The Texas Department of Transportation (TxDOT), Houston District, will hold a public meeting regarding the I-45N: Beltway 8 North to Loop 336 South (Conroe) Planning and Environmental Linkages (PEL) Study in Harris and Montgomery Counties. The PEL study will identify existing and projected transportation issues within the corridor through public and stakeholder engagement, create a corridor vision, and identify viable solutions.

Identical meetings will be held on the following dates at three locations:

Saturday, October 12, 2019: 10:00 A.M. to Noon - Harvest Time Church, 17770 Imperial Valley Drive, Houston, Texas, 77060

Tuesday, October 15, 2019: 5:30 P.M. to 7:30 P.M. – Spring High School, 19428 I-45 North, Spring, Texas, 77373

Wednesday, October 16, 2019: 5:30 P.M. to 7:30 P.M. – Oak Ridge High School 9th Grade Campus, 27310 Oak Ridge School Road, Conroe, TX 77385

Each meeting will consist of an open house during which time members of the public may review project information, submit feedback and ask project team members questions. No formal presentation will be made.

The purpose of the public meeting is to present the latest updates on the study and receive comments on the universe of alternatives. An earlier set of public meetings was held in 2018 and public input from those events has been considered in the study findings, with more public input needed at this stage of the study.

Project information will be available for review at the public meeting. This information will also be available by appointment for review Monday through Friday between the hours of 8:00 A.M. and 5:00 P.M., excluding state holidays, at the TxDOT Houston District Office, located at 7600 Washington Avenue, Houston, Texas 77007. To schedule an appointment at the Houston District, please contact Cesar Martinez at (713) 802-5279. The project information can also be viewed on the project website:
