Harris County, Texas
Control 0720-03-131

The Texas Department of Transportation (TxDOT), Houston District, will hold a second public meeting regarding the proposed project along State Highway (SH) 249 from south of Beltway 8 North to west of Interstate Highway 45 (I-45) North in Harris County, Texas. The meeting will be held Tuesday June 12, 2018 at Klein Intermediate School, 4710 West Mount Houston Road, Houston, Texas 77088. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m. No formal presentation will be made.

The purpose of the public meeting is to present and receive comments on TxDOT's proposed recommended alternative for SH 249. The purpose of the proposed improvements is to enhance mobility and operational efficiency, accommodate current and future traffic demands, and to improve safety along SH 249 from south of Beltway 8 North to west of I-45 North. The proposed recommended alternative includes adding capacity to the roadway (one additional lane in each direction), adding raised medians, intersection improvements, and pedestrian, bicycle, and transit stop improvements. The proposed project would require the acquisition of additional right-of-way, resulting in potential commercial and residential displacements.

Maps showing the proposed project location and drawings of the proposed recommended alternative will be available for review at the public meeting. This information will also be available for review by appointment Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., excluding state holidays, at the TxDOT Houston District Office, located at 7600 Washington Avenue, Houston, Texas 77007.
