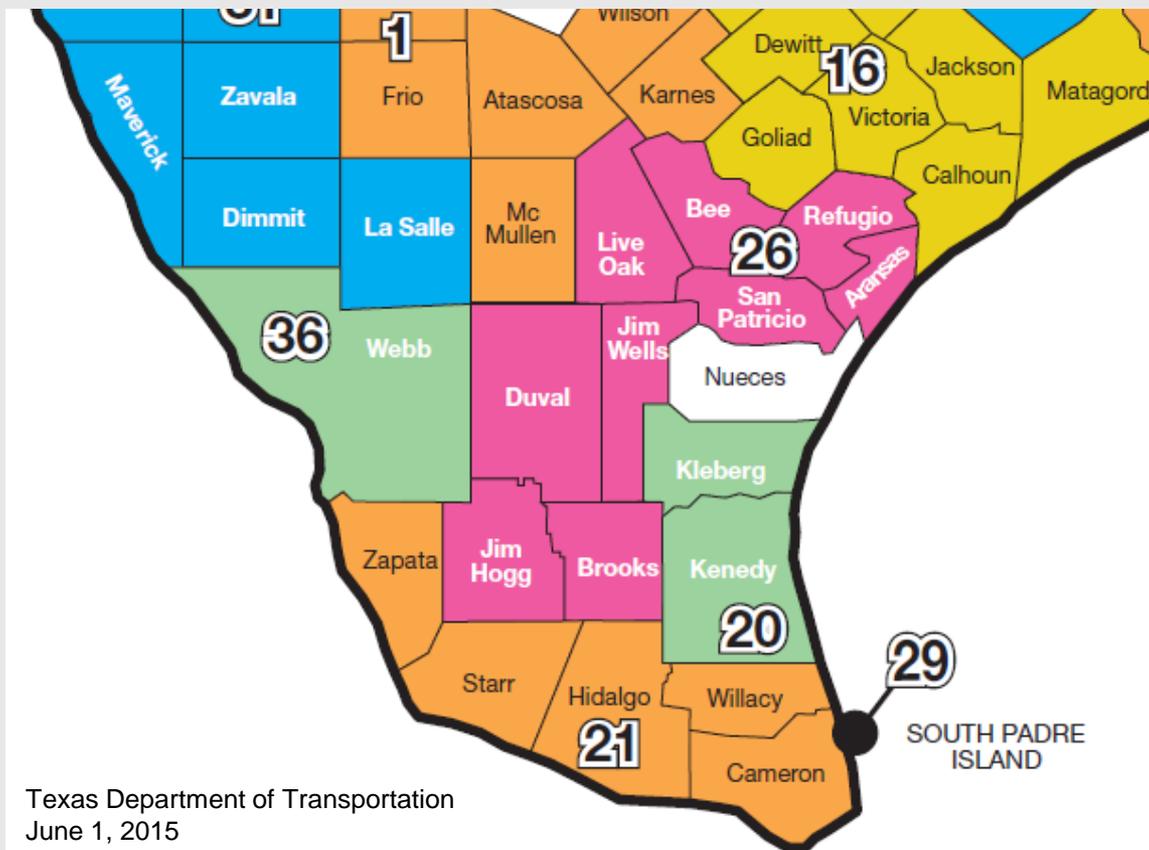

Rural Public Transportation Services

- The Corpus Christi District is served by four Rural Transit Districts that provide rural public transportation services
- Each Rural Transit District receives funding as part of the Rural TIP
- This funding comes through TxDOT from the Federal Transit Administration

Rural Public Transportation Services

1. Alamo Area Council of Governments (AACOG) – Karnes County
16. Golden Crescent Regional Planning Commission (GCRPC) – Goliad County
20. Kleberg County Human Services (Paisano Express) – Kleberg County
26. Rural Economic Assistance League, Inc. (REAL) – Aransas, Bee, Live Oak, Jim Wells, Refugio, and San Patricio Counties

Rural Public Transportation Services

- Services offered by the Rural Transit Districts include:
 - Demand Response pick-up and drop-off
 - Flexible Route with pick-up and drop-off
- The City of Corpus Christi and surrounding area is served by the **Corpus Christi Regional Transportation Authority (RTA)** offering fixed route, park-and-ride, demand response, and shuttle services

Local and District Contacts

- Please contact us for more information about:
 - The Corpus Christi District's FY 2019 – FY 2022 Rural Transportation Improvement Program
