

**Notice**  
**Finding of No Significant Impact**  
**Available for Public Review**  
**MCHARD ROAD EXTENSION**  
**From Cullen Boulevard to Mykawa Road**  
**CSJ: 0912-31-290**  
**Brazoria County, Texas**

Pursuant to Texas Administrative Code, Title 43, §2.108, this notice advises the public that the Texas Department of Transportation (TxDOT) has issued a finding of no significant impact (FONSI) for the proposed McHard Road Extension project from Cullen Boulevard to Mykawa Road in Brazoria County, Texas. The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

The proposed McHard Road would have an urban cross-section consisting of a four-lane divided, curb-and-gutter roadway within a typical 120-foot ROW with an 18-foot raised median. Each travel lane would be 11 feet wide with 1 foot curb offsets and a 10-foot-wide shared pedestrian/bicycle path. The proposed facility would have median openings and left turn lanes as required. The project would also include three storm water detention ponds.

To avoid noise impacts that may result from future development adjacent to a proposed highway project, a traffic noise analysis is included in the final EA, which includes predicted noise impact contours for currently undeveloped areas. These impact contours are intended as a general guide to assist local planning officials and developers plan and construct new activities in locations that would not result in traffic noise impacts. On the date of approval/clearance of an EA/FONSI (including the traffic noise analysis) for a proposed highway project, TxDOT is no longer responsible for providing noise abatement for new development.

Copies of the approved final EA and FONSI are available for public inspection at TxDOT's Houston District Office (7600 Washington Avenue, Houston, TX 77007) and at the Pearland City Hall (3519 Liberty Dr., Pearland, TX 77581). For further information, please contact Jennifer Lee, City of Pearland Project Manager, at (281) 652-1760.
