

# Rural Transportation Improvement Plan 2021-2024

Virtual Public Meeting  
Odessa District

- 1 Safety Minute
- 2 Odessa District and its Boundaries
- 3 The Rural Transportation Improvement Program (TIP)
- 4 How the Rural TIP Impacts You
- 5 How Projects are Selected for the Rural TIP
- 6 Projects by Fiscal Year
- 7 Funding
- 8 Next Steps

Safety: Mission

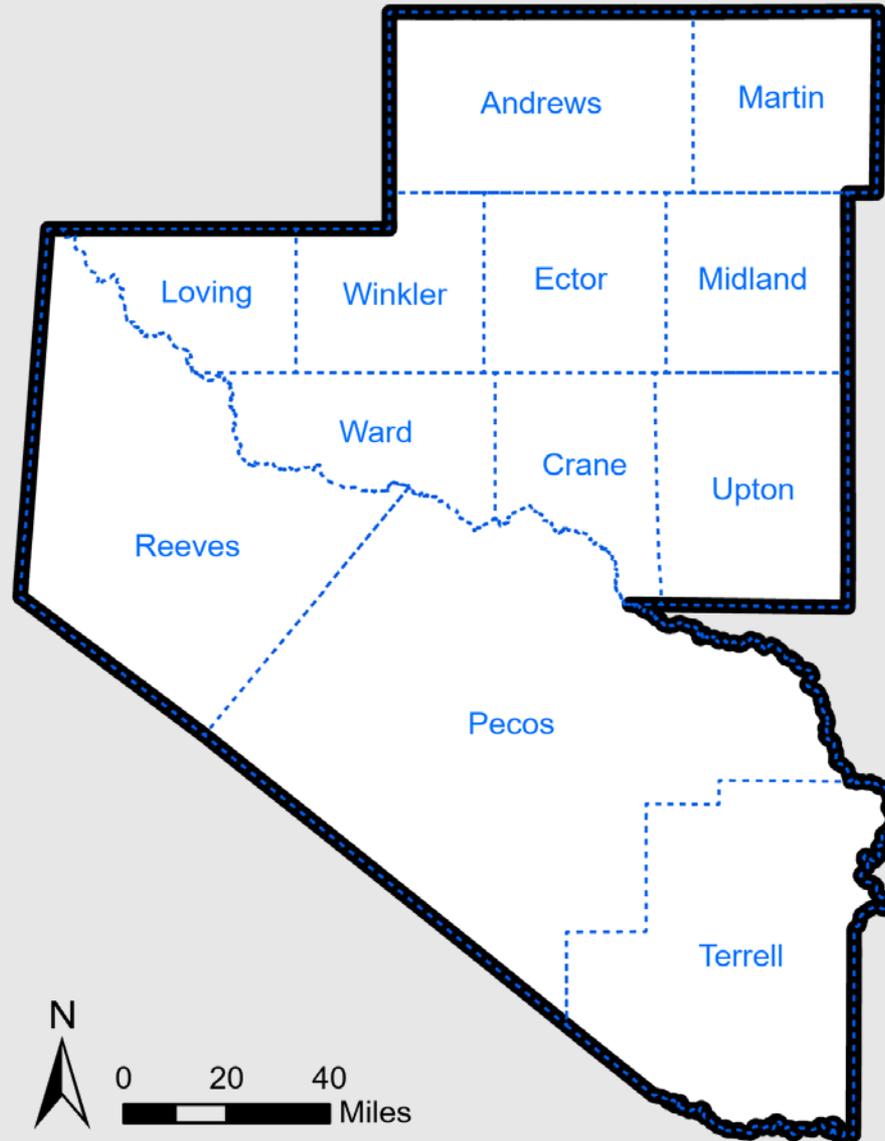

**ZERO**

**TALK / TEXT CRASH**

**TxDOT**

***Safety Never Stops!***

# THE RURAL TIP

is list of local projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding.

It can include projects for :

A Rural TIP project is anticipated to be funded within the next 4 years.

It shows regional agreement (community-region-state) on the need of a project.

The Rural TIP process includes opportunities to provide input on the priority of major projects that are listed on it.

