EL PASO, TX 79932

Join the Texas Department of Transportation (TxDOT) for a Public Meeting to learn about and participate in the development of the Doniphan Drive Corridor Plan. The Corridor Plan will document the community's vision for Doniphan Drive as it relates to future transportation and development along the corridor through 2040.

The Doniphan Drive Corridor is a 15-mile section of Doniphan Drive between the Texas/New Mexico state line and Racetrack Drive in El Paso. Doniphan Drive is State Highway 20 from the state line to Mesa Street and a City of El Paso roadway from Mesa Street to Racetrack Drive.

Public Meeting Series #1 and #2 gathered input on the challenges and needs of the Corridor as well as on the three conceptual design alternatives designed to address those challenges and needs. During Public Meeting Series #3, TxDOT will present and gather input on the Technically Preferred Alternative and a set of short-, medium-, and long-term improvements. The same content will be presented at each meeting.
