

Notice of Public Meeting

The Texas Department of Transportation (TxDOT), Houston District, will hold a Public Meeting regarding the proposed intersection improvements at the State Highway (SH) 6 at Clay Road located in Harris County, Texas. The meeting will be held on Tuesday, January 24, 2017, at the Bear Creek Park Community Center, 3055 Bear Creek Drive, Houston, Texas 77084. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m. No formal presentation will be made.

The purpose of the Public Meeting is to present the proposed project alternatives to improve the intersection and to obtain comments. The study will evaluate the no build alternative as well as build alternatives to improve capacity by adding lanes at the intersection (all at-grade) or grade separating high-volume traffic movements to accommodate future travel demands. The build alternatives will include pedestrian and bicycle accommodations, will meet ADA requirements, and may require additional right-of-way, resulting in potential displacements.

Maps showing the proposed project's location and design drawings will be available for review at the Public Meeting. This information will also be available by appointment for review Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., excluding state holidays, at the TxDOT Houston District Office, located at 7600 Washington Avenue, Houston, Texas 77007.
