# Project Location

## Project Limits:

From Loop 375/Purple Heart Memorial Hwy.  
to  
FM 3255/Martin Luther King Jr. Blvd.

## Project Length:

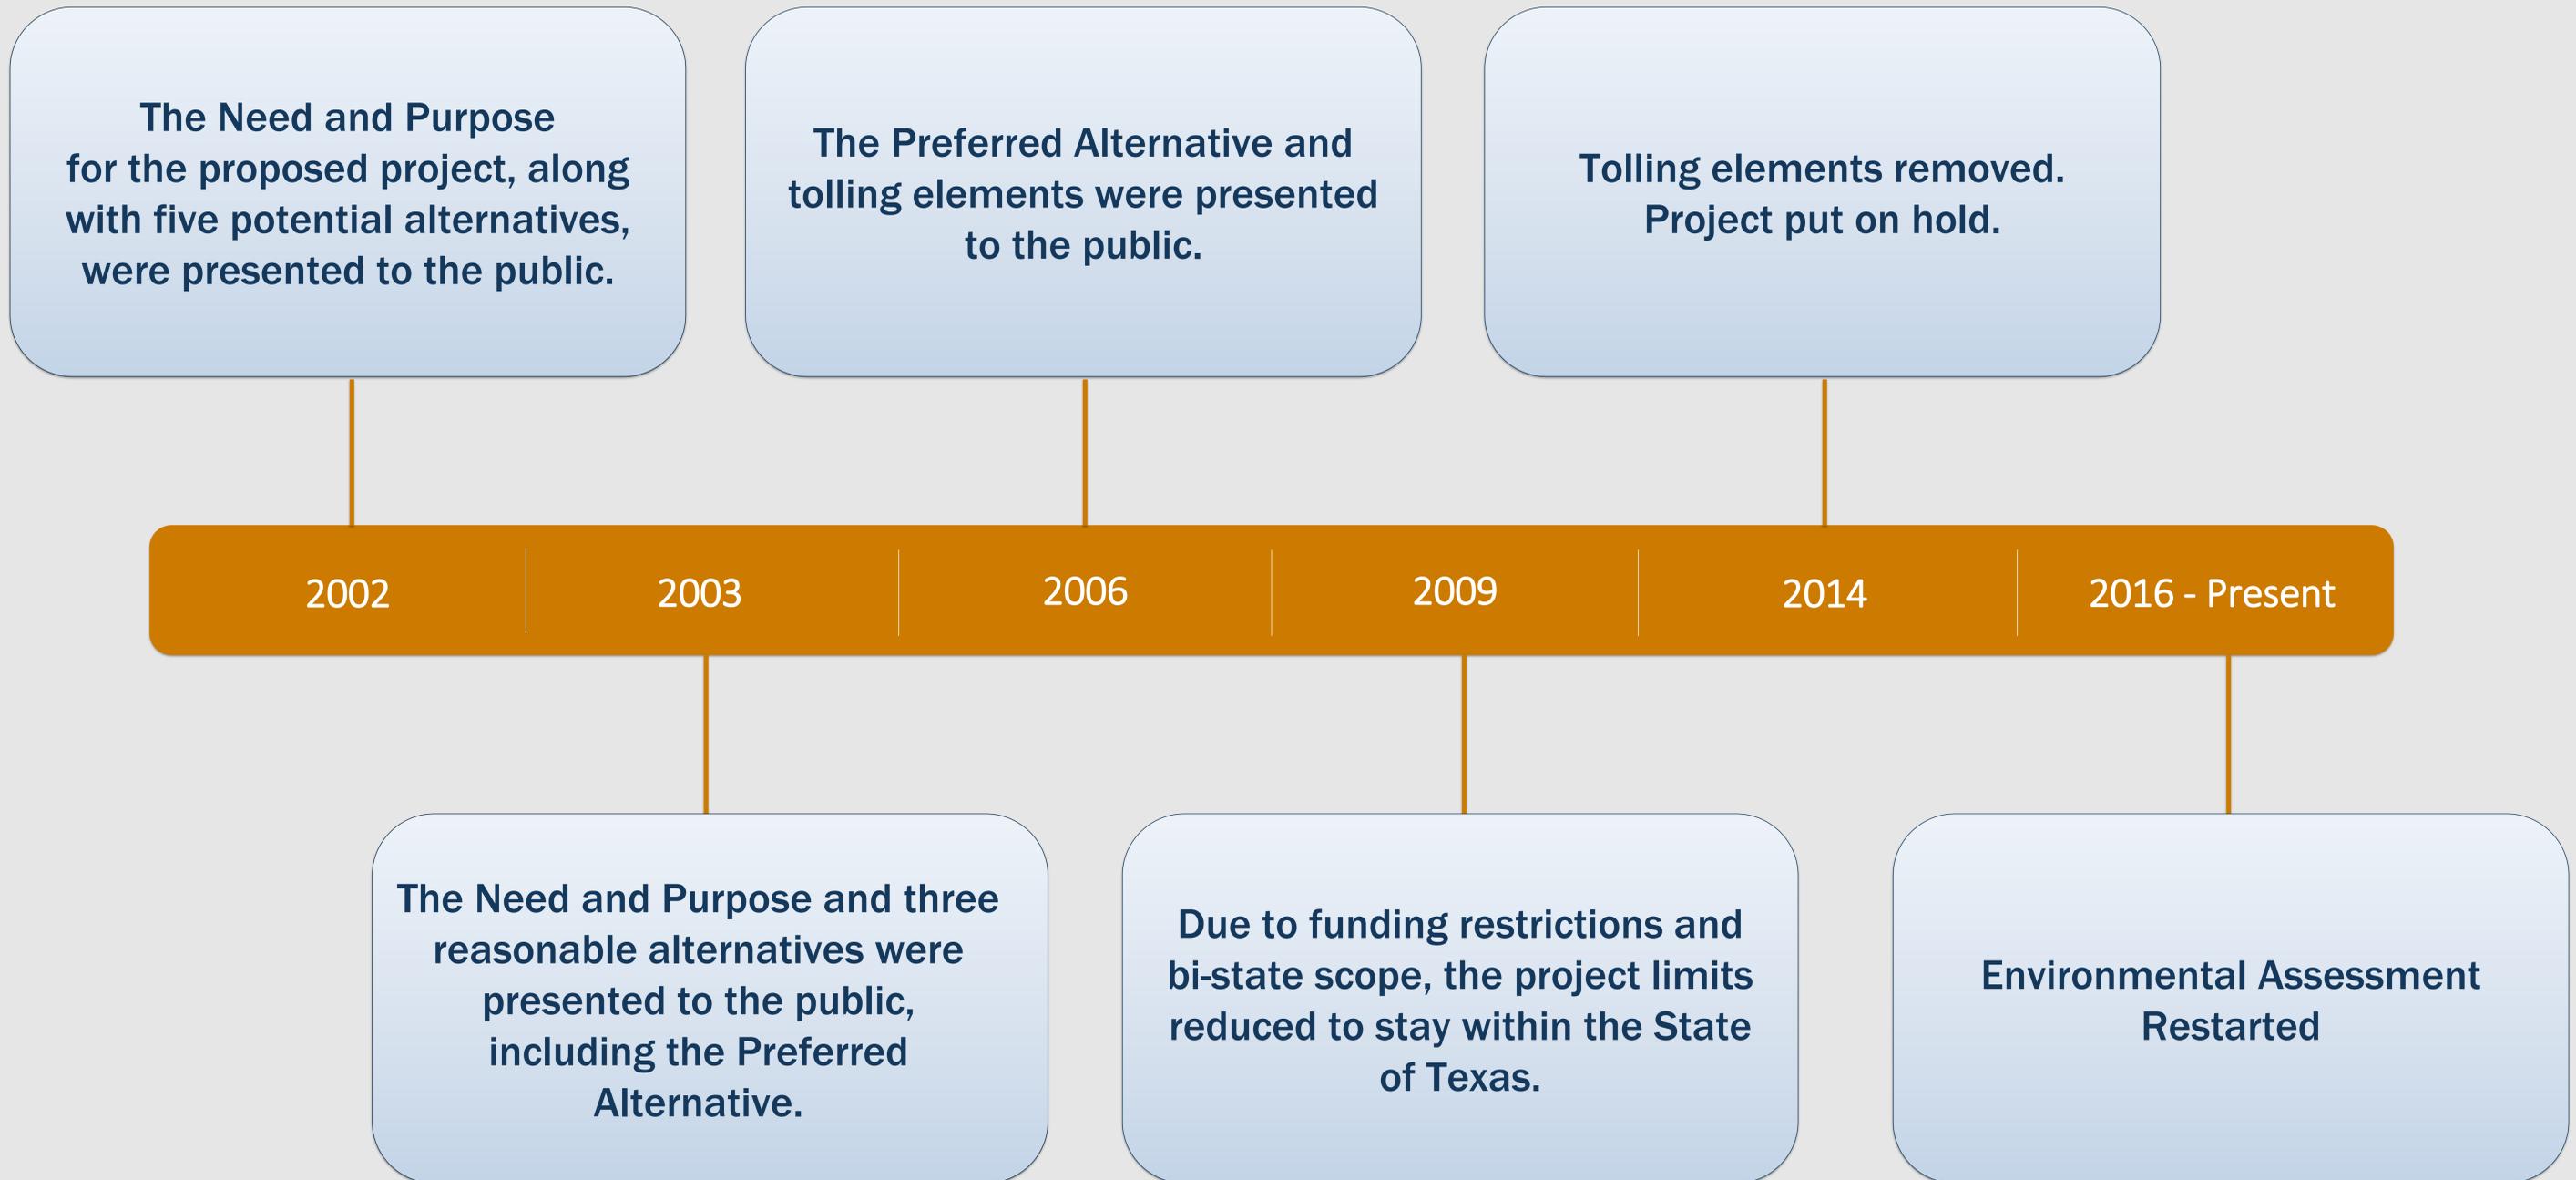

Approximately 10.8 Miles

- **PROJECT DESCRIPTION:** The proposed Northeast Parkway project within Texas would be a new location facility from Loop 375 (1.8 miles east of the Railroad Drive overpass) to Farm-to-Market Road (FM) 3255/Martin Luther King, Jr. Boulevard (0.5 miles south of the TX/NM state line).
- **PROJECT LENGTH:** Approximately 10.8 miles in length
- **CONSTRUCTION:** Two construction phases are proposed:
  - **Phase 1** – Super 2 Design  
*(A two-lane rural highway with periodic passing lanes)*
  - **Phase 2** – Four-Lane Divided Highway

# Project History

# Borderland Expressway and Northeast Parkway

**Borderland Expressway** is a proposed long-term conceptual regional project between New Mexico & Texas.

The Texas portion consists of Northeast Parkway.

The New Mexico portion follows along New Mexico State Highways 213 and 404.

**Limits:**

From I-10 at NM 404 interchange (Ohara Road) in Anthony, NM to Loop 375 (Purple Heart Memorial Highway, in El Paso, TX)
