VIRTUAL PUBLIC MEETING

**Welcome by Ricardo Gonzalez, Director of
Transportation Planning and Development
for the Fort Worth District, Texas
Department of Transportation (TxDOT)**

Virtual Public Meeting in Response to Public Health

TxDOT changed the in-person public meeting to a virtual format in response to the COVID-19 outbreak:

The virtual public meeting and project website provide the same information as the in-person meeting:

- Project information
- Estimated timeline
- Process for submitting comments
- Key contacts

Share Facts About COVID-19

Know the facts about coronavirus disease 2019 (COVID-19) and help stop the spread of rumors.

FACT
1

Diseases can make anyone sick regardless of their race or ethnicity.

People of Asian descent, including Chinese Americans, are not more likely to get COVID-19 than any other American. Help stop fear by letting people know that being of Asian descent does not increase the chance of getting or spreading COVID-19.

FACT
2

Some people are at increased risk of getting COVID-19.

People who have been in close contact with a person known to have COVID-19 or people who live in or have recently been in an area with ongoing spread are at an increased risk of exposure.

FACT
3

Someone who has completed quarantine or has been released from isolation does not pose a risk of infection to other people.

For up-to-date information, visit CDC's coronavirus disease 2019 web page.

FACT
4

You can help stop COVID-19 by knowing the signs and symptoms:

- Fever
- Cough
- Shortness of breath

Seek medical advice if you

- Develop symptoms

AND

- Have been in close contact with a person known to have COVID-19 or if you live in or have recently been in an area with ongoing spread of COVID-19.

FACT
5

There are simple things you can do to help keep yourself and others healthy.

- Wash your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Prior to December 16, 2014, the Federal Highway Administration, otherwise known as FHWA, reviewed and approved documents prepared under the National Environmental Policy Act, known as NEPA. However, on December 16, 2014, the Texas Department of Transportation assumed responsibility from the FHWA for reviewing and approving certain assigned NEPA environmental documents. This memorandum of understanding was renewed on December 9, 2019. This review and approval process apply to this proposed project.

May 2020	Virtual Public Meeting
Summer 2020	Environmental Approval
Fall 2020	Begin Construction
Fall 2020	Utility Adjustments
Spring 2023	End Construction
