

Documentation of Public Meeting

Project Location

Tarrant County

SH 114 Frontage Road, Ramp & Intersection Improvements
0353-03-100

Project Limits

From FM 1938 (Davis Boulevard) to Dove Road

Meeting Location

Walnut Grove Elementary School at White Chapel Boulevard
2520 N. White Chapel Blvd.
Southlake, Texas 76092

Meeting Date and Time

October 23, 2018 at 6:00 p.m. to 8:00 p.m.

Translation Services

None requested

Presenters

Open House Format
No Formal Presentation

Elected Officials in Attendance

Gary Fickes – Tarrant County Commissioner, Precinct 3
Greg Lamont – Town of Trophy Club, Council Member
Nick Sanders – Town of Trophy Club, Mayor

Total Number of Attendees (approx.)

Total: 88
Elected officials: 3
General public: 60
Project representatives: 25

Total Number of Commenters

19 written comments received

Commenter Number	Commenter Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
1	Jeff Clark	Self		1629 Mockingbird Lane Southlake, TX 76092	23-Oct-18	Meeting	The local road improvements to Dove Road on the southwest side of 114 are not substantial enough. The road bottlenecks and backs up every morning at the Shady Oaks intersection. Widen Dove a little more to facilitate all the people trying to turn right onto Shady Oaks (many to take their children to Durham Intermediate School.) Post-script for County and City: Please prioritize widening of Dove Road between 114 and Davis! Thank you!	Traffic congestion	The purpose of the proposed project is to add continuous two-lane frontage roads along State Highway (SH) 114 from Farm-to-Market Road (FM) 1938 (Davis Boulevard) to Dove Road to increase connectivity along this travel corridor. Mr. Clark's request to widen Dove Road further south than proposed is outside the scope of the project. The proposed project will widen Dove Road slightly to incorporate the proposed frontage road improvements. The widening requested by Mr. Clark is a corridor improvement along Dove Road. The local jurisdiction responsible for improvements to the area of concern is the City of Southlake. Mr. Clark's request will be passed to Mr. Robert M. Cohen, Director of Public Works for the City of Southlake (phone: 817-748-8097; email: rcohen@ci.southlake.tx.us).
2	Will Dees	Vineyards at Trophy Club	I could benefit monetarily from the project or other item about which I am commenting	1003 Plantation Oaks Trophy Club, TX 76262	23-Oct-18	Meeting	For support on this project please call or email me at [REDACTED] We are interested in seeing the sound wall going in.	Noise barrier	A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis.
3	Bryan Marshall	Self		403 Marshall Rd	23-Oct-18	Meeting	The noise from the freeway is horrible. Please build a sound/noise barrier along the axis road from Dove Road to the entrance to TD Ameritrade on the west bound side. Trophy club has built these barriers already along their axis road. Make this part of the project up front!	Noise barrier	A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis. The timing of constructing a potential noise wall would be dependent on relocation of utilities, site grading, and installation of drainage features.
4	Linda Marshall	Self		403 Marshall Rd	23-Oct-18	Meeting	1. TD Ameritrade use Frontage Road entrance to their facility once Frontage Road is made. 2. Sound Barrier be built from Dove Road toward TD Ameritrade to the northside to curtail current/expansion noise as current noise is terrible coming off 114. 3. Frontage Road long overdue!!!!!!!!!!!!!!	Noise barrier; Positive feedback	1. By adding frontage roads along SH 114, there will be direct access between SH 114 and existing and future adjacent development along SH 114, including the new TD Ameritrade facility. Access to local streets is unrestricted. Any requests to restrict access will be directed to Mr. Robert M. Cohen, Director of Public Works for the City of Southlake (phone: 817-748-8097; email: rcohen@ci.southlake.tx.us). 2. A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis. The timing of constructing a potential noise wall would be dependent on relocation of utilities, site grading, and installation of drainage features. 3. Thank you for your support of the proposed frontage roads.
5	P J Keefer	Self (34-year Trophy Club resident)		216 Fresh Meadow Drive Trophy Club, TX 76262	23-Oct-18	Meeting	1. Suggest 114/377 and 114/I-35W are both higher priorities than this work 2. Roundabouts are significantly more effective at moving traffic than stop lights 3. I see no benefits of this project on the enormous back ups during rush hour on 114	Roundabouts; traffic concerns outside of project limits	1. Priority and funding for projects are determined jointly with the Regional Transportation Council of the North Central Texas Council of Governments, the TxDOT Transportation Improvement Program, and local governments. The US 377/SH 114 grade separation is scheduled for letting on 7/31/2023. The plans are currently being designed by the Dallas District. The remainder of SH 114 from east of IH 35W to east of BUS 114 is just now starting in the schematic and environmental phase and will not be ready to begin construction until 2027. These are current dates and are subject to change. 2. Roundabouts were not considered/recommended as an alternative for this project as there is insufficient right-of-way and bridges would have to be reconstructed due to the location of bridge columns. 3. The project aims to alleviate congestion and improve mobility within the project area by completing the frontage road system along SH 114. A future project is included in the Metropolitan Transportation Plan to add capacity of one mainlane in each direction along SH 114.
6	Philip Wise	Self		1201 Stone Hollow Lane Keller, TX 76262	23-Oct-18	Meeting	Fully support the plans Thanks for sharing	Positive feedback	Thank you for your support of the proposed project.
7	Mayor Nick Sanders	Town of Trophy Club		1 Trophy Wood Drive Trophy Club, TX 76262	23-Oct-18	Meeting	Westbound exit ramp at Kirkwood should start sooner and enter service road 200' to 300' sooner so access to Trophy Wood is [easier]	Design	The intent is to allow access to Trophy Wood Drive from westbound SH 114 via the exit ramp for Davis Boulevard. The placement of the ramp is dependent on vertical alignment and spacing of adjacent ramps. This ramp has been placed as far east as possible and does comply with all design standards established by the TxDOT Roadway Design Manual.

Commenter Number	Commenter Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
8	Joseph Perkins, P.E.	Town of Westlake		600 Six Flags Drive, Ste. 500 Arlington, TX 76011	23-Oct-18	Meeting	The Town of Westlake would like to keep on record their request to allow access to the frontage road for the Westlake Entrada/Solana development, between FM 1938 (Davis Blvd) and Solana Blvd.	Property access during construction	Currently, access is controlled along eastbound SH 114 and no driveways are allowed. After the eastbound frontage road is constructed, TxDOT is proposing to release the control of access to allow two driveways between Davis Boulevard and Solana Boulevard at approximate station locations STA 1467+00 and STA 1493+00. For any additional driveways, the property owner would have to request additional release of control of access. Adjacent landowners would need to request driveway permits from the TxDOT Fort Worth District - North Tarrant County Area Office for these two proposed driveways and for any additional driveways.
9	Jenifer Reed	Self		1039 Wilshire Drive Trophy Club, TX 76262	23-Oct-18	Meeting	Love the plans. It will help our traffic problem. I so appreciate the opportunity to see the plans and speak to the representatives. They were very clear in their explanation and answered every simple question I had.	Positive feedback	Thank you for your support of the proposed project.
10	Chris Gordon	Old Town Development		2241 Veranda Avenue Trophy Club, TX 76262	23-Oct-18	Meeting	1.a. ~1490+00 Westbound exit ramp north of Kirkwood (Solana exit - Needs to exit earlier 1. b. Needs blue signage 2. Crossover/congested traffic due to Sabre and employee needs to [consider] 3. Need westbound entrance ramp south of Solana to be pushed back further towards TD Ameritrade primary lot. This will help lessen congestion between westbound exit and westbound entrance ramps. 4. Need to remove westbound entrance ramp south of Davis Blvd and keep westbound entrance ramp so turn around traffic can go under the Davis Blvd Bridge NOT be stuck driving to Trophy Club Drive.	Design	1.a. The intent is to allow access to Trophy Wood Drive from westbound SH 114 via the exit ramp for Davis Boulevard. The placement of the ramp is dependent on vertical alignment and spacing of adjacent ramps. This ramp has been placed as far east as possible and does comply with all design standards established by the TxDOT Roadway Design Manual. 1. b. For businesses desiring advertising on blue signage, contact LoneStar Logos (phone: 866-627-5646; website: lonestarlogos.com) to see if businesses qualify. 2. The Traffic Operational Analysis will consider and evaluate traffic ingress/egress to adjacent developments. The exit ramps to Kirkwood Boulevard are being relocated further away from the intersection to allow for additional queue storage at the intersection. Additionally, left-turn and right-turn lanes are being added on the east/westbound frontage roads. Additionally, U-turn lanes are being added at the intersection to remove traffic from the intersection. All of these intersection improvements are being added to improve traffic flow through the intersection. The median crossover on Kirkwood Boulevard at Sabre is beyond the limits of this project. 3. The ramp has been designed to allow access to both proposed TD Ameritrade driveways. If the ramp is relocated further east, then access to the westernmost proposed TD Ameritrade driveway would be denied as it would not conform to ramp design guidelines. The platted site plan has set the locations for the proposed TD Ameritrade driveways. 4. The turnaround at Davis Boulevard would still be accessible by using the proposed westbound exit ramp to Davis Boulevard without travel through the Trophy Club Drive intersection. The proposed westbound entrance ramp south of Davis Boulevard would be relocated approximately 3,000 feet to the west of the existing entrance ramp and would allow additional access from properties along the frontage road to directly use the entrance ramp and not travel through Davis Boulevard.
11	Michael J. Wistock	The Wistock Family		613 Unbridled Lane Keller, TX 76248-8722	23-Oct-18	Meeting	I fully support the plans as presented. Thank you for sharing! "Git R Done!"	Positive feedback	Thank you for your support of the proposed project.
12	Martha Llewellyn	Self		110 Pebble Beach Trophy Club, TX 76262	23-Oct-18	Meeting	Awesome additions of U-turns and extra distance for entrance ramps at the Kirkwood and 114 intersection. Also definitely need S Dove loop intersection widened.	Design	Thank you for your support of the proposed project. Ms. Llewellyn's request to widen the S Dove Loop Road intersection is outside the scope of the project as Dove Loop Road is located approximately 4.3 miles east of the proposed project limits. The proposed project will widen Dove Road west of SH 114 slightly between Shady Oaks Drive and the eastbound SH 114 frontage road.
13	David Llewellyn	Self		110 Pebble Beach Trophy Club, TX 76262	23-Oct-18	Meeting	Glad there are no toll lanes. It's about time to put in the U-turns under Kirkwood interchange.	Positive feedback	Thank you for your support of the proposed project.
14	Michael Beam	Entrada/CA		1800 Valley View Lane Farmers Branch, TX	23-Oct-18	Meeting	Westlake - east bound SH 114 frontage road Needs the additional driveway cut as submitted by the Town of Westlake at the east end of the Entrada development. Meets driveway permit standards and will be at the proposed grade of frontage road.	Driveway	Currently, access is controlled along eastbound SH 114 and no driveways are allowed. After the eastbound frontage road is constructed, TxDOT is proposing to release the control of access to allow two driveways between Davis Boulevard and Solana Boulevard at approximate station locations STA 1467+00 and STA 1493+00. For any additional driveways, the property owner would have to request additional release of control of access. Adjacent landowners would need to request driveway permits from the TxDOT Fort Worth District - North Tarrant County Area Office for these two proposed driveways and for any additional driveways.

Commenter Number	Commenter Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
15	Chuck Hall	Self		4 Shady Oaks Court Trophy Club, TX 76262	23-Oct-18	Meeting	We really need a solution for the intersection of 114 and 377. It's a traffic bottleneck. Also 170 and 377 is an issue but not as bad as the first. Thanks for addressing the problems at Kirkwood/Davis and 114. Is there any way to create an alternative route for 114. Traffic is very heavy!	Positive feedback; traffic concerns outside of project limits	Thank you for your support of the proposed project. Regarding your request for a solution for the intersections of SH 114/US 377 and SH 170/US 377, priority and funding for projects are determined jointly with the Regional Transportation Council of the North Central Texas Council of Governments, the TxDOT Transportation Improvement Program, and local governments. While there are currently no plans to create an alternate route for SH 114, a future project is included in the Metropolitan Transportation Plan to add capacity of one mainlane in each direction along SH 114. The US 377/SH 114 grade separation is scheduled for letting on 7/31/2023. The plans are currently being designed by the Dallas District. The remainder of SH 114 from east of IH 35W to east of BUS 114 is just now starting in the schematic and environmental phase and will not be ready to begin construction until 2027. These are current dates and are subject to change. Future main lanes are planned for SH 170 which would help ease congestion levels at the US 377 intersections.
16	Bryant Marshall	P3 Commercial, LLC	I could benefit monetarily from the project or other item about which I am commenting	Not Provided	23-Oct-18	Meeting	Looking forward to being able to view all information and details online.	Positive feedback	Documents presented at the Public Meeting have been uploaded to the TxDOT Fort Worth website: https://www.txdot.gov/inside-txdot/get-involved/about/hearings-meetings/fort-worth/102318.html
17	Diana Hall	Self		4 Shady Oaks Court Trophy Club, TX 76262	23-Oct-18	Meeting	First of all, thank you for this project and all that you have put into it. My only other problem is the 114 and 377 intersection. I know you are aware of it so please help with that situation. Thank you for letting the public voice our concerns.	Positive feedback; traffic concerns outside of project limits	Thank you for your support of the proposed project. Regarding your request for a solution for the intersection of SH 114/US 377, priority and funding for projects are determined jointly with the Regional Transportation Council of the North Central Texas Council of Governments, the TxDOT Transportation Improvement Program, and local governments. The US 377/SH 114 grade separation is scheduled for letting on 7/31/2023. The plans are currently being designed by the Dallas District. The remainder of SH 114 from east of IH 35W to east of BUS 114 is just now starting in the schematic and environmental phase and will not be ready to begin construction until 2027. These are current dates and are subject to change.
18	George B Powell	Myself		9 Creekmere Drive Trophy Club, TX	23-Oct-18	Meeting	Davis to Kirkwood as a frontage road is the correct way to improve the flow of traffic. Question - when will the 114 both east and west be complete from Roanoke to the 35W?	Positive feedback; traffic concerns outside of project limits	The US 377/SH 114 grade separation is scheduled for letting on 7/31/2023. The plans are currently being designed by the Dallas District. The remainder of SH 114 from east of IH 35W to east of BUS 114 is just now starting in the schematic and environmental phase and will not be ready to begin construction until 2027. These are current dates and are subject to change.
19	Brian Haynes	Mike Hudspeth (Equity Office)		4000 Fossil Creek Blvd. Fort Worth, TX 76137-2720	7-Nov-18	Email	Mike Hudspeth (with Equity Office) and I were reviewing the recent SH 114 Schematic dated October 2018 and noticed the Existing Access Control has changed for the frontage along the 19 acre tract (located at the SW Corner of SH 114 & Solana Blvd). The previous existing access control shown on the July 2018 Schematic along the 19 acre tract was approximately 350' and now the access control is approximately 1200'. There is a 100' wide gap in access control to allow for a future driveway, but we were wondering what changed between July and October? What is the driver for the access control along the 19 Acre Tract? There does appear to be in on-ramps, off-ramps, walls, or anything else that cause this to warrant access control. Equity Office would like some flexibility to the location of a future driveway, so fine tuning the access control would help.	Design, Control of access for driveway	Currently, access is controlled along eastbound SH 114 and no driveways are allowed. The layouts were revised to show TxDOT retaining the existing control of access and allowing one opening for a driveway approximately 500 feet west of Solana Boulevard. After the eastbound frontage road is constructed, TxDOT is proposing to release the control of access to allow one driveway at this location. The location for the requested driveway was selected to allow for adequate spacing from the frontage road/Solana Boulevard intersection and space for a deceleration lane along the subject property. TxDOT requests that the property owner confirm the requested driveway location before the control of access is released.
20	Council Member/ Homeowner from Trophy Club	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Concerned about the proposed ramp configuration between Kirkwood and Trophy Wood Drive because the weaving distance seems short and doesn't seem safe for cars exiting the freeway and trying to reach Trophy Wood Drive.	Design	The intent is to allow access to Trophy Wood Drive from westbound SH 114 via the exit ramp for Davis Boulevard. The placement of the ramp is dependent on vertical alignment and spacing of adjacent ramps. This ramp has been placed as far east as possible and does comply with all design standards established by the TxDOT Roadway Design Manual.
21	Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Expressed concern that the proposed westbound exit ramp to Davis Boulevard is too close to Trophy Wood Drive for traffic to safely maneuver across the frontage road to turn right on Trophy Wood Drive.	Design	The intent is to allow access to Trophy Wood Drive from westbound SH 114 via the exit ramp for Davis Boulevard. The placement of the ramp is dependent on vertical alignment and spacing of adjacent ramps. This ramp has been placed as far east as possible and does comply with all design standards established by the TxDOT Roadway Design Manual.

