

US 81/US 287 Frontage Roads Project: Rhome to Avondale From north of Pioneer Road to south of Avondale Haslet Road

Purpose: To relieve congestion and enhance safety and mobility.

Proposed improvements:

- Addition and reconstruction of frontage roads to create a continuous system of one-way frontage roads
- Addition and reconstruction of interchanges to improve operations
- Addition of a mainlane in each direction south of Avondale Haslet Road

Considerations:

- Accommodate planned improvements in the North Texas Council of Governments - *Mobility 2045*, City of Fort Worth, and Wise County Thoroughfare Plans
- Improve the existing facility as needed to meet current design criteria and improve safety
- Evaluate necessary drainage improvements
