

PUBLIC MEETING NOTICE
US 62/180 (Montana Avenue) Project
From Global Reach Drive to FM 659 (N. Zaragoza Road)
El Paso County, Texas
CSJ: 0374-02-097

The Texas Department of Transportation (TxDOT), El Paso District, will conduct a public meeting for the proposed improvements to U.S. Highway (US) 62/180 (Montana Ave.), from Global Reach Dr. to FM 659 (N. Zaragoza Road), a project distance of approximately 7.6 miles. The project's construction limits extend approximately 0.7 mile west of Global Reach Dr. to accommodate lane and ramp transitions. The meeting will be held on:

Thursday, May 4, 2017, 5:00 p.m. to 7:00 p.m.
at R.E.L. Washington Elementary School Gymnasium
3505 Lee Treviño Dr., El Paso, TX 79936

The meeting will be held in an open house format with no formal presentation. The purpose of the meeting is to present the planned improvements to the public and gather input on the proposed project. Project team will be on hand to answer questions. Maps of the project area and other displays will be available for review and comment.

The proposed improvements will widen Montana Avenue to consist of three main lanes in each direction, and three lane frontage roads in each direction, and include sidewalks and landscaping. Four direct connector ramps at the LP 375 intersection and two direct connector ramps at the Global Reach Drive intersection are being proposed. The proposed project would potentially acquire about 141 acres of right of way. Approximately two single-family homes, up to 21 businesses and various other outbuildings and parking areas could potentially be displaced and will depend on the final design. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition may be obtained from the district office at the address listed below. The proposed project will be phased.

Written comments may be submitted either at the public meeting or in writing within 15 calendar days after the meeting.