Committer Number	Committer Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
22	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Requested that a northbound turn lane be added for Dove Road at SH 114.	Design	The addition of right-turn lanes along Dove Road at the SH 114 frontage roads are included in the current design plans.
23	Westlake Property Owner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	1. Requested for the fascia on the proposed retaining walls along the eastbound SH 114 Frontage Roads to be constructed using a theme that matches the adjacent developer, which is a non-standard TxDOT aesthetic design. 2. Developer might be persuaded to allow the retaining walls along the eastbound frontage roads to be constructed on their private property if more space is needed to build the walls, but they would want to own control of the retaining walls and would want them constructed using aesthetic standards of their development.	Design	1. Aesthetic enhancements for all structures must be approved through TxDOT. If the developer requests a non-standard finish be used, then TxDOT may ask the developer to contribute toward the cost. 2. While construction easements will be required, retaining walls are planned to be built within TxDOT right of way for maintenance of roadway features.
24	Property Owner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Property owner asked to know who would maintain the noise walls and what type of decoration would be used on the wall.	Noise barrier	A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis. If a wall is warranted, then TxDOT would be responsible for maintaining the noise wall. The decoration used will be a result of a joint decision between TxDOT and the adjacent entities. Typically noise walls are constructed to match adjacent/nearby noise walls.
25	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Concerned that there might be a need to move utilities to build the new frontage road and this might cause the existing developer wall to be relocated.	Design	If utilities require the relocation of an existing developer wall, then the wall will be relocated or replaced with a similar wall.
26	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Requested a noise wall	Noise barrier	A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis.
27	Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Requested a noise wall	Noise barrier	A traffic noise analysis will be conducted as part of the environmental review for the proposed project to determine the potential noise impacts to potential receivers (including adjacent residential and commercial properties). The decision of installing a noise barrier will be determined during the environmental process through the noise impact analysis.
28	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Expressed approval of the proposed U-turns.	Positive feedback	Thank you for your support of the proposed U-turns.
29	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Requested the interchange at US 377 be addressed.	Traffic concerns outside of project limits	Priority and funding for projects are determined jointly with the Regional Transportation Council of the North Central Texas Council of Governments, the TxDOT Transportation Improvement Program, and local governments. The US 377/SH 114 grade separation is scheduled for letting on 7/31/2023. The plans are currently being designed by the Dallas District. The remainder of SH 114 from east of IH 35W to east of BUS 114 is just now starting in the schematic and environmental phase and will not be ready to begin construction until 2027. These are current dates and are subject to change.
30	Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Questioned how the project would be built and how it would impact them.	Construction related concern	A Traffic Control Plan is being developed to make sure traffic can move through the project and that adjacent property owners will have access to their properties throughout the duration of construction. Only one exit and entrance ramp will be shut down at any time so that traffic can use the ramps before and after the construction area. No off-site detours will be needed.
31	Property Owner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Expressed frustration that no one had talked to them about acquiring a parcel of their property that is located at the southeast corner of Dove Road and the Eastbound Frontage Road. The owner is not opposed to selling so long as she is fairly compensated. The owner had issues regarding Shady Oaks Drive as the City started to widen the street on her property without buying it. She got it stopped.	Right of way	Once all the environmental documentation has been approved by TxDOT, then the right-of-way acquisition process can begin. The process approved by the Federal Highway Administration for right-of-way acquisition would be used.

Commenter Number	Commenter Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
32	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Concerned about flooding on a nearby county road, but not about this project. The commenter pointed to the vicinity of Bob Jones Park on the Environmental Constraints Map but did not specify her address.	Traffic concerns outside of project limits	The local jurisdiction responsible for improvements to the area of concern is the City of Southlake. This comment will be passed to Mr. Robert M. Cohen, Director of Public Works for the City of Southlake (phone: 817-748-8097; email: rcohen@ci.southlake.tx.us).
33	Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Asked if the project would have bicycle lanes.	Bicycle lanes	Frontage roads would be constructed with a wide outside lane for a shared lane between a car and a bicycle.
34	Interested Citizen	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Citizens wanted roundabouts placed under the bridges at major cross streets	Design	Roundabouts were not considered/recommended as an alternative for this project as there is insufficient right-of-way and bridges would have to be reconstructed due to the location of bridge columns.
35	Southlake Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Citizen wanted to know if the new retaining walls and bridge widening at Kirkwood and Solana would be painted to match the existing aesthetic design features on the current bridge.	Design	It is the intent of this project for the proposed improvements to match or complement the existing aesthetic features at Kirkwood Boulevard/Solana Boulevard .An aesthetic plan would be developed for the proposed project.
36	Homeowner	Self		Not Provided	23-Oct-18	Meeting Verbal Comment	Happy no Toll lanes were proposed	Positive feedback	Thank you for your support of the proposed project.

Commenter Number	Commenter Name	Representing	Texas Transportation Code §201.811(a)(5)	Address	Date Received	Source	Comment Topic	Resource Category	Response
37	Mayor Laura Hill	City of Southlake		1400 Main Street, Suite 270 Southlake, TX 76092	24-Oct-18	Letter of Support	<p>Dear Mr. Bussell:</p> <p>On behalf of the City of Southlake, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.</p> <p>This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities.</p> <p>Lack of frontage roads has long been a problem for the SH 114 Corridor and in our case has forced significant traffic volumes to utilize Kirkwood Blvd adjacent to residential neighborhoods.</p> <p>As a first step in addressing the capacity in the corridor, the City of Southlake and Town of Westland partnered with Tarrant County to improve the operation of the SH 114/Kirkwood Blvd/Solana Blvd intersection with roadway widening and intersection signalization. We appreciate TxDOT's assistance in allowing the municipalities and county to expedite this project which is now complete.</p> <p>In concert with the initial improvements, the City of Southlake committed its financial support for the design and construction of the SH 114 Westbound Frontage Road between Dove Road and Kirkwood Blvd including engaging Kimley Horn Associates to design the needed frontage road in Southlake at the City's cost. Right-of-way has been acquired by the City at no cost to the State and design is well underway. Utility relocation has been assigned a high priority to support the expediting of this project.</p> <p>We understand that while TxDOT has incorporated this segment into larger project extending from Dove Road to FM 1938, the Southlake frontage road project retains the highest priority for construction and shall be sequenced to be the initial phase of construction.</p> <p>It is critical to the City of Southlake that we continue efforts to expedite this project.</p> <p>With our support of this project, Southlake requests that TxDOT commit to painting all existing and planned structures with a color consistent with the colors provided on the new bridge structures located at Carroll and SH 114 (Texas Turnaround) and FM 1709 and SH 114 (DFW Connector Bridge).</p> <p>We appreciate you and your staff's efforts in working with Southlake on this project and look forward to its construction.</p> <p>Sincerely, Laura Hill</p>	Positive feedback; design	Thank you for your support of the proposed project. Aesthetic enhancements for all structures must be approved through TxDOT. If the developer requests a non-standard finish be used, then TxDOT may ask the developer to contribute toward the cost.

38	County Commissioner, Gary Fickes	Tarrant County		645 Grapevine Hwy., Suite 200 Hurst, TX; 760541400 Main Street, Suite 270 Southlake, TX 76092	22-Oct-18	Letter of Support	<p>Dear Mr. Bussell:</p> <p>On behalf of Tarrant County, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.</p> <p>This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities.</p> <p>Lack of frontage roads has long been a problem for the SH 114 Corridor forcing significant traffic volumes to surrounding cities' roadways.</p> <p>The City of Southlake, Town of Westlake and Town of Trophy Club are in full support of this project and we would ask that TxDOT pay particular attention to the needs and requests of the three cities.</p> <p>Tarrant County views this project as a much needed improvement to the SH 114 Corridor capacity and is in full support of efforts to expedite its design and construction.</p> <p>We appreciate you and your staff's efforts in working with the three cities on this project and look forward to its construction.</p> <p>Sincerely Honorable Gary Fickes</p>	Positive feedback	Thank you for your support of the proposed project.
39	Mayor C. Nick Sanders	Town of Trophy Club		1 Trophy Wood Drive Trophy Club, TX 76262	22-Oct-18	Letter of Support	<p>Dear Mr. Bussell:</p> <p>On behalf of the Town of Trophy Club, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.</p> <p>This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities. From Trophy Club's perspective, the ramp reversal between Kirkwood Drive and FM 1938 provides us with much improved access to and from the SH 114 Westbound Lanes. In addition the planned "Texas U-Turns" will help reduce congestion and improve traffic flow in peak times around the SH 114 and Solana Blvd / Kirkwood Blvd. intersection.</p> <p>With our support of this project, Trophy Club requests that TxDOT commit to painting all existing and planned structures with color consistent with the existing corridor painting.</p> <p>We appreciate you and your staff's efforts in working with The Town of Trophy Club on this project and look forward to its construction.</p> <p>Sincerely, Mayor C. Nick Sanders</p>	Positive feedback	Thank you for your support of the proposed project. Aesthetic enhancements for all structures must be approved through TxDOT. If the developer requests a non-standard finish be used, then TxDOT may ask the developer to contribute toward the cost.

i. Mailed Notice of Public Meeting

NOTICE OF PUBLIC MEETING
SH 114 Frontage Road, Ramp and Intersection Improvements
CSJ: 0353-03-100
Tarrant County, Texas

The Texas Department of Transportation (TxDOT) is proposing to construct continuous frontage roads, including ramp and intersection improvements, along SH 114 from FM 1938 (Davis Boulevard) to Dove Road in Tarrant County. The purpose of the meeting is to provide an opportunity for the public to view the proposed improvements and to comment on the proposed project. The meeting will be an open house format, allowing visitors to come and go at their availability, to be held on:

Tuesday, Oct. 23, 2018
6 p.m. – 8 p.m.
Walnut Grove Elementary School at White Chapel Boulevard
2520 N. White Chapel Blvd.
Southlake, Texas 76092

The proposed project would also reverse the existing entrance and exit ramps to increase mobility and safety along the mainlanes and frontage roads. Along with these improvements, the eastbound entrance ramp from Westlake Parkway/Trophy Club Drive would be reconstructed and the cross street of Dove Road would be widened near the frontage road intersections. U-Turn lanes would be added for both eastbound and westbound directions at Kirkwood Boulevard/Solana Boulevard and for the eastbound-to-westbound direction at Dove Road.

Layouts reflecting the proposed frontage road, ramp and intersection improvements will be displayed at the Public Meeting. Verbal and written comments relative to the proposed improvements may be presented at the meeting.

Written comments may also be submitted on or before Nov. 7, 2018 to Texas Department of Transportation, Attention: Tom Marquardt, P.E., Project Manager, 2501 SW Loop 820, Fort Worth, Texas 76133, to be included in the Public Meeting Record. If you have any general questions or concerns regarding the proposed project or the meeting please contact Tom Marquardt, P.E. at (817) 370-6772.

The meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Tanya Fitzgerald at (817) 370-6610. Requests should be made at least five days prior to the public meeting. Every reasonable effort will be made to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 16, 2014, and executed by the Federal Highway Administration and TxDOT.

Where: Walnut Grove Elementary School
 2520 N. White Chapel Blvd.
 Southlake, TX 76092 (Map)

When: Tuesday, Oct. 23, 2018
 6 p.m. - 8 p.m.

Purpose: TxDOT wants public feedback on proposed construction of continuous frontage roads, including ramp and intersection improvements, along SH 114 from FM 1938 (Davis Boulevard) to Dove Road in Tarrant County. The meeting will be an open house format so the public may come and go at their convenience, and staff will be available to answer questions. Comments must be received on or before Nov. 7, 2018, to be a part of the official open house record.

Description: The proposed project would also reverse the existing entrance and exit ramps to increase mobility and safety along the mainlanes and frontage roads. Along with these improvements, the eastbound entrance ramp from Westlake Parkway/Trophy Club Drive would be reconstructed and the cross street of Dove Road would be widened near the frontage road intersections. U-turn lanes would be added for both eastbound and westbound directions at Kirkwood Boulevard/Solana Boulevard and for the eastbound-to-westbound direction at Dove Road.

Special Accommodation: TxDOT makes every reasonable effort to accommodate the needs of the public. The open house will be in English. If you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate most needs. Please call (817) 370-6610 at least five working days prior to the meeting. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

Memorandum of Understanding: The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

TxDOT Public Meeting for SH 114 Frontage Roads, Ramps, & Public Improvements

Date: October 23, 2018
 Time: 6:00 PM - 8:00 PM
 Location: Walnut Grove Elementary School
 Address: 2520 N. White Chapel Blvd. Southlake, TX 76092
 Contact: 817-370-6772
 Link: More info from TXDOT

Tuesday, October 23, 2018

All interested citizens are invited to attend this Public Meeting, hosted by the Texas Dept. of Transportation (TxDOT), regarding the construction of SH114 Frontage Roads, Ramps & Public Improvements, located between FM 1938 (Davis Blvd) east to Dove Road in the Town of Westlake and City of Southlake, Tarrant County. The purpose of the meeting is to provide an opportunity for the public to view the proposed improvements and to comment on the proposed project. The meeting will be an open house format, allowing visitors to come and go at their availability. Written comments may also be submitted on or before Nov. 7, 2018, to Texas Department of Transportation, Attention: Tom Marquardt, P. E., Project Manager, 2501 SW Loop 820, Fort Worth, Texas 76133, to be included in the Public Meeting Record. If you have any general questions or concerns regarding the proposed project or the meeting please contact Tom Marquardt, P. E. at (817) 370-6772.

iv. Notice Published in Star Telegram

Benjamin Alvarez, 18, a senior at the Young Men's Leadership Academy in Fort Worth, said he plans to vote for the first time on Nov. 6.

FROM PAGE 1A VOTERS

is done in person and only on certain days — and most younger voters were raised in a technological era where you can do anything online at just about any time," said Brandon Rottinghaus, a political science professor at the University of Houston.

Younger voters need to be mobilized through various channels and that must revolve around issues of importance to them like school loans, healthcare, home ownership and jobs," he said.

CRUNCHING THE NUMBERS

There are 15.6 million registered voters in Texas, 3.1 million of them are between 18 and 29. That's about 4,000 more than those who are 65 and older.

