

Notice of Public Meeting

The Texas Department of Transportation (TxDOT), Houston District, will hold a public meeting regarding the proposed reconstruction and widening of Farm-to-Market (FM) Road 3083 from State Highway (SH) 105 to Interstate Highway 45 (I-45), in Montgomery County, Texas, a distance of 2.2 miles. The meeting will be held on Thursday, November 9, 2017, at the Peet Junior High Cafetorium, 1865 Longmire Road, Conroe, TX 77304. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m. **No formal presentation will be made.**

The purpose of the Public Meeting is to present the proposed project to the public and receive comments. The proposed project would reconstruct and widen FM 3083 from a two-lane roadway to a four-lane divided roadway with 12-foot travel lanes, 12-foot shoulders and 18-foot raised medians within existing right-of-way. Open drainage ditches and pedestrian sidewalks would be constructed on both sides of the roadway. The project would also include three proposed detention basins adjacent to the existing roadway and potentially require approximately 8 acres of additional right-of-way for these areas. The purpose of the project is to upgrade the roadway to current design standards, facilitate mobility in Conroe, and enhance safety for the traveling public. No relocations or displacements would occur as a result of the proposed project.

Maps showing the proposed project's location and design drawings will be available for review at the Public Meeting. This information will also be available by appointment for review Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., excluding state holidays, at the TxDOT Houston District Office, located at 7600 Washington Avenue, Houston, Texas 77007.