Local and small projects around your community dealing with safety and access also get funding through the Rural TIP, for example:

*Road expansions*

*Sidewalks*

*Bike lanes*

*Pavement repair or maintenance*

*New or improved signals*

*Turning lanes*

**You know  
your  
community  
best!**

**By participating today, you are providing input on the projects included in this Rural TIP!**

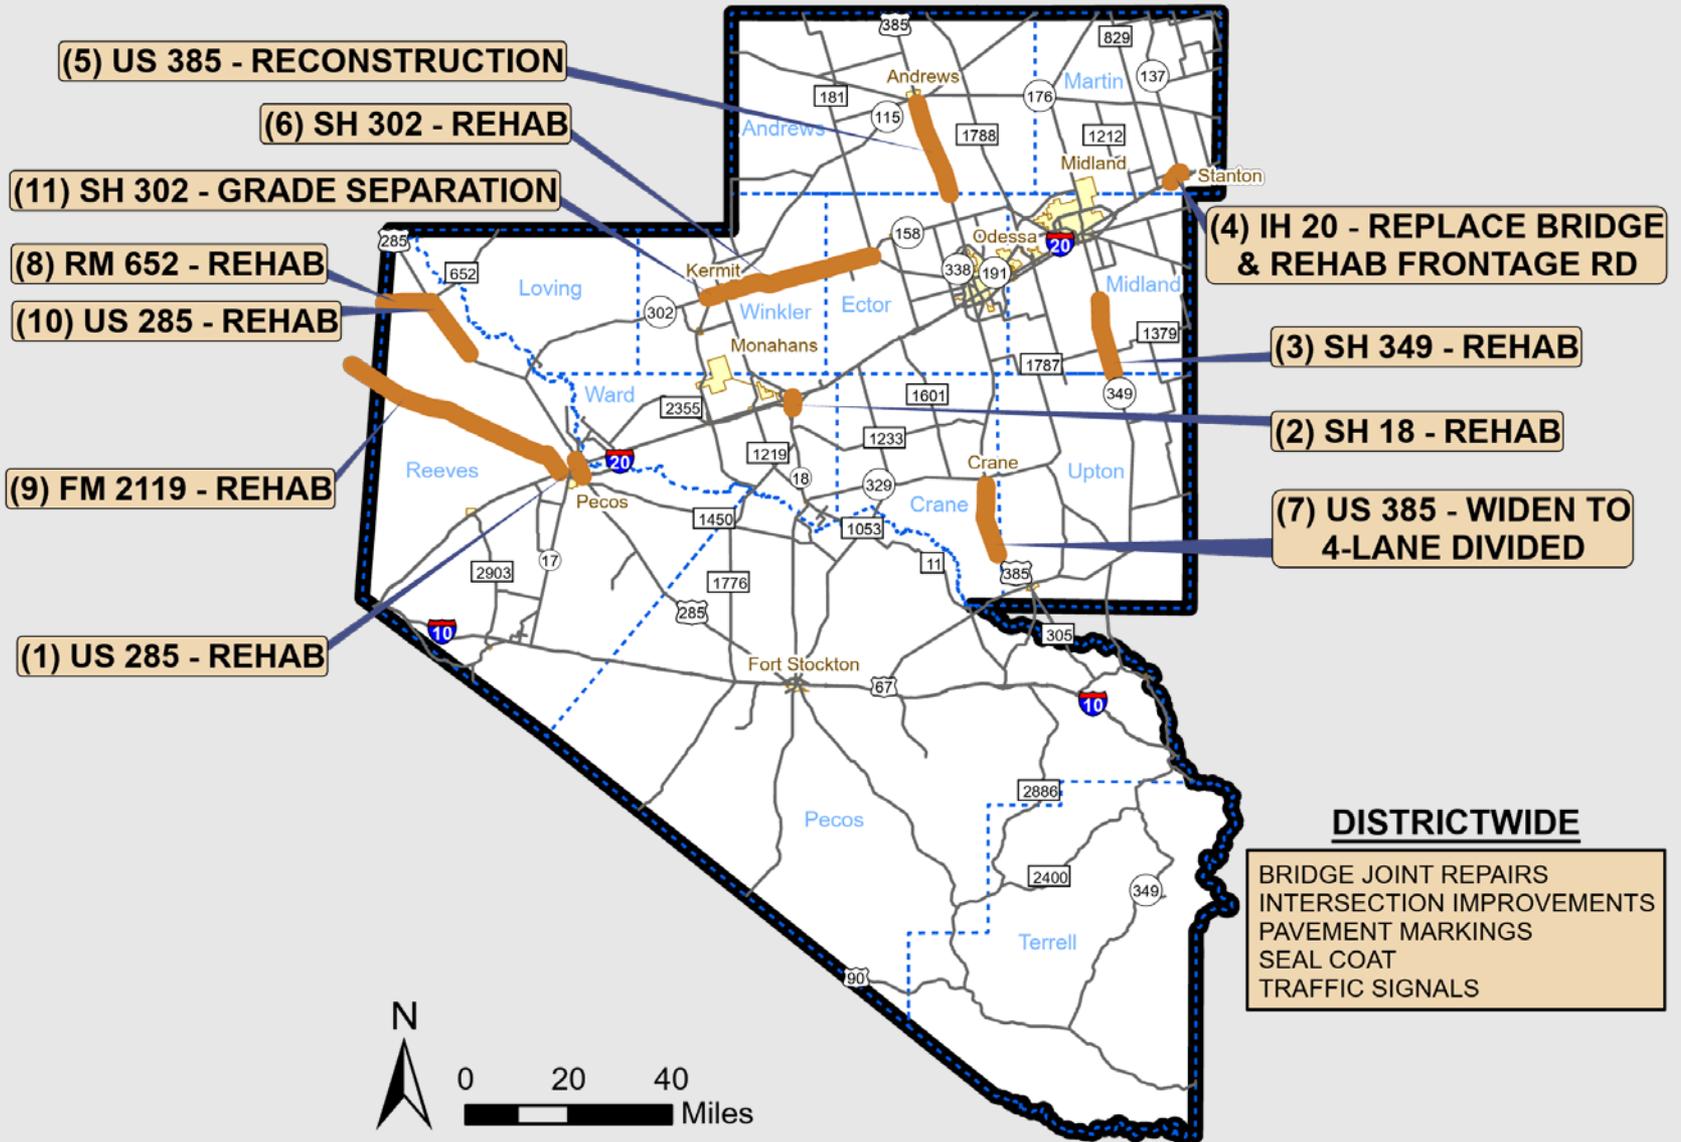

Projects are identified and selected by evaluating existing and future needs based on:  
current conditions and projections,  
statewide and regional plans, and  
public input regarding transportation priorities.

*For Example:*

# Rural TIP Fiscal Year 2020 Projects

The Rural TIP is a fiscally constrained list of projects that functions as a budgeting tool for our District.

Funds can come from:

## Federal Government

*Through the Federal Highway and Transit Administrations*

## TxDOT

*Through its Unified Transportation Program funding categories*

## Local governments

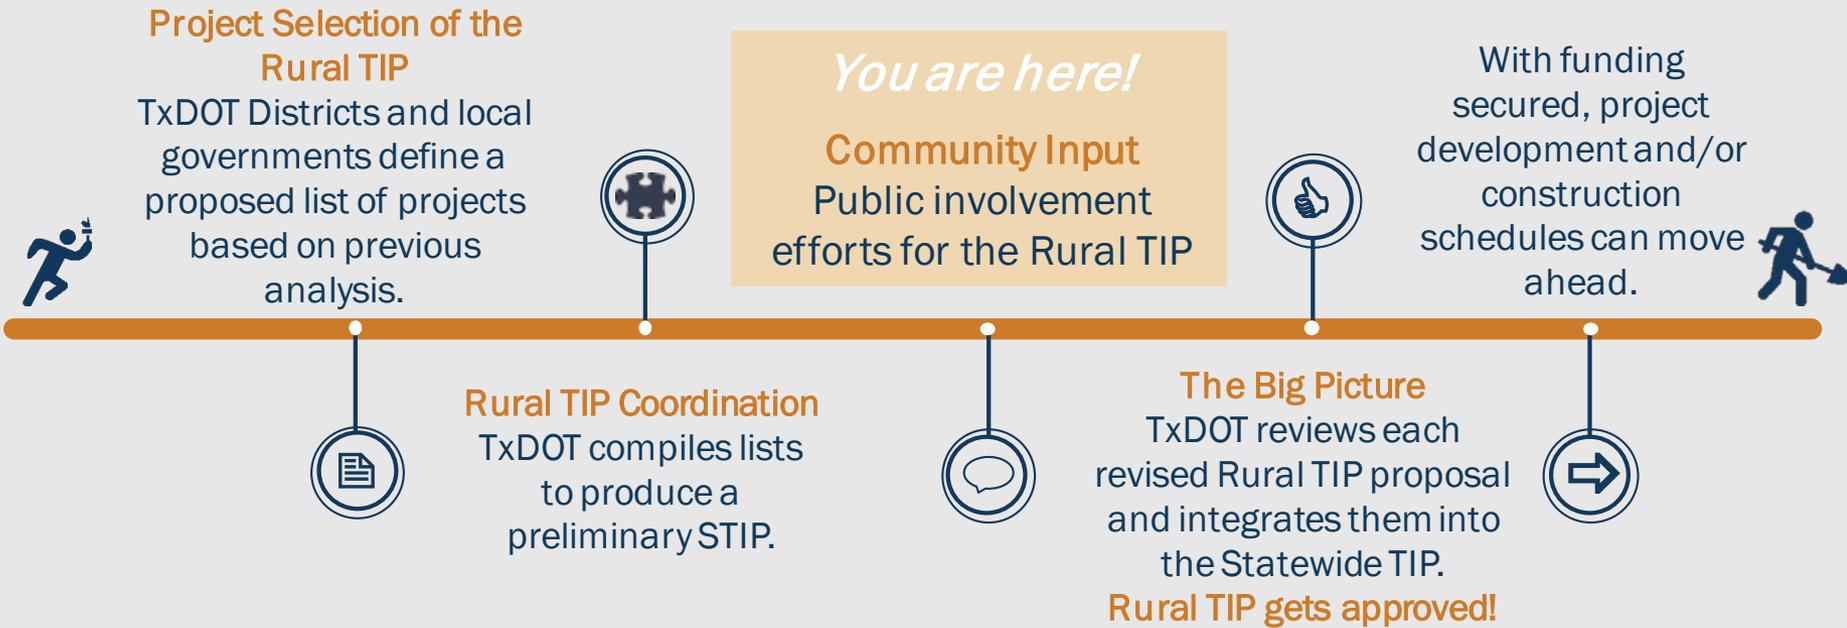

*Who may be required to provide matching funds for federal monies*

“Fiscally constrained TIP” means:

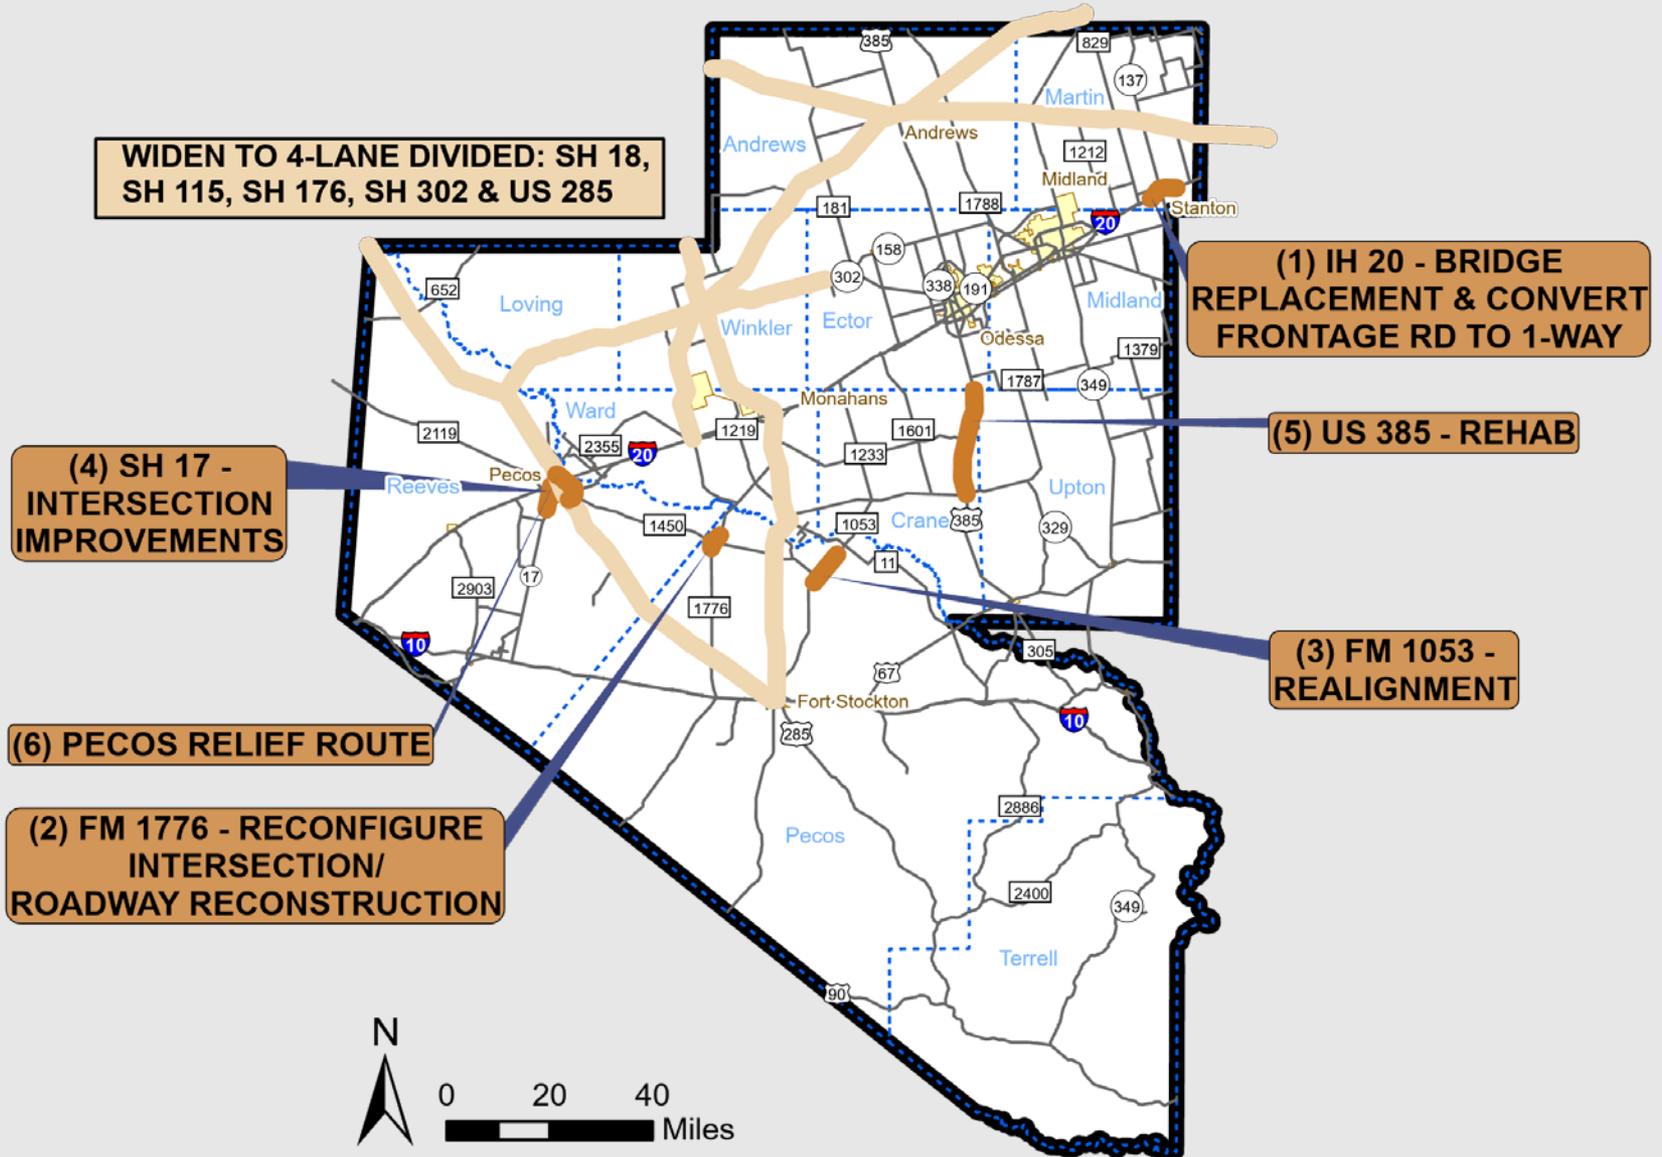

It is realistic in terms of the amount of funding available.