Despite their larger numbers, just a fraction of young voters actually cast ballots in the last two mid-term elections, the Star-Telegram analysis of voter data provided by the Texas Secretary of State's Office shows.

In 2014, just 323,094 voted in the general election, compared with 1.4 million voters who were 65 and older. In 2010, only 202,929 young voters cast ballots, compared with 768,415 voters who were 65 and older.

And earlier this year, Charles Williams, 18, a senior at Western Hills High School, said he's going to the polls Nov. 6.

COURTESY Charles Williams

only around 60,000 young voters cast ballots in the primary election, compared with the 725,252 ballots cast by Texans who are 65 and older.

"National turnout among young voters is low in presidential elections and even lower in the midterms," said Matthew Eshbaugh-Soha, who heads the political science department at the University of North Texas in Denton. "Texas voter turnout is among the lowest in the nation, regard-

less of whether it is presidential or midterm."

Generally, presidential elections tend to draw the most enthusiasm from younger voters.

"Midterms are more about who stays home than who turns out," Eshbaugh-Soha said. "I remain skeptical and given the trends, if I were a candidate for elected office, I wouldn't bet my campaign on young voters."

"They are just not reliable voters."

But Benjamin Alvarez, 18, a senior at the Young Men's Leadership Academy in Fort Worth, said he plans to break that perception. He said he won't miss voting this election. "It's my first time," Alvarez said. "I'm ready to vote. I want to practice my right as an American citizen."

Election workers are doing everything they can think of to draw younger voters to the polls on Election Day. High schools are doing voter registration drives to encourage 18-year-olds to vote. And state lawmakers, including state Rep. Charlie Geren, even have delivered voter registration forms to schools to help out.

Geren, R-Fort Worth, doesn't know if younger voters will head to the polls this November. But he wanted to do his part to help get as many registered as possible.

So he delivered voter registration forms to high schools in his district, to help principals helping to grow the number of new voters.

Texas law lets high school principals serve as deputy voter registrars to help register students who will be 18 by Election Day.

"We need to try to get younger people registered so they'll vote," he said. "But we also need to get all people who are registered to vote."

SOCIAL MEDIA

Social media may be the name of the game for younger voters.

Snapchat is getting involved, kicking off a voter registration initiative.

The popular app is sending "Register to Vote" links to the profile pages of all users over the age of 18 — and releasing a voter registration filter to help non-voting users.

Facebook is encouraging voters to turn out, even displaying a reminder to register to vote at the top of many news feeds.

And a new social short-form series, called "Be Woke," has been launched to encourage Gen Z, and millennial voters to head to the polls this year. This campaign includes a number of entertainers — from Kim Kardashian and Will.i.am to Hilary Swank and Jamie Foxx — in the effort encouraging young voters, particularly those of color, to get involved in politics.

"There is a serious problem in our country surrounding our youngest generations and involvement in the political process," said Deon Taylor, a movie director who helped create this project that will air on Twitter, Instagram and Facebook. "We hope this movement is contagious and a broader national voice is heard during future elections."

Across the country, some are touting a #TurnoutTuesday campaign that documents weekly voter awareness efforts on social media.

Unike Stewart, 21, a junior who is the student body president at the University of North Texas at Dallas, said technology is a great tool, but many young people don't vote because they are still trying to figure out where they stand on issues. Often, they haven't decided if they are Democrat, Republican or Independent.

Stewart said their best

voter awareness efforts combine social media with frank discussions about how issues affect friends. She said some students registered after hearing this message from immigrant classmates: "I wish somebody told me that I could have a say."

Stewart said her generation knows they outnumber older voters, but like the experts, she too is waiting for her classmates to show up at the polls. "We can take over the world if we want to," Stewart said.

TALKING ABOUT MY GENERATION

Political experts say older voters are reliable and show up to state, local and national elections. Here is a general breakdown of the different generations that make up the nation's electorate.

Generation Z: Also known as Post Millennials, Digital Natives or Plurals. These young people were typically born in an about 2000 or 2001. They are described as an emerging generation that is well-connected to technology, diverse and driven to help others.

Millennials: This generation is also called Generation Y or Echo Boomers. They are largely the children of baby boomers. Some experts say they were born in 1979-84, and others say they were born in 1982-2000.

Generation X: Also referred to as the MTV Generation or Slackers. This generation was typically born in 1965-80.

Baby boomers: These people are often described as being born in 1946-64. After World War II, the nation experienced a baby boom largely because couples could begin to start families after the conflict.

The Silent Generation: These people are also called the Greatest Generation.

VOTER 101

The deadline to register to vote is Oct. 9.

Voter registration applications are available online; at the Tarrant County Elections Administration, 2700 Premier St.; and at subcourthouses, city halls, libraries and post offices. They must be dropped off at the election office or clearly post-marked by Oct. 9.

If you don't know whether you're registered to vote, check your status online at the Texas Secretary of State's website, votetexas.gov, or by calling the local elections office at 817-831-8683.

If you are going to be out of town during early voting and on Election Day — or if you are at least 65 or disabled — you have until Oct. 26 to ask for a mail-in ballot.

Applications for mail-in ballots may be downloaded from the Texas Secretary of State's website and returned to county election officials by fax, mail or email.

To register to vote in Texas, you must be a U.S. citizen, at least 18 by Election Day, mentally sound and not a convicted felon unless the sentence has been completed, including parole or probation. For new residents in the state, there's no requirement stipulating how long you must live here before registering to vote.

Sample ballots are available online at the Tarrant County Election website. For more information, local voters may call the Tarrant County Elections Office at 817-831-8683 and voters statewide may call the Secretary of State's Office at 1-800-252-8683.

NOTICE OF PUBLIC MEETING

SH 114 Frontage Road, Ramp and Intersection Improvements CSJ: 0353-03-100 Tarrant County, Texas

The Texas Department of Transportation (TxDOT) is proposing to construct continuous frontage roads, including ramp and intersection improvements, along SH 114 from FM 1938 (Davis Boulevard) to Dove Road in Tarrant County. The purpose of the meeting is to provide an opportunity for the public to view the proposed improvements and to comment on the proposed project. The meeting will be an open house format, allowing visitors to come and go at their availability, to be held on:

Tuesday, Oct. 23, 2016 6 p.m. - 8 p.m.

Walnut Grove Elementary School at White Chapel Boulevard 2520 N. White Chapel Blvd. Southlake, Texas 76092

The proposed project would also reverse the existing entrance and exit ramps to increase mobility and safety along the mainlines and frontage roads. Along with these improvements, the eastbound entrance ramp from Westlake Parkway/Trophy Club Drive would be reconstructed and the cross street of Dove Road would be widened near the frontage road intersections. U-Turn lanes would be added for both eastbound and westbound directions at Kirkwood Boulevard/Solana Boulevard and for the eastbound-to-westbound direction at Dove Road.

Layouts reflecting the proposed frontage road, ramp and intersection improvements will be displayed at the Public Meeting. Verbal and written comments relative to the proposed improvements may be presented at the meeting.

Written comments may also be submitted on or before Nov. 7, 2016 to Texas Department of Transportation, Attention: Tom Marquardt, P.E., Project Manager, 2501 SW Loop 820, Fort Worth, Texas 76133, to be included in the Public Meeting Record. If you have any general questions or concerns regarding the proposed project or the meeting please contact Tom Marquardt, P.E. at (817) 370-6772.

The meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Tanya Fitzgerald at (817) 370-6610. Requests should be made at least five days prior to the public meeting. Every reasonable effort will be made to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 16, 2014, and executed by the Federal Highway Administration and TxDOT.

Paper Pulpit GAMBLING

Gambling is an addiction prompted by feelings of social inferiority, low self-esteem or a love of money. An alarming number of people, including many young people, are addicted to gambling, and each compulsive gambler affects an average of 10 to 12 others (family, friends, co-workers, etc.).

Gambling is often associated with other addictions such as drugs and alcohol, and often is associated with suicide and crime. Covetousness is sin. It is a desire for what belongs to another. "Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, nor thieves, nor covetous, nor drunkards, nor evil-doers, nor extortionists will inherit the kingdom of God. And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God" (I Cor 6:9-11). The Corinthians had been guilty of terrible sins, but God forgave them because they had been washed, sanctified and justified by the blood of Jesus.

The gambling addict can be forgiven the same way the Corinthians were forgiven when washed in the blood of

Christ. This occurs through repentance and baptism (for the remission of sins" (Acts 2:38). God's care and support are blessings available as he or she attempts to give up this addiction or sins of any kind. This may be difficult, but it is possible with the help of God. The apostle Paul wrote: "I can do all things through Christ who strengthens me" (Phil 4:13).

The addicted gambler must realize that gambling must be abandoned forever. Moderate gambling is impossible because the addict is always "just one win away" from being seduced back into the compulsive lifestyle. Covetousness and getting something for nothing is at the heart of gambling, whereas the Bible says we are to "work with our own hands," doing good things so that we might be able to give to those who are in need (I Cor 4:12). The gambling Christian must learn that "goodness with contentment is great gain" (I Tim 6:6). The gambler must get away from his old gambling buddies, for "evil company corrupts good habits" (I Cor 15:33). Help is available for those addicted. The odds of beating this addiction without God are low. "But with God all things are possible" (Mt 19:26).

"Let us lay aside every weight and the sin which so easily ensnares us..." (Heb 12:1) Old and damaged Bibles are repaired and rebound. In genuine leather to help bring you the Paper Pulpit. \$12-\$22-\$49.8. Paper Pulpit book of 500 sermons \$12 postpaid. www.PaperPulpitForNorth.com; www.NorthBibleschool.net. TRUTH IN LOVE. You're Invited!

OPEN HOUSE PUBLIC MEETING

SH 114 Frontage Road, Ramp and Intersection Improvements

**Tuesday,
Oct. 23, 2018**

**Walnut Grove
Elementary School
2520 N. White Chapel Blvd.
Southlake, TX 76092**

**Open House:
6 p.m. to 8 p.m.**

The Texas Department of Transportation invites you to attend an open house on Tuesday, Oct. 23, 2018, at the Walnut Grove Elementary School located at 2520 N. White Chapel Blvd. in Southlake. You may attend anytime between the hours of 6 p.m. and 8 p.m.

Your input is needed regarding the proposed frontage road, ramp and intersection improvements for SH 114 from FM 1938 (Davis Boulevard) to Dove Road. You will be able to view layouts showing the proposed project and TxDOT personnel will be available to answer questions. The Public Meeting will be an Open House format, allowing visitors to come and go at their availability.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

2501 SW Loop 820
Fort Worth, TX 76133

OPEN HOUSE FOR SH 114

**Frontage Road, Ramp and
Intersection Improvements**

If you have questions, comments or
have special communication and/or
accommodation needs, please
contact:

Tom Marquardt, P.E.

Project Manager

(817) 370-6772

THE LOCAL ROAD IMPROVEMENTS TO DOVE ROAD ON THE SOUTHWEST SIDE OF 114 ARE NOT SUBSTANTIAL ENOUGH. THE ROAD BOTTLNECKS AND ~~BACKS~~ BACKS UP EVERY MORNING AT THE SHADY OAKS INTERSECTION. WIDEN DOVE A LITTLE MORE TO FACILITATE ALL THE PEOPLE TRYING TO TURN RIGHT ONTO SHADY OAKS (MANY TO TAKE THEIR CHILDREN TO DURHAM INTERMEDIATE SCHOOL.)

-POST-SIGNS FOR COUNTY AND CITY: PLEASE PRIORITIZE WORK ON DOVE ROAD BETWEEN 114 AND DAVIS! THANK YOU!

The noise from the Freeway is Horrible.
 PLEASE build a sound/noise barrier
 along the AXIS ROAD FROM Dove ROAD
 to the Entrance to TD Ameritrade on the west
 Bound Side.
 Trophy club HAS built these barriers
 already along their AXIS ROAD.
 Make this part of the project upfront!

① Suggest 114/377 & 114/I-35W are both higher priorities than this work

② Roundabouts are significantly more effective at moving traffic than stop lights

③ I see no benefits of this project on the enormous back ups during rush hour on 114

~1490+00 Westbound Exit Ramp Needs of Kinkwood (Same exit
 ↳ Needs to exit earlier
 ↳ Needs Blue signage
 ↳ Crossover / Congested traffic due to SABA ramp and lane needs to consider
 ↳ New Westbound Entrance Ramp South of Station to be pushed back further towards TO Annette's property lot. This will help lessen congestion between Westbound Exit & Westbound Entrance Ramps
 ↳ Need to remove Westbound Entrance Ramp South of Davis Blvd & keep Westbound Entrance Ramp so turn around traffic can go under the Davis Blvd Bridge. NOT be stuck driving to Trophy Club Drive

We really need a solution for the intersection of 114 and 377. ITS A TRAFFIC BOTTLENECK. Also 170 and 377 IS an issue but not as bad as The first.

Thanks for addressing The problems at Kirkwood/Davis and 114.

IS There any way to create an alternate route for 114. TRAFFIC IS VERY HEAVY!

Subject: RE: Meeting with Jerry Hodge
Attachments: SW Corner of SH 114 and Solana Blvd_19 Acre Site (11-7-2018).pdf

Categories: External

Jacob,

Mike Hudspeth (with Equity Office) and I were reviewing the recent SH 114 Schematic dated October 2018 and noticed the Existing Access Control has changed for the frontage along the 19 acre tract (located at the SW Corner of SH 114 & Solana Blvd). The previous existing access control shown on the July 2018 Schematic along the 19 acre tract was approximately 350' and now the access control is approximately 1200'. There is a 100' wide gap in access control to allow for a future driveway, but we were wondering what changed between July and October?

What is the driver for the access control along the 19 Acre Tract? There does appear to be in on-ramps, off-ramps, walls, or anything else that cause this to warrant access control.

Equity Office would like some flexibility to the location of a future driveway, so fine tuning the access control would help.

Thanks,
Brian

ii. Municipal Letters of Support

Office of the Mayor

October 24, 2018

Mr. Loyl Bussell, P. E.
District Engineer
Fort Worth District
TxDOT
1501 South Loop 820
Fort Worth, TX 76133

RE: SH 114 Frontage Roads Project
CSJ #0353-03-100

Dear Mr. Bussell:

On behalf of the City of Southlake, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.

This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities.

Lack of frontage roads has long been a problem for the SH 114 Corridor and in our case has forced significant traffic volumes to utilize Kirkwood Blvd adjacent to residential neighborhoods.

As a first step in addressing the capacity in the corridor, the City of Southlake and Town of Westlake partnered with Tarrant County to improve the operation of the SH 114/Kirkwood Blvd/Solana Blvd intersection with roadway widening and intersection signalization. We appreciate TxDOT's assistance in allowing the municipalities and county to expedite this project which is now complete.

In concert with the initial improvements, the City of Southlake committed its financial support for the design and construction of the SH 114 Westbound Frontage Road between Dove Road and Kirkwood Blvd including engaging Kimley Horn Associates to design the needed frontage road in Southlake at the City's cost. Right-of-way has been acquired by the City at no cost to the State and design is well underway. Utility relocation has been assigned a high priority to support the expediting of this project.

We understand that while TxDOT has incorporated this segment into a larger project extending from Dove Road to FM 1938, the Southlake frontage road project retains the highest priority for construction and shall be sequenced to be the initial phase of construction.

It is critical to the City of Southlake that we continue efforts to expedite this project.

