

US 67 Corridor Master Plan

Traffic Study Information

WHO: The Texas Department of Transportation (TxDOT)

WHAT: Will be collecting traffic data

WHERE: Various locations along US 67 (see map below)

WHEN: November and December of 2017

WHY: TxDOT is conducting studies to prepare a US 67 Corridor Master Plan. This plan will document and evaluate the community's future vision in regard to transportation and will develop a set of recommended projects for short-, medium-, and long-term implementation to enhance safety and mobility along the US 67 corridor.

If you have questions or concerns regarding the proposed traffic study, you may contact Becky Reyes at (915) 790-4205 or via email at Rebecca.Reyes@txdot.gov.
