

US 259 WIDENING

FROM SH 204 TO RUSK COUNTY LINE

Texas Department of Transportation (TxDOT) is hosting a virtual public meeting regarding the widening of US 259 from SH 204 to the Rusk County line. This event is being held to display the proposed improvements, explain to the public where TxDOT is in the project development process, answer questions, and gather local citizen input. The virtual public meeting will consist of a pre-recorded presentation, display project exhibits and other information, and provide a link to submit online written comments.

For more information, visit the TxDOT website at www.txdot.gov and enter “US 259 Widening” in the search area or call (936) 633-4397. If you do not have internet access, you may call (936) 633-4397 to ask questions about the project and access project materials at any time during the project development process. Formal comments may be provided by email through the website above or by regular mail to:

All comments must be received on or before Wednesday, October 28, 2020.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

The virtual public meeting will be conducted in English and Spanish. If you need an interpreter or document translator because English or Spanish is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Rhonda Oaks, at 936-633-4395 no later than 4 p.m. CT, Wednesday, Oct. 7, 2020. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.