With our support of this project, Southlake requests that TxDOT commit to painting all existing and planned structures with a color consistent with the colors provided on the new bridge structures located at Carroll and SH 114 (Texas Turnaround) and FM 1709 and SH 114 (DFW Connector Bridge).

We appreciate you and your staff's efforts in working with Southlake on this project and look forward to its construction.

Sincerely,

A handwritten signature in cursive script that reads "Laura K. Hill".

RE: SH 114 Frontage Roads Project
CSJ #0353-03-100

Dear Mr. Bussell:

On behalf of Tarrant County, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.

This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities.

Lack of frontage roads has long been a problem for the SH 114 Corridor forcing significant traffic volumes to surrounding cities' roadways.

The City of Southlake, Town of Westlake and Town of Trophy Club are in full support of this project and we would ask that TxDOT pay particular attention to the needs and requests of the three cities. Tarrant County views this project as a much needed improvement to the SH 114 Corridor capacity and is in full support of efforts to expedite its design and construction.

We appreciate you and your staff's efforts in working with the three cities on this project and look forward to its construction.

Sincerely

A handwritten signature in black ink, appearing to read 'G. Fickes', with a stylized flourish at the end.

Honorable Gary Fickes
Tarrant County Commissioner

RE: SH 114 Frontage Roads Project
CSJ #0353-03-100

Dear Mr. Bussell:

On behalf of the Town of Trophy Club, I want to convey our support for the SH 114 Frontage Roads Project from FM 1938/Davis Blvd to Dove Road.

This project is an important element in the improvements to the traffic capacity of the SH 114 Corridor and provides benefits to each of the three municipalities. From Trophy Club's perspective, the ramp reversal between Kirkwood Drive and FM 1938 provides us with much improved access to and from the SH 114 Westbound Lanes. In addition the planned "Texas U-Turns" will help reduce congestion and improve traffic flow in peak times around the SH 114 and Solana Blvd / Kirkwood Blvd. intersection.

With our support of this project, Trophy Club requests that TxDOT commit to painting all existing and planned structures with a color consistent with the existing corridor painting.

We appreciate you and your staff's efforts in working with The Town of Trophy Club on this project and look forward to its construction.

Sincerely,

A handwritten signature in black ink that reads 'C. Nick Sanders'.

Mayor C. Nick Sanders

**SH 114 FRONTAGE ROAD, RAMP AND
INTERSECTION IMPROVEMENTS
FROM FM 1938 (DAVIS BOULEVARD)
TO DOVE ROAD**

Public Meeting

Oct. 23, 2018

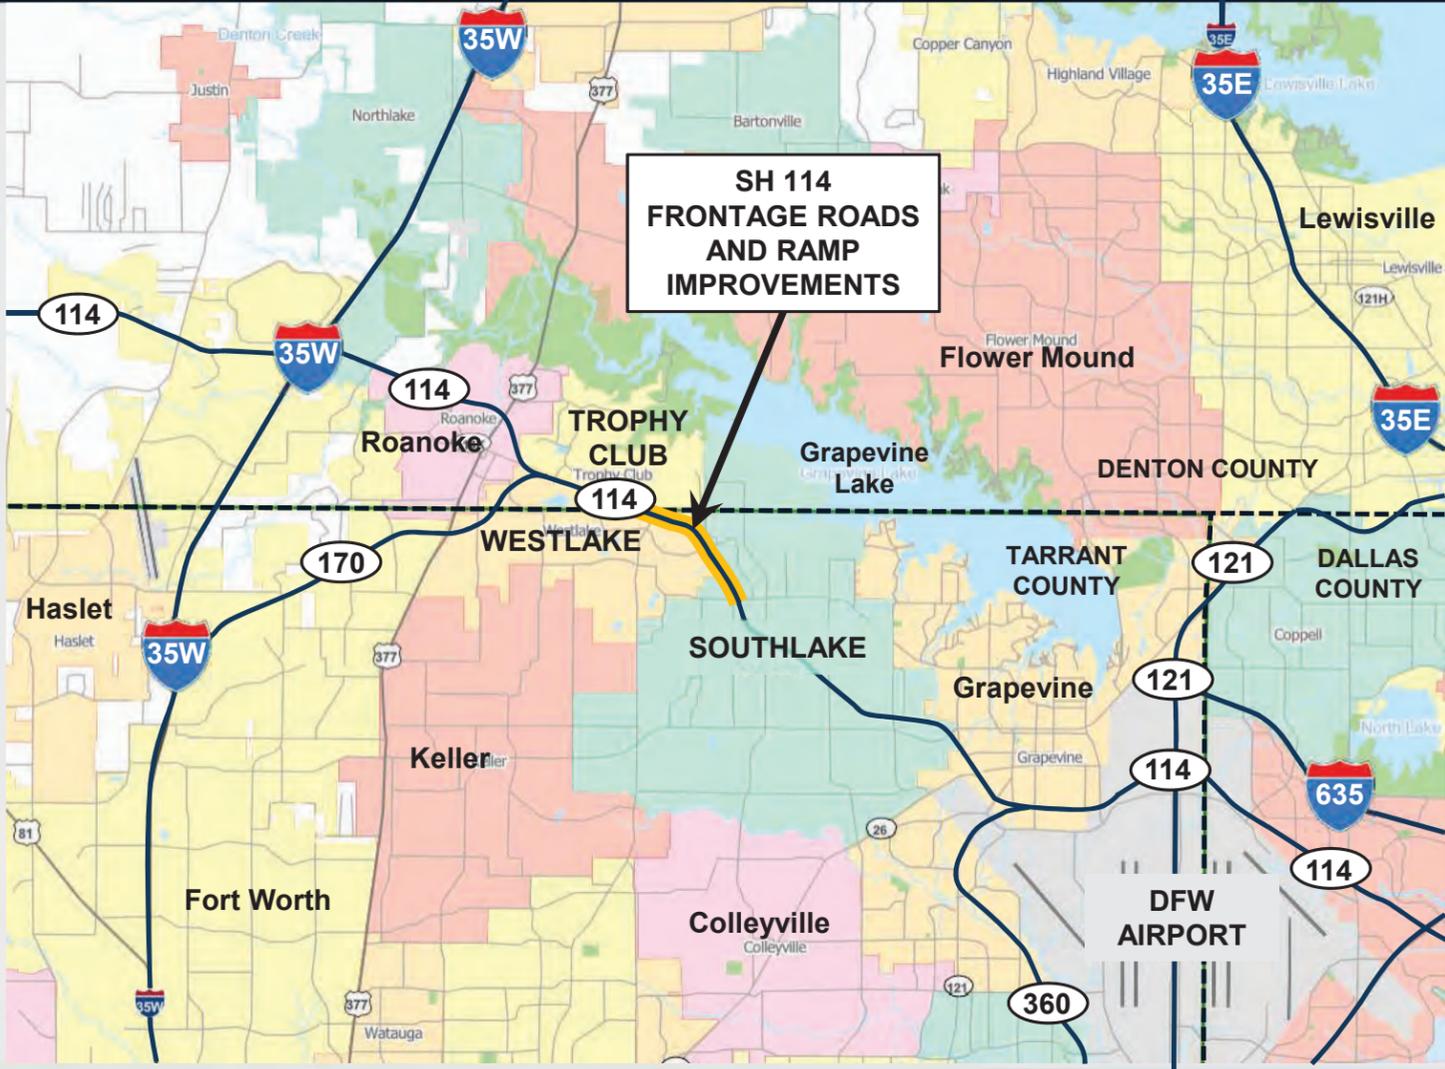

CSJ: 0353-03-100

Purpose of Today's Meeting

- Present the preliminary project layout
- Present the environmental constraints
- Receive public input
- Respond to questions

SH 114 Project Location

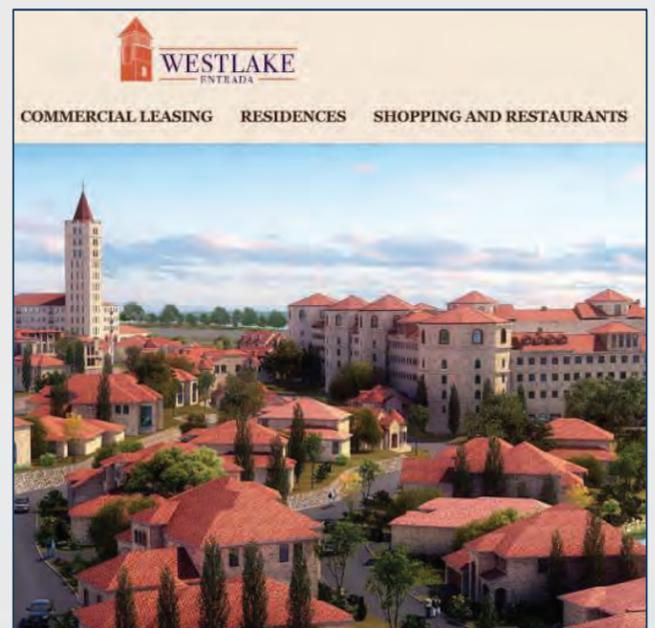

Goals & Objectives of the SH 114 Project

- Address the expected increased traffic associated with new corporate and commercial developments adjacent to SH 114

Dallas Morning News Article highlighting 1800 employees to work in TD Ameritrade's new 78 acre campus

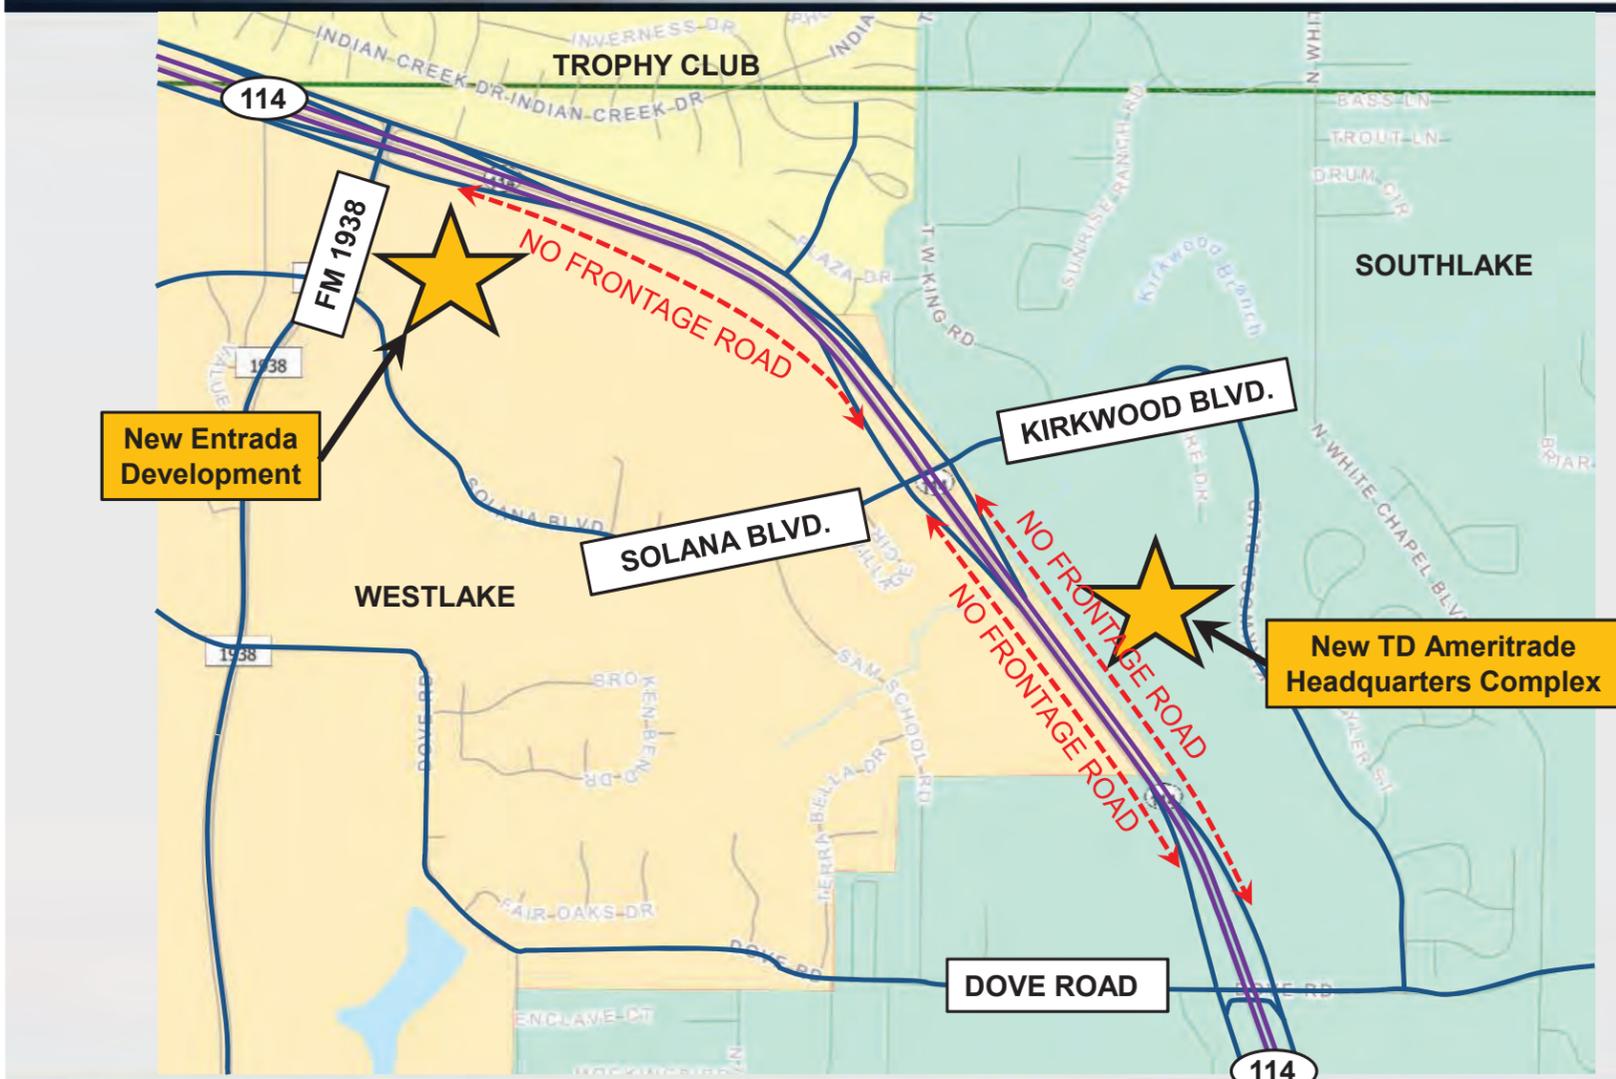

Westlake Entrada website touts new development:

Goals & Objectives of the SH 114 Project

- SH 114 has a gap in its Frontage Road System between FM 1938 (Davis Boulevard) and Dove Road.
 - With this gap in the SH 114 Frontage Road System, all traffic accessing destinations in Southlake, Westlake, or Trophy Club must exit to:
 - FM 1938 (Davis Boulevard); or,
 - Kirkwood/Solana Boulevard; or,
 - Dove Road
- Then use local streets to reach their destination

Goals & Objectives of the SH 114 Project

Goals & Objectives of the SH 114 Project

- This project aims to alleviate congestion & improve mobility within the project area by completing the frontage road system along SH 114.
- Filling the gap in the Frontage Road System will improve emergency vehicle response and provide alternate routing for traffic on the main lanes during incidents.

