

NOTICE OF PUBLIC MEETING

The Odessa District of the Texas Department of Transportation (TxDOT) has scheduled a public meeting for proposed improvements to Interstate Highway (IH) 20 between Loop 250 and Farm-to-Market (FM) 1788, in Midland County, Texas. The public meeting is scheduled for:

5:00 PM to 7:00 PM, Tuesday, January 29, 2019
Midland Horseshoe, Education Building
5214 Arena Trail, Midland, TX 79701

The purpose of the meeting is to provide information about proposed improvements and gather input from the public. Maps of the project area and other displays will be available for review and comment. TxDOT staff will be available to answer questions. The meeting will consist of an open house from 5:00 p.m. to 6:00 p.m., followed by a brief presentation and a question-and-answer session.

TxDOT proposes to improve a segment of the IH 20 corridor between Loop 250 and FM 1788, in Midland County, by constructing a new interchange at County Road (CR) 1250, constructing new ramps, and improving frontage roads. The purpose of the proposed project is to improve access to and from the industrialized area serviced by CR 1250, and reduce congestion at the north frontage road intersections of IH 20 at Loop 250, and IH 20 at FM 1788, by reducing the traffic at these locations.

Persons interested in attending the meeting who have special communication or accommodation needs, including the need for language interpreters, are encouraged to contact the TxDOT Odessa District Public Information Office at (432) 498-4746 at least two working days prior to the meeting. TxDOT will make every reasonable effort to accommodate these needs.

Verbal and written comments from the public regarding these improvements are encouraged. Comments may be submitted either at the public meeting or in writing within 15 days after the public meeting and must be postmarked by February 13, 2019, to be included as part of the official public record. For additional information, please contact Gabriel A. Ramirez, P.E., Advanced Planning Engineer, TxDOT Odessa District Office, 3901 East Highway 80, Odessa, Texas, 79761, by telephone at (432) 498-4645, or email Gabriel.Ramirez@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
