

**NOTICE OF PUBLIC MEETINGS
RURAL TRANSPORTATION IMPROVEMENT PROGRAM (TIP)
2021-2024**

TxDOT Fort Worth District is hosting a series of public meetings to review proposed projects for the 2021-2024 Rural TIP.

The Rural TIP is a list of regionally significant projects to be funded within a TxDOT District over the next four years, including those eligible for federal funding.

It can include projects for: drivers, bicyclists, pedestrians and public transit users.

Did you know? It represents regional agreement (community-region-state) on the need and priority of a project and helps identify fund-matching requirements for state and local governments. Projects included in the Rural TIP help your community!