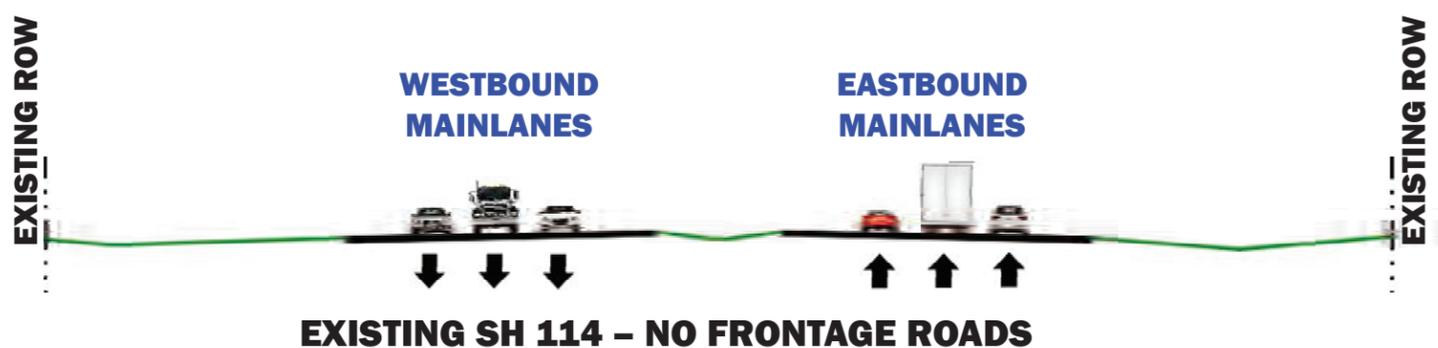

Goals & Objectives of the SH 114 Project

- Objectives:
 - Gain approval of the proposed geometric layout (Preliminary Design)
 - Obtain environmental clearance for the Preferred Alternative
 - Construct Frontage Road, Ramp and Intersection Improvements

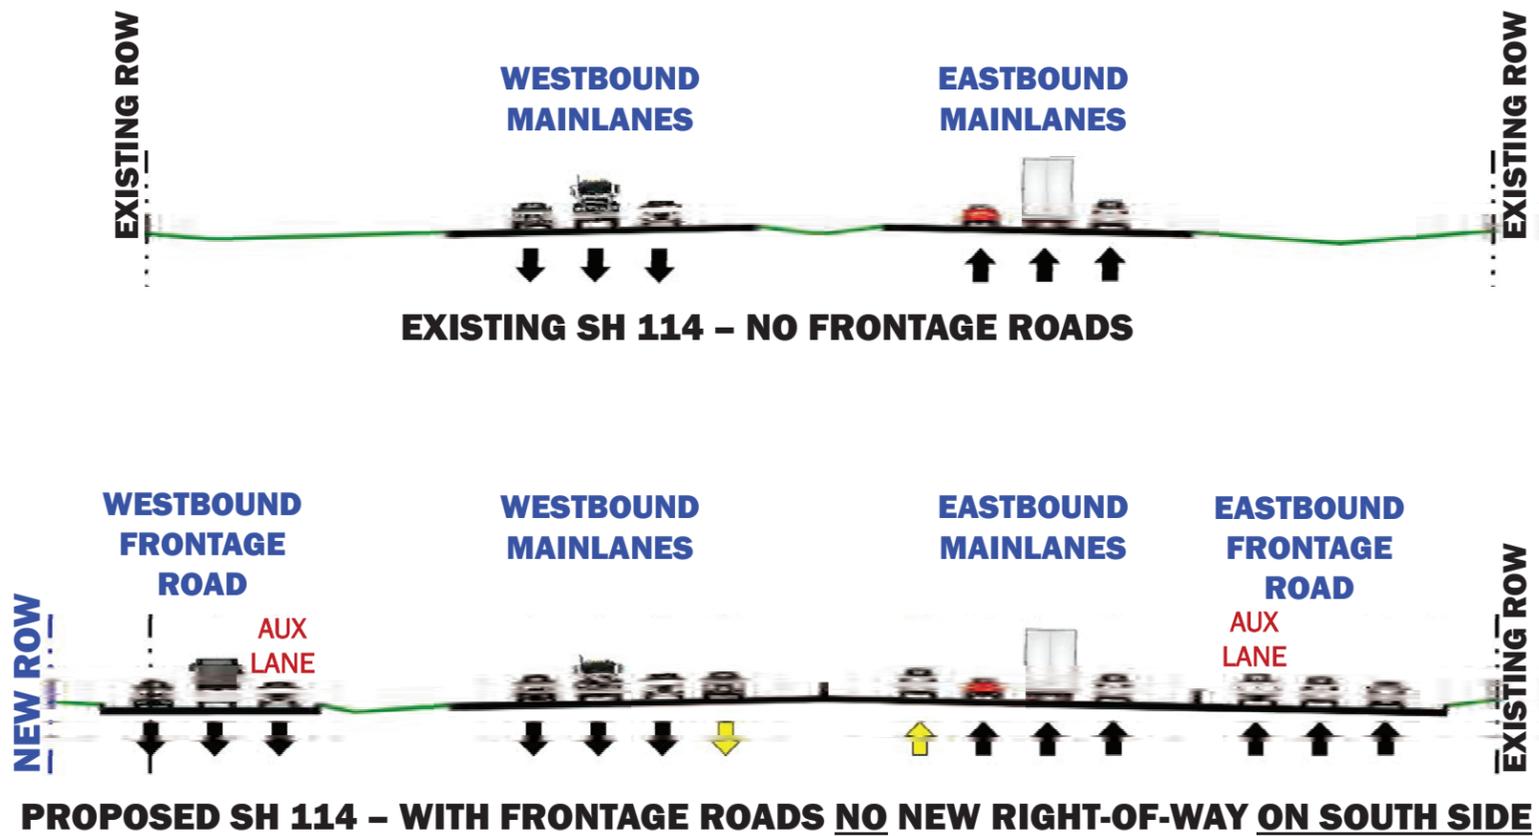

Frontage Road Alternatives Evaluated

- The Preliminary Design has evaluated the following Frontage Road alternatives:
 - Construct Frontage Roads **WITH** additional Right of Way (ROW) on North and South sides of SH 114.
 - Construct Frontage Roads **WITHOUT** additional ROW on South side of SH 114.

Frontage Road Alternatives Evaluated

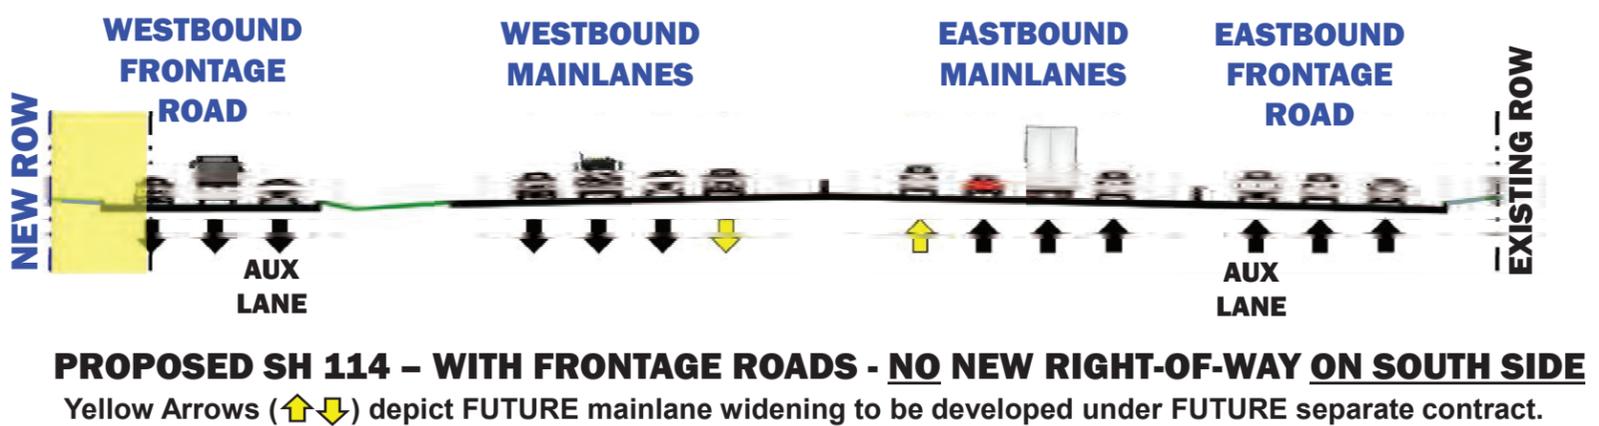

Frontage Road Alternatives Evaluated

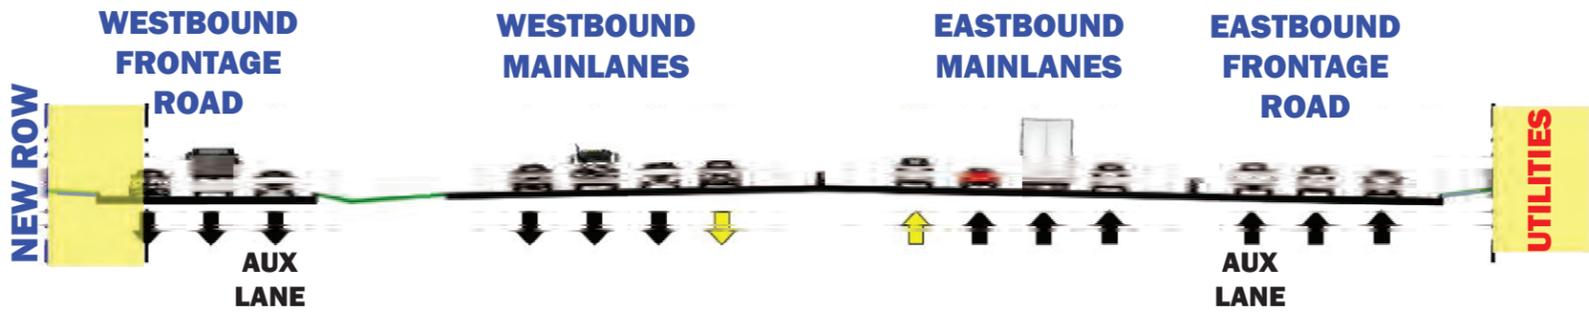

Yellow Arrows (↕) depict FUTURE mainlane widening to be developed under FUTURE separate contract.

Frontage Road Alternatives Evaluated

- The Preferred Alternative requires new right of way on the north side of SH 114 between Kirkwood Boulevard and Dove Road.
- The majority of the new right of way needed on the north side is located within the TD Ameritrade campus. TD Ameritrade is donating the land needed from their property.
- Between FM 1938 (Davis Boulevard) and Kirkwood Boulevard, no new right of way is needed on the north side of SH 114.

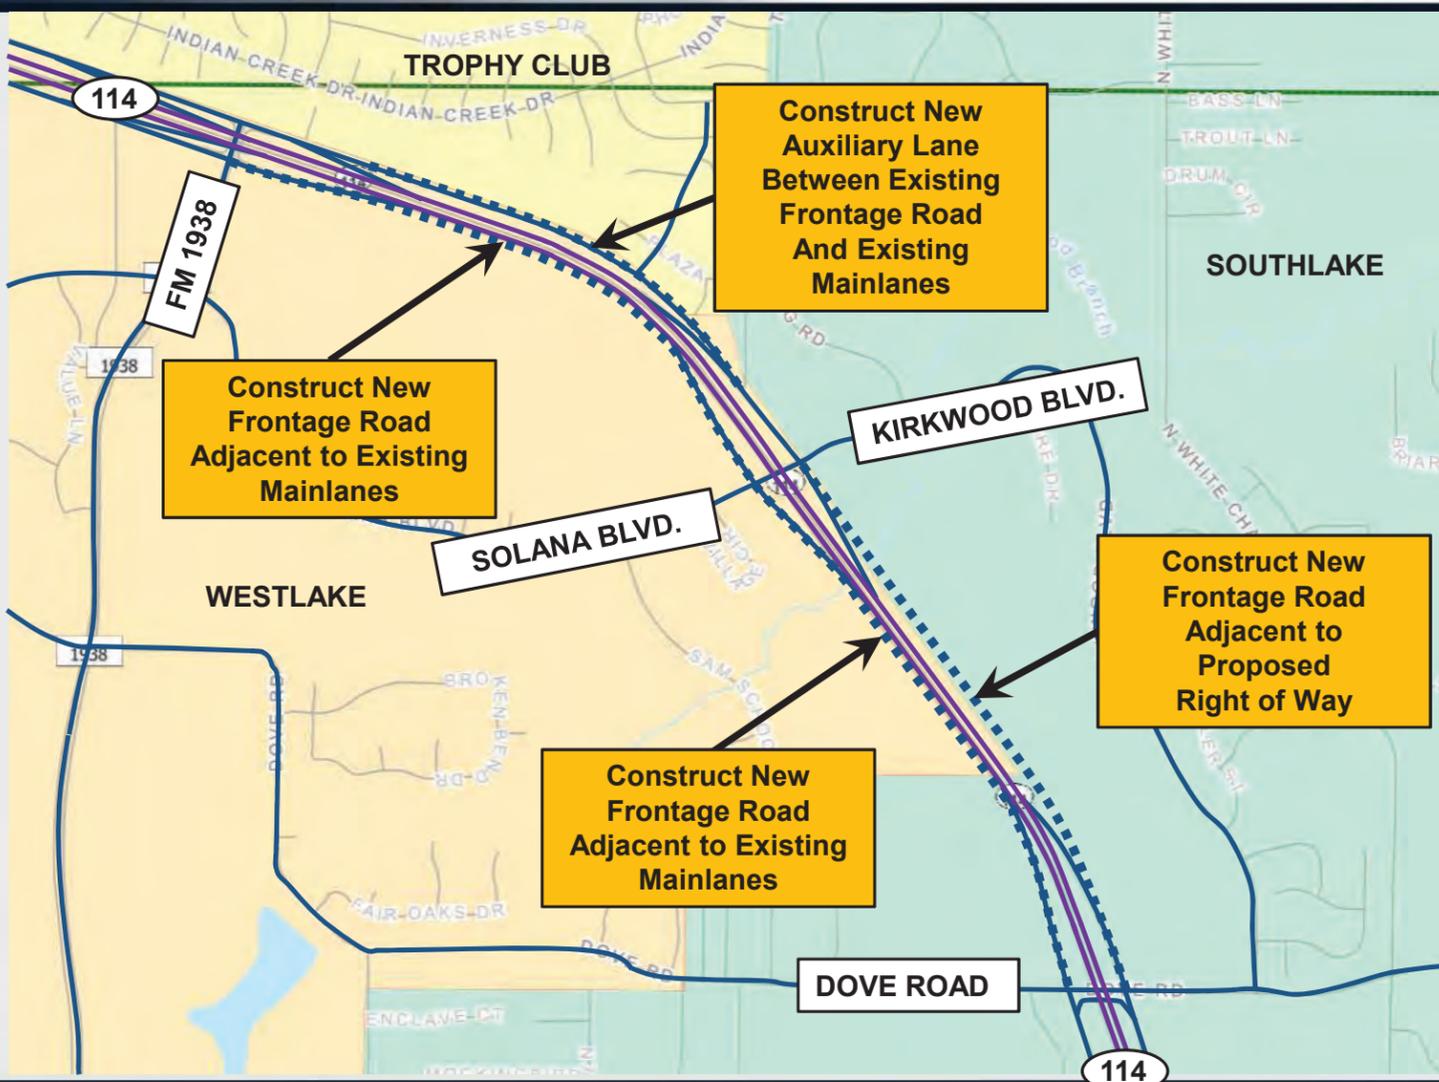

Frontage Road Alternatives Evaluated

Yellow Arrows (↑↓) depict FUTURE mainlane widening to be developed under FUTURE separate contract.

