

## Notice

### Final Environmental Assessment Available for Public Review

#### US 59 CORRIGAN RELIEF ROUTE

From 3.0 miles south of US 287 to 3.4 miles north of US 287

CSJs: 0176-04-056 and 0176-05-104

#### Polk County, Texas

Pursuant to Texas Administrative Code, Title 43, §2.108, this notice advises the public that a final environmental assessment (EA) is available for public review for the proposed US 59 Corrigan Relief Route project from 3 miles south of US 287 to 3.4 miles north of US 287 in Polk County, Texas. The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

The proposed US 59 Corrigan Relief Route project would provide a 6.4 mile controlled access roadway on new location west of Corrigan. There would be four lanes, two in each direction, with overpasses on the north and south ends at the Union Pacific Railroad (UPRR) and US 287. Additional bridges would be constructed over several creek crossings and Union Springs Rd. No frontage roads are proposed. The proposed right-of-way (ROW) width varies from 300 feet along the proposed main lane section up to 880 feet at the overpasses.

Copies of the approved final EA, certification of public involvement, and supporting documentation are available for public inspection at the Lufkin District office, 1805 North Timberland Drive, Lufkin, TX 75901, (936)633-4469 and <http://www.txdot.gov/inside-txdot/projects/studies/lufkin/us59-corrigan-relief.html>. Pursuant to 23 CFR 771.119(h), TxDOT will issue a finding of no significant impact (FONSI) for this project no sooner than 30 days after the issuance of this notice of availability. For further information, please contact Jennifer Adams, I-69 Project Manager, (936)633-4469, Jennifer.Adams@txdot.gov.