- No new right of way will be taken from the south side of SH 114 due to the presence of a **Utility Easement** containing large water and sewer mains, which would be very costly to relocate.
- The proposed EASTBOUND Frontage Road will be constructed within existing right-of-way through the use of parallel ramps and by designing the frontage road to hug the existing EASTBOUND Mainlanes.

Preferred Frontage Road Alternative

Ramp Alternatives Evaluated

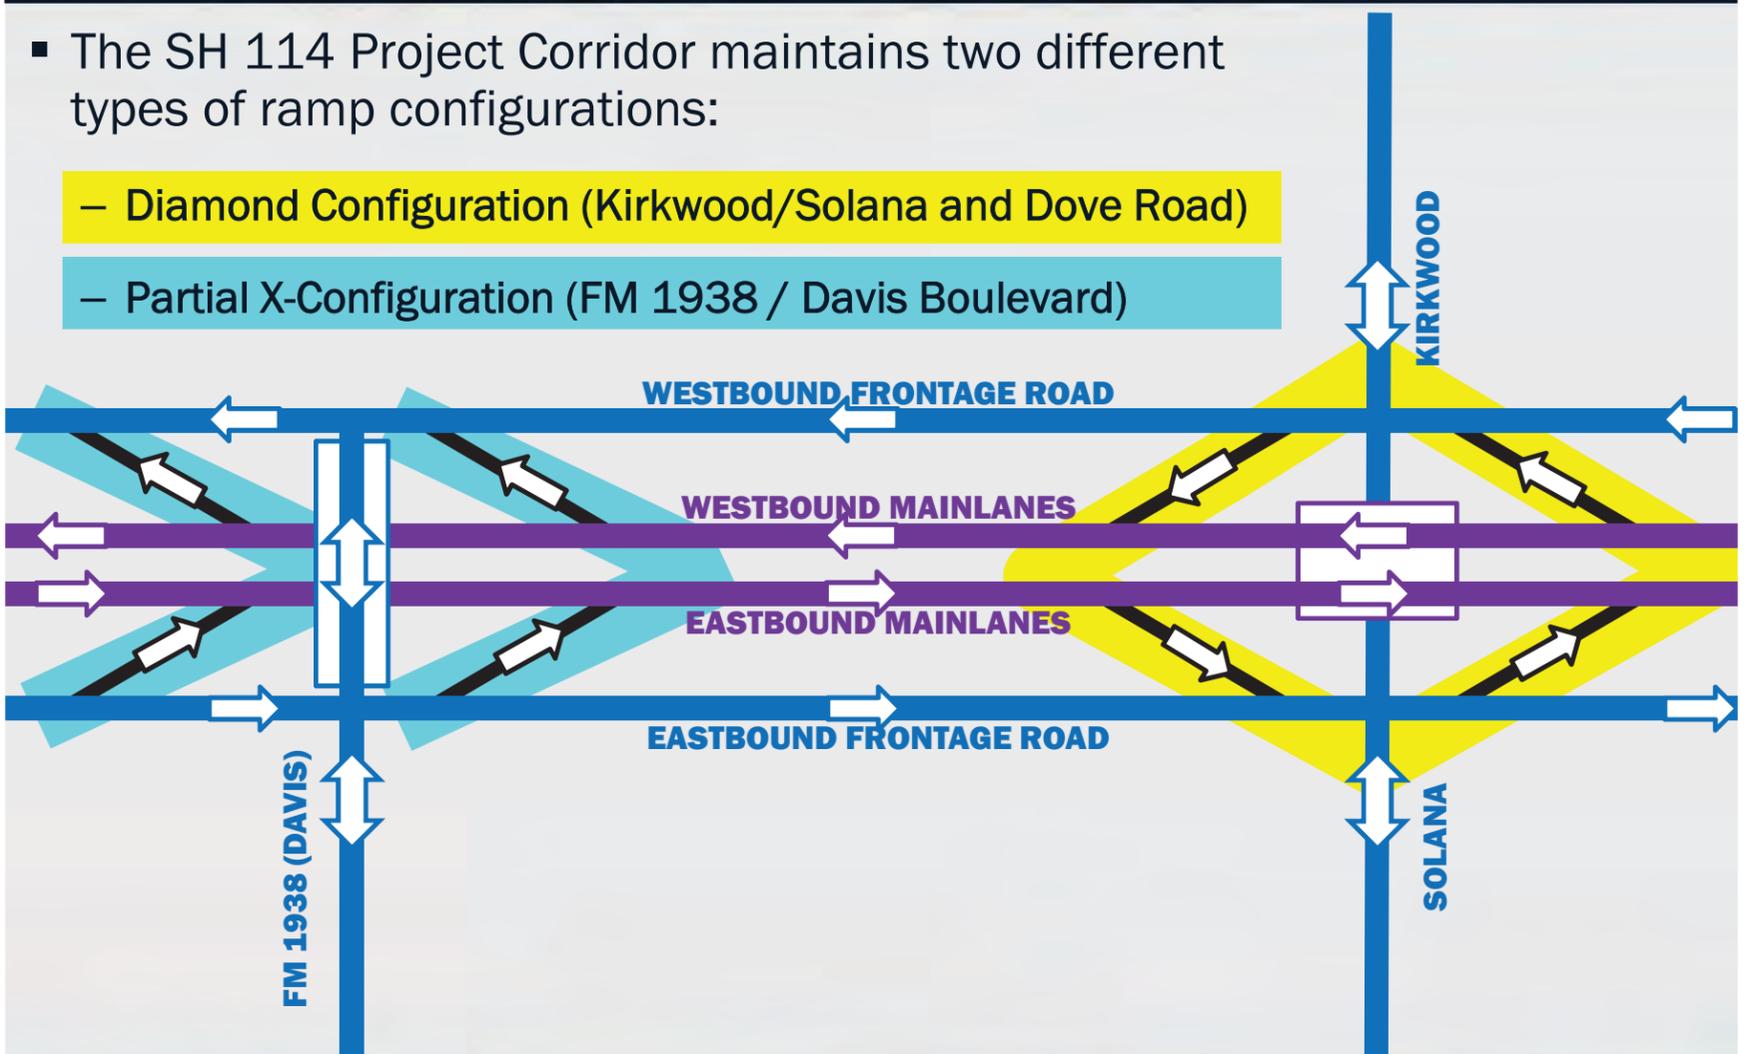

- The SH 114 Project Corridor maintains two different types of ramp configurations:
 - Diamond Configuration (Kirkwood/Solana and Dove Road)
 - Partial X-Configuration (FM 1938 / Davis Boulevard)

Ramp Alternatives Evaluated

- The SH 114 Project Corridor maintains two different types of ramp configurations:

– Diamond Configuration (Kirkwood/Solana and Dove Road)

– Partial X-Configuration (FM 1938 / Davis Boulevard)

Ramp Alternatives Evaluated

- Converting from Diamond to X-Ramps offers the following advantages:
 - Improves safety by moving the weaving area between an entrance ramp and exit ramp from the mainlanes to the frontage road, where speeds and volumes are lower
 - Increases development access possibilities along frontage road
 - Reduces through demand on the frontage road approach to the cross-street intersection
 - Provides increased storage area for vehicles queueing from the cross-street intersection
 - Offers an opportunity to use the frontage road as an alternate route for incident management

Ramp Alternatives Evaluated

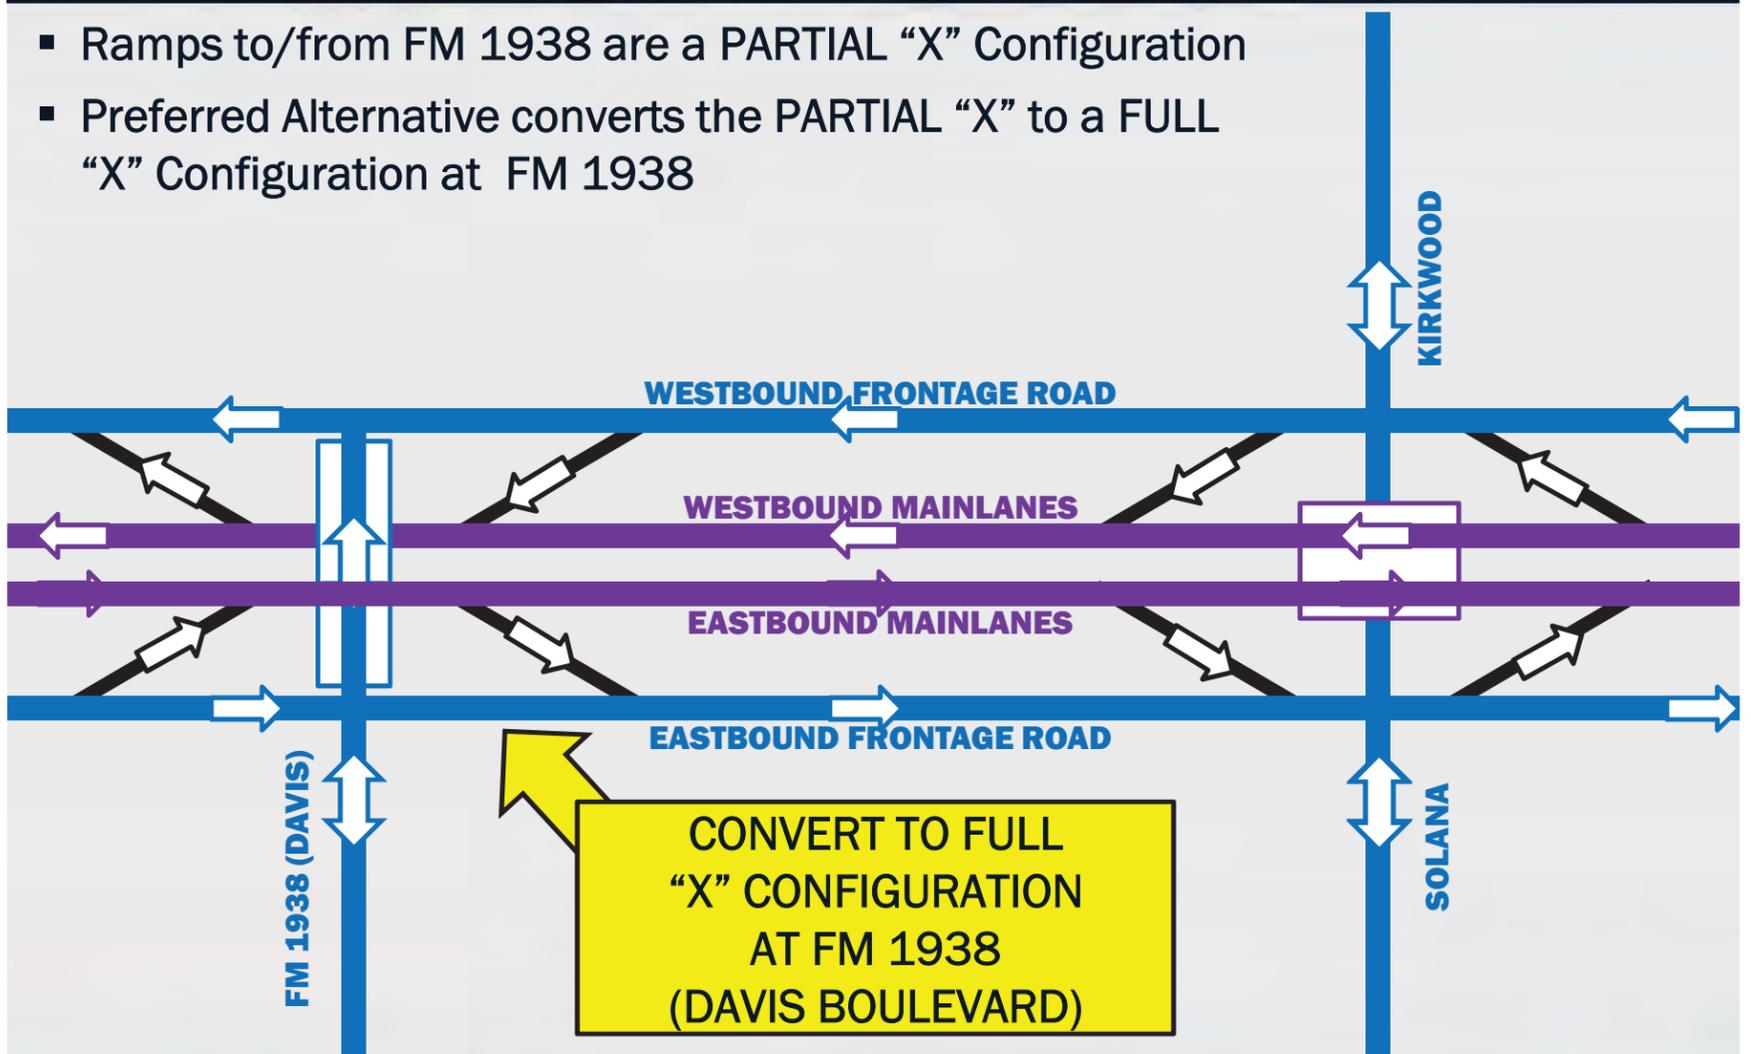

- Converting from Diamond to X-Ramps offers the following disadvantages:
 - Costly to reconstruct existing ramps
 - Invites “sling-shot” maneuvers allowing motorists to bypass cross-street signals, which could create safety and capacity problems on the frontage road and will likely increase short trips on the freeway
 - May require the construction of auxiliary lanes between cross streets and along the freeway mainlanes
 - Constructing auxiliary lanes along an existing freeway may require reconstruction of bridges and/or retaining walls.

Ramp Alternatives Evaluated

- A comprehensive traffic analysis has determined that converting the existing Diamond Ramp configurations to X-Ramps within the SH 114 Project Area will offer an improved Level-of-Service for drivers.
- The X-Ramp configuration will allow employees and visitors of TD Ameritrade to bypass existing city streets.

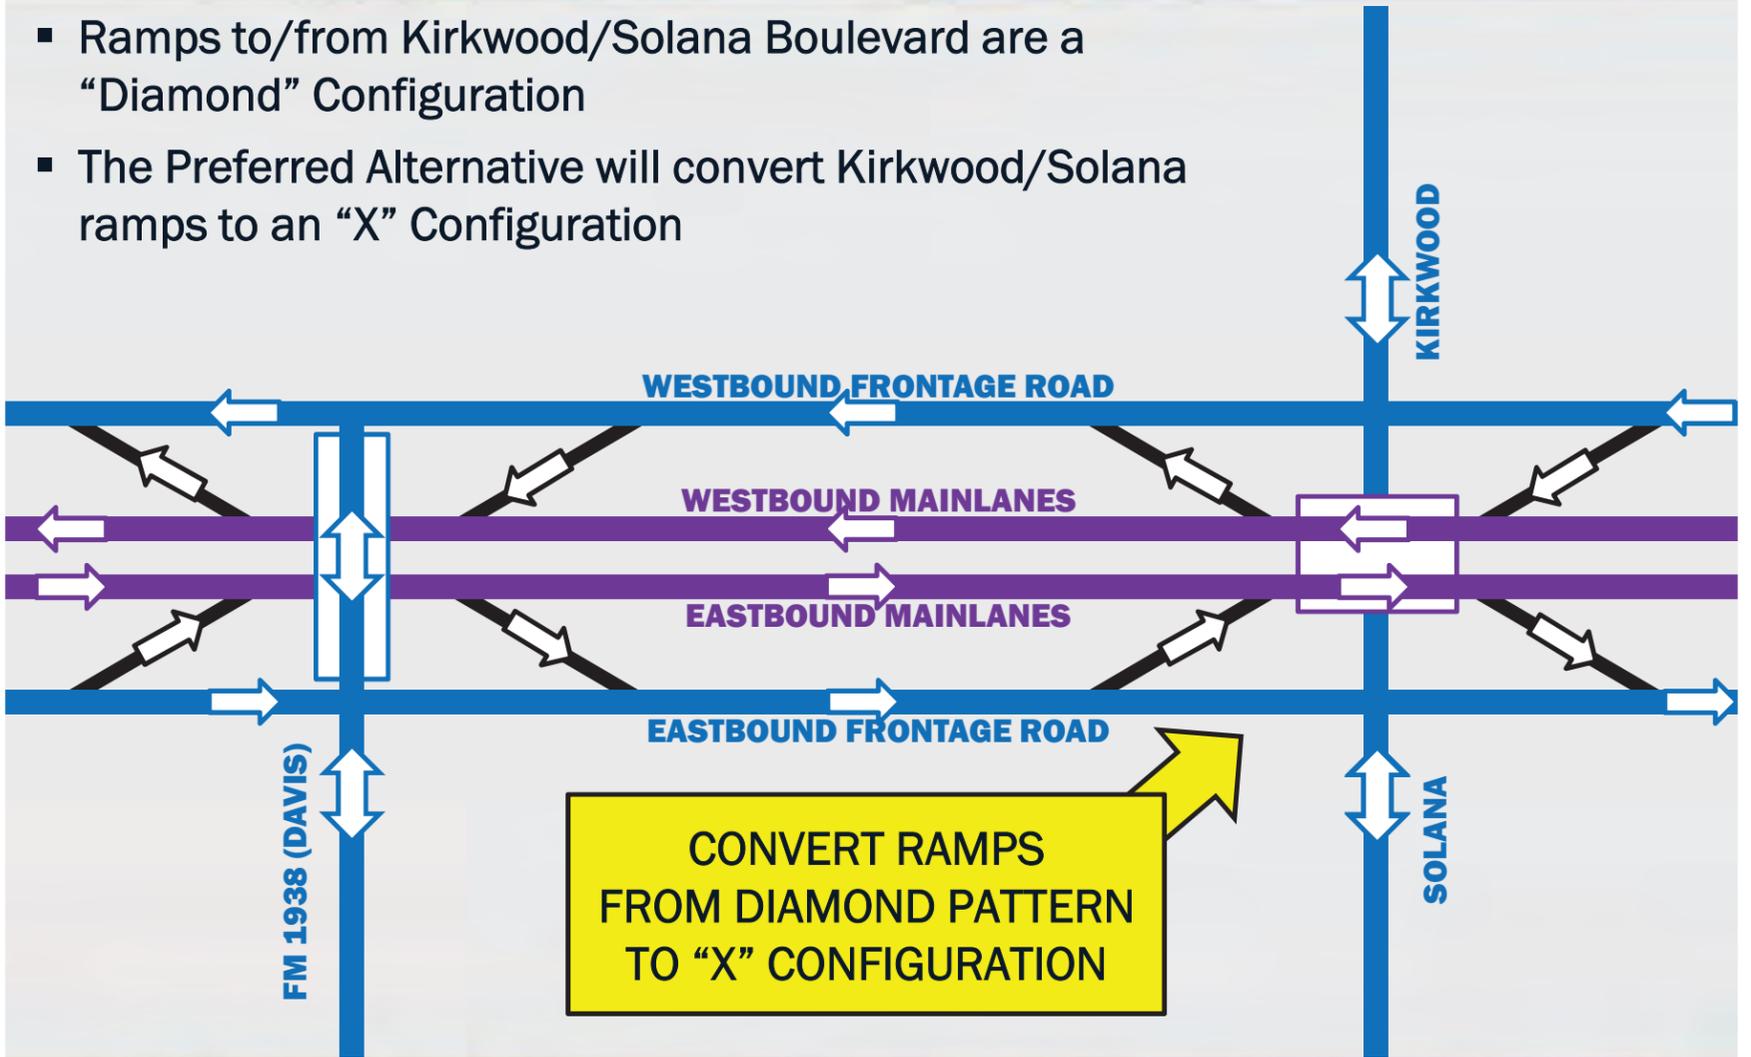

Proposed Ramp Changes at FM 1938 (Davis Boulevard)

- Ramps to/from FM 1938 are a PARTIAL “X” Configuration
- Preferred Alternative converts the PARTIAL “X” to a FULL “X” Configuration at FM 1938

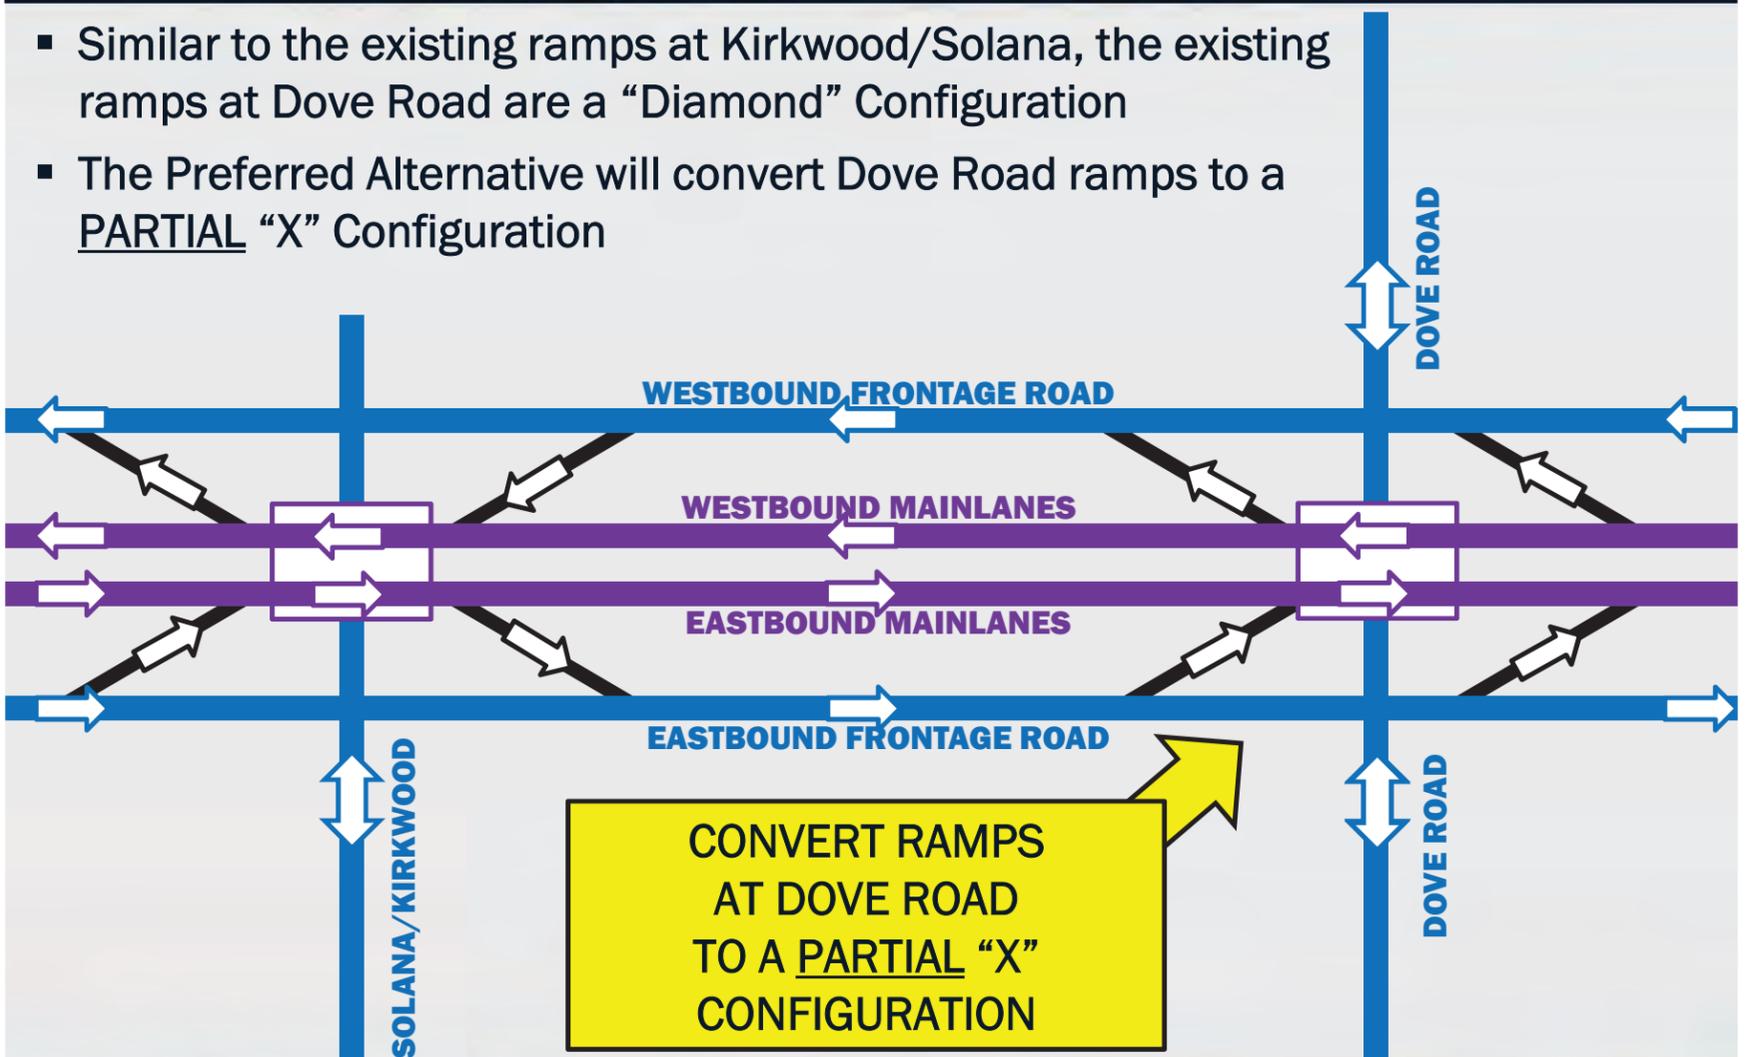

Proposed Ramp Changes at Kirkwood/Solana Boulevard

- Ramps to/from Kirkwood/Solana Boulevard are a “Diamond” Configuration
- The Preferred Alternative will convert Kirkwood/Solana ramps to an “X” Configuration

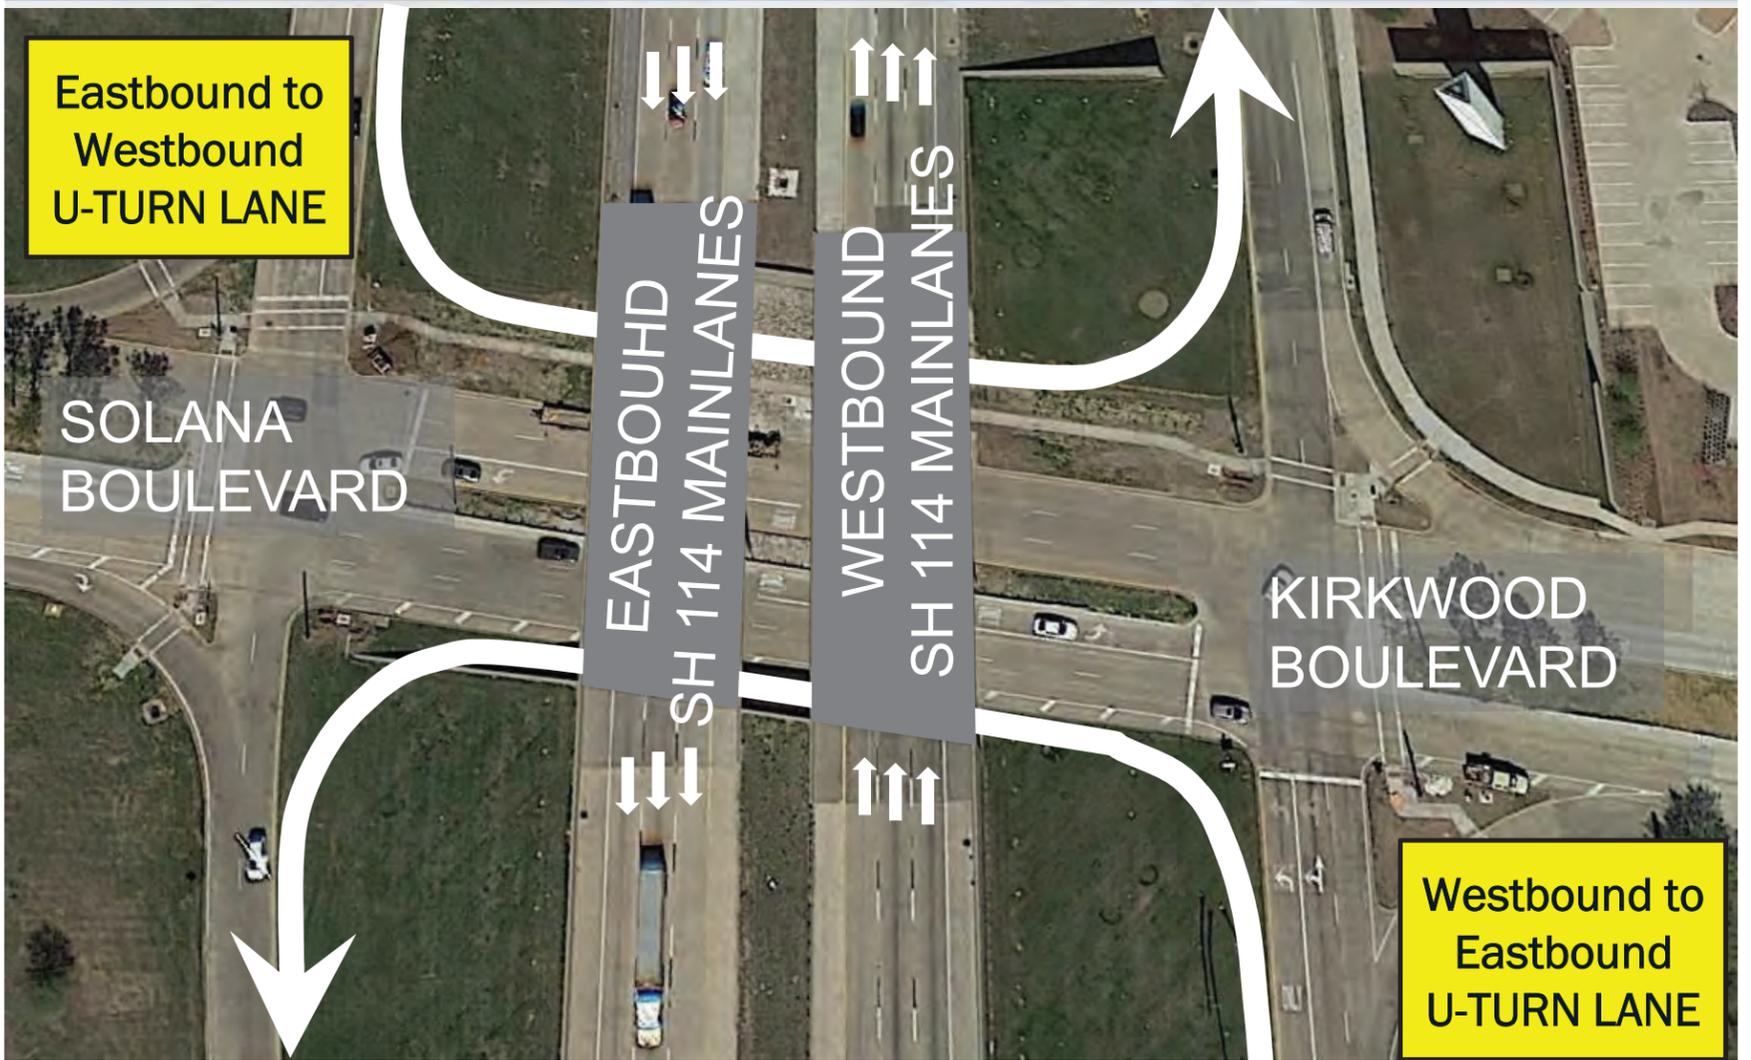

Proposed Ramp Changes at Dove Road

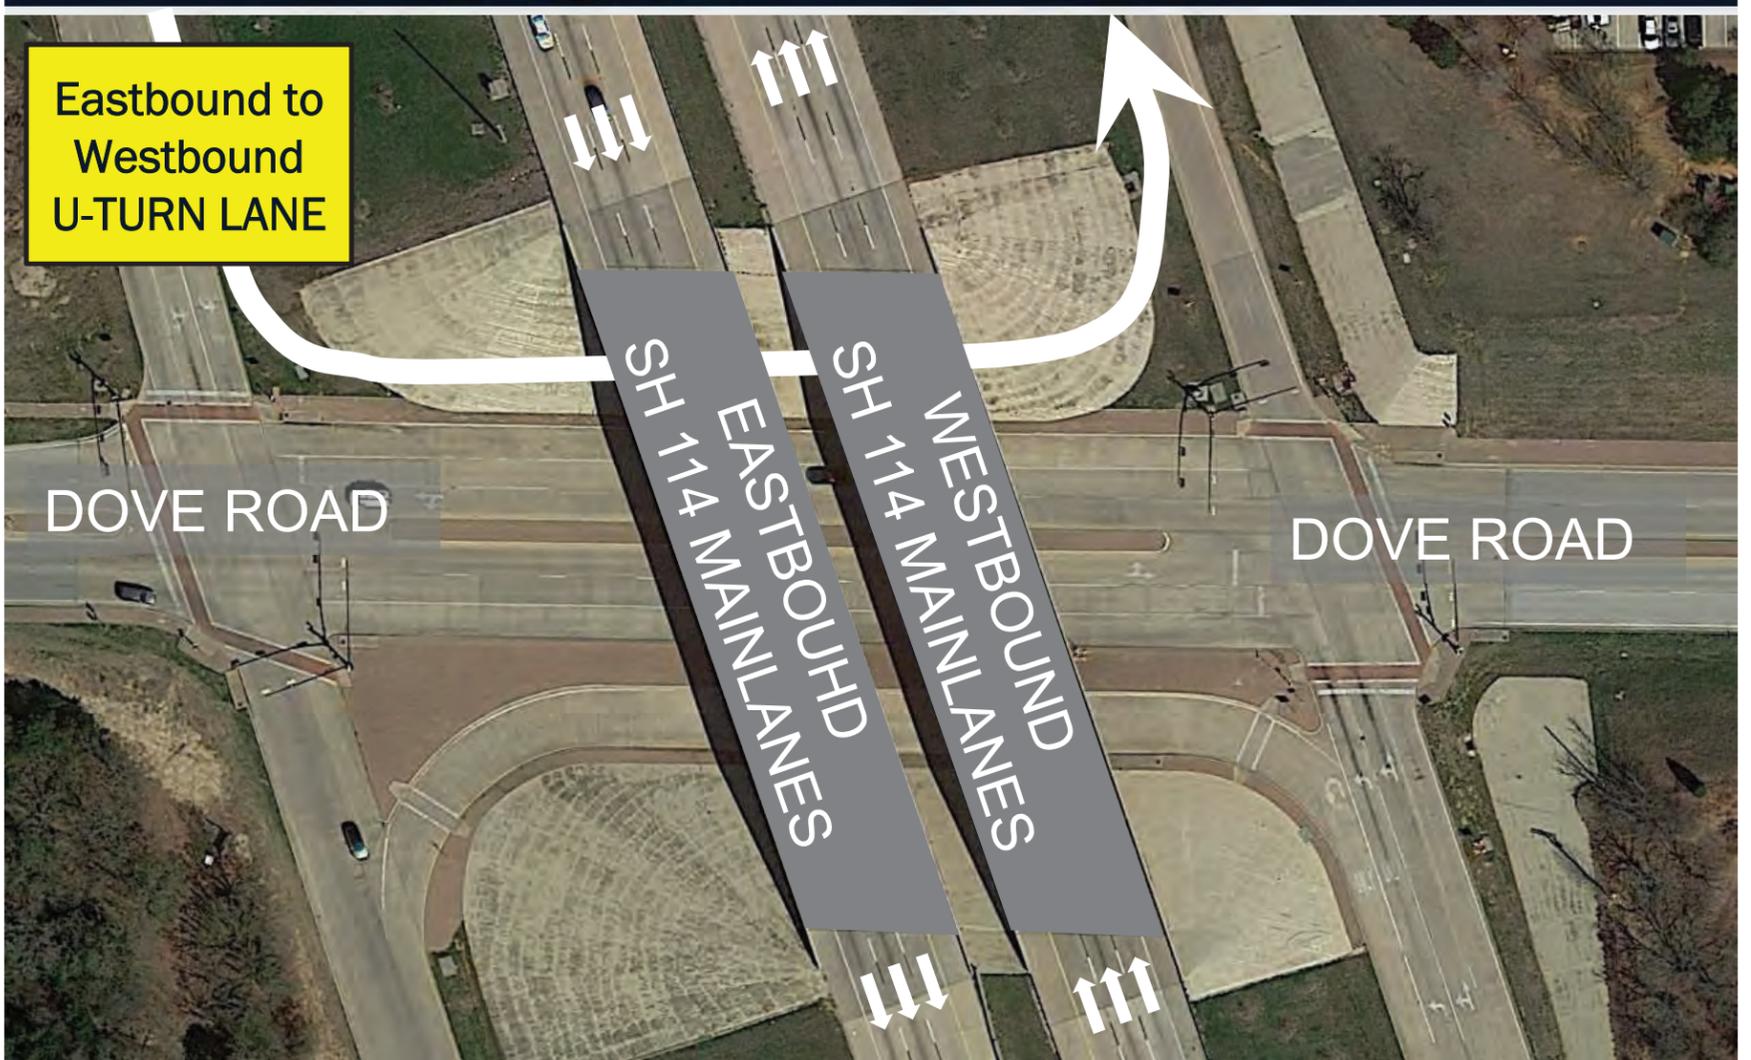

- Similar to the existing ramps at Kirkwood/Solana, the existing ramps at Dove Road are a “Diamond” Configuration
- The Preferred Alternative will convert Dove Road ramps to a PARTIAL “X” Configuration

Other Proposed Improvements

Other Proposed Improvements

Other Proposed Improvements

- Bridge widening will be required along the outside lanes of SH 114 Westbound Bridges over Dove Road and Kirkwood/Solana Boulevard.
- The FM 1938 Bridge over SH 114 will require lengthening on the north end to accommodate an auxiliary lane along Westbound SH 114.

Other Proposed Improvements

- Retaining Walls will be constructed at Kirkwood/Solana and at Dove Road to accommodate the proposed U-Turn Lanes.
- Auxiliary lanes will be constructed at select locations - between ramps along the SH 114 mainlanes and between ramps along the existing and proposed frontage roads.

Other Proposed Improvements

- Sidewalks will be constructed along the frontage roads throughout the limits of the project.
- A wide shared lane will be constructed along the outside lane of the proposed frontage roads. This lane is wide enough to accommodate a bicycle and a vehicle in a single lane.

Other Proposed Improvements

- A noise analysis will be conducted as part of the environmental evaluation. This analysis will determine the warrants for sound walls within the project limits.
- If the analysis determines that sound walls are warranted, feasible, and cost effective, a Noise Wall Workshop will be held with adjacent property owners to obtain input.

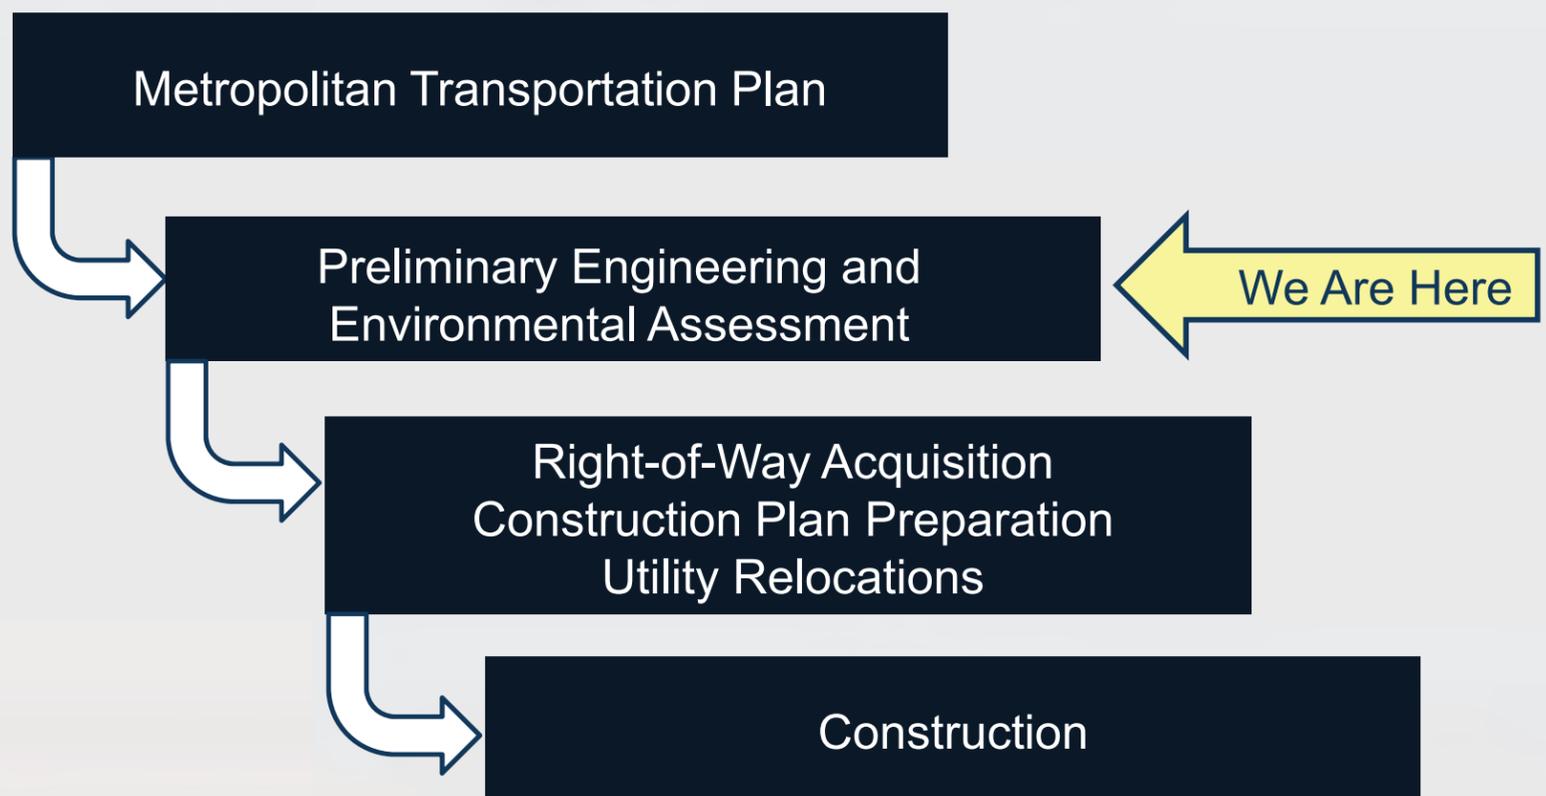

Current Project Development Status

- Project estimated to be constructed beginning in 2020 and completed by 2021
- The UTP authority for this project is “DEVELOP” for fiscal year 2019 under Category 2M (Metro Corridor) funding
- Project is currently included in the 2019-2022 Transportation Improvement Program (TIP), which became effective on September 28, 2018.

Current Project Development Status

- The proposed action is consistent with the area’s financially constrained Metropolitan Transportation Plan (MTP) – Mobility 2045 Plan – which was adopted on June 14, 2018.
- The air quality conformity determination process regarding both the 2019-2022 TIP and the Mobility 2045 Plan is ongoing between the North Central Texas Council of Governments (NCTCOG) and state and federal partners.

Project Development Process

Right of Way Acquisition Process

- Before right-of-way can be acquired for the project, the project must be cleared environmentally and a notice to proceed must be received.
- A right-of-way map will be developed and ownership of properties that need to be acquired will be determined.
- An Independent Fee Appraiser will be hired to determine the value of the land, site improvements and any damages to the remaining property.

Right of Way Acquisition Process

- Upon receipt and review of the Appraisal Report, a written offer will be presented to each landowner. The landowner will be offered “Fair Market Value”. Fair Market Value is defined as the price a willing buyer would pay and the value a willing seller would sell without duress.

Right of Way Acquisition Process

- Each landowner will be given a minimum of 30 days to consider the offer and review the Appraisal Report.
- For land owners who will be displaced, benefits will be provided through the Relocation Assistance Program.

Right of Way Acquisition Process

- For questions, please call:

Kelly Price

TxDOT Fort Worth District

Right-of-Way Office

817-370-6723

Tentative Project Schedule

- Notice to Proceed – April 30, 2017
- Design Concept Conference – July 10, 2017
- Technical Advisory Group Meetings – Oct. 16, 2017
Jan. 24, 2018
April 4, 2018
- Public Meeting – Oct. 23, 2018
- Submit 100% Geometric Layout – November 2018
- Submit Environmental Document for Review – Winter/Spring 2019
- Public Hearing – Summer 2019
- Receive Environmental Clearance – Spring 2020

Questions or Comments

- Study Team Representatives are available to interpret exhibits and answer questions.
- To submit comments or questions as part of the Official Record of today's meeting, please fill out a Comment Card and submit by Nov. 7, 2018

i. Design Change Summary

SH 114 Frontage Road, Ramp & Intersection Improvements
CSJ: 0353-03-100

Summary of Design Changes:

The purpose of this section is to document any recent design revisions to the State Highway (SH) 114 roadway improvement project in the City of Southlake and Towns of Trophy Club and Westlake, Tarrant County, Texas.

No changes were made to the design or project description as a result of the public meeting held on October 23, 2018.
